Birch

[57] CLAIM

The ornamental design for enclosure for an electrical
circuit board, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an enclosure for an
electrical circuit board showing my new design;
FIG. 2 is a perspective view thereof in an open position
with the circuit board removed for the purpose of a
complete disclosure, shown on a reduced scale;
FIG. 3 is a top plan view thereof;
FIG. 4 is a left side elevational view thereof with a
portion disclosed in cross section form along a line
bisecting the closing bolt shown on an enlarged scale;
FIG. 5 is a top plan view thereof shown in the open
position for the purpose of a complete disclosure shown
on a reduced scale;
FIG. 6 is a bottom plan view thereof, shown in the
closed position;
FIG. 7 is a rear elevational view thereof shown on an
enlarged scale; and
FIG. 8 is a right side elevational view thereof shown on
an enlarged scale.
