[57] CLAIM

The ornamental design for a rake, as shown and described.

DESCRIPTION

FIG. 1 is a left side elevational view of a rake showing my new design, the right side being a mirror image of that shown and the handle portion being shown broken-away to indicate indeterminate length;
FIG. 2 is an enlarged front end elevational view thereof; and
FIG. 3 is an enlarged fragmentary top, front, and left side perspective view of the head portion thereof, the handle portion being omitted for clarity of illustration.
