[57] CLAIM

The ornamental design for a portable medical data entry computer, as shown.

DESCRIPTION

FIG. 1 is a top, front, and right side perspective view of a portable medical data entry computer showing our new design;
FIG. 2 is a top plan view;
FIG. 3 is a front elevational view;
FIG. 4 is a left side elevational view;
FIG. 5 is a bottom plan view; and
FIG. 6 is a rear elevational view thereof.

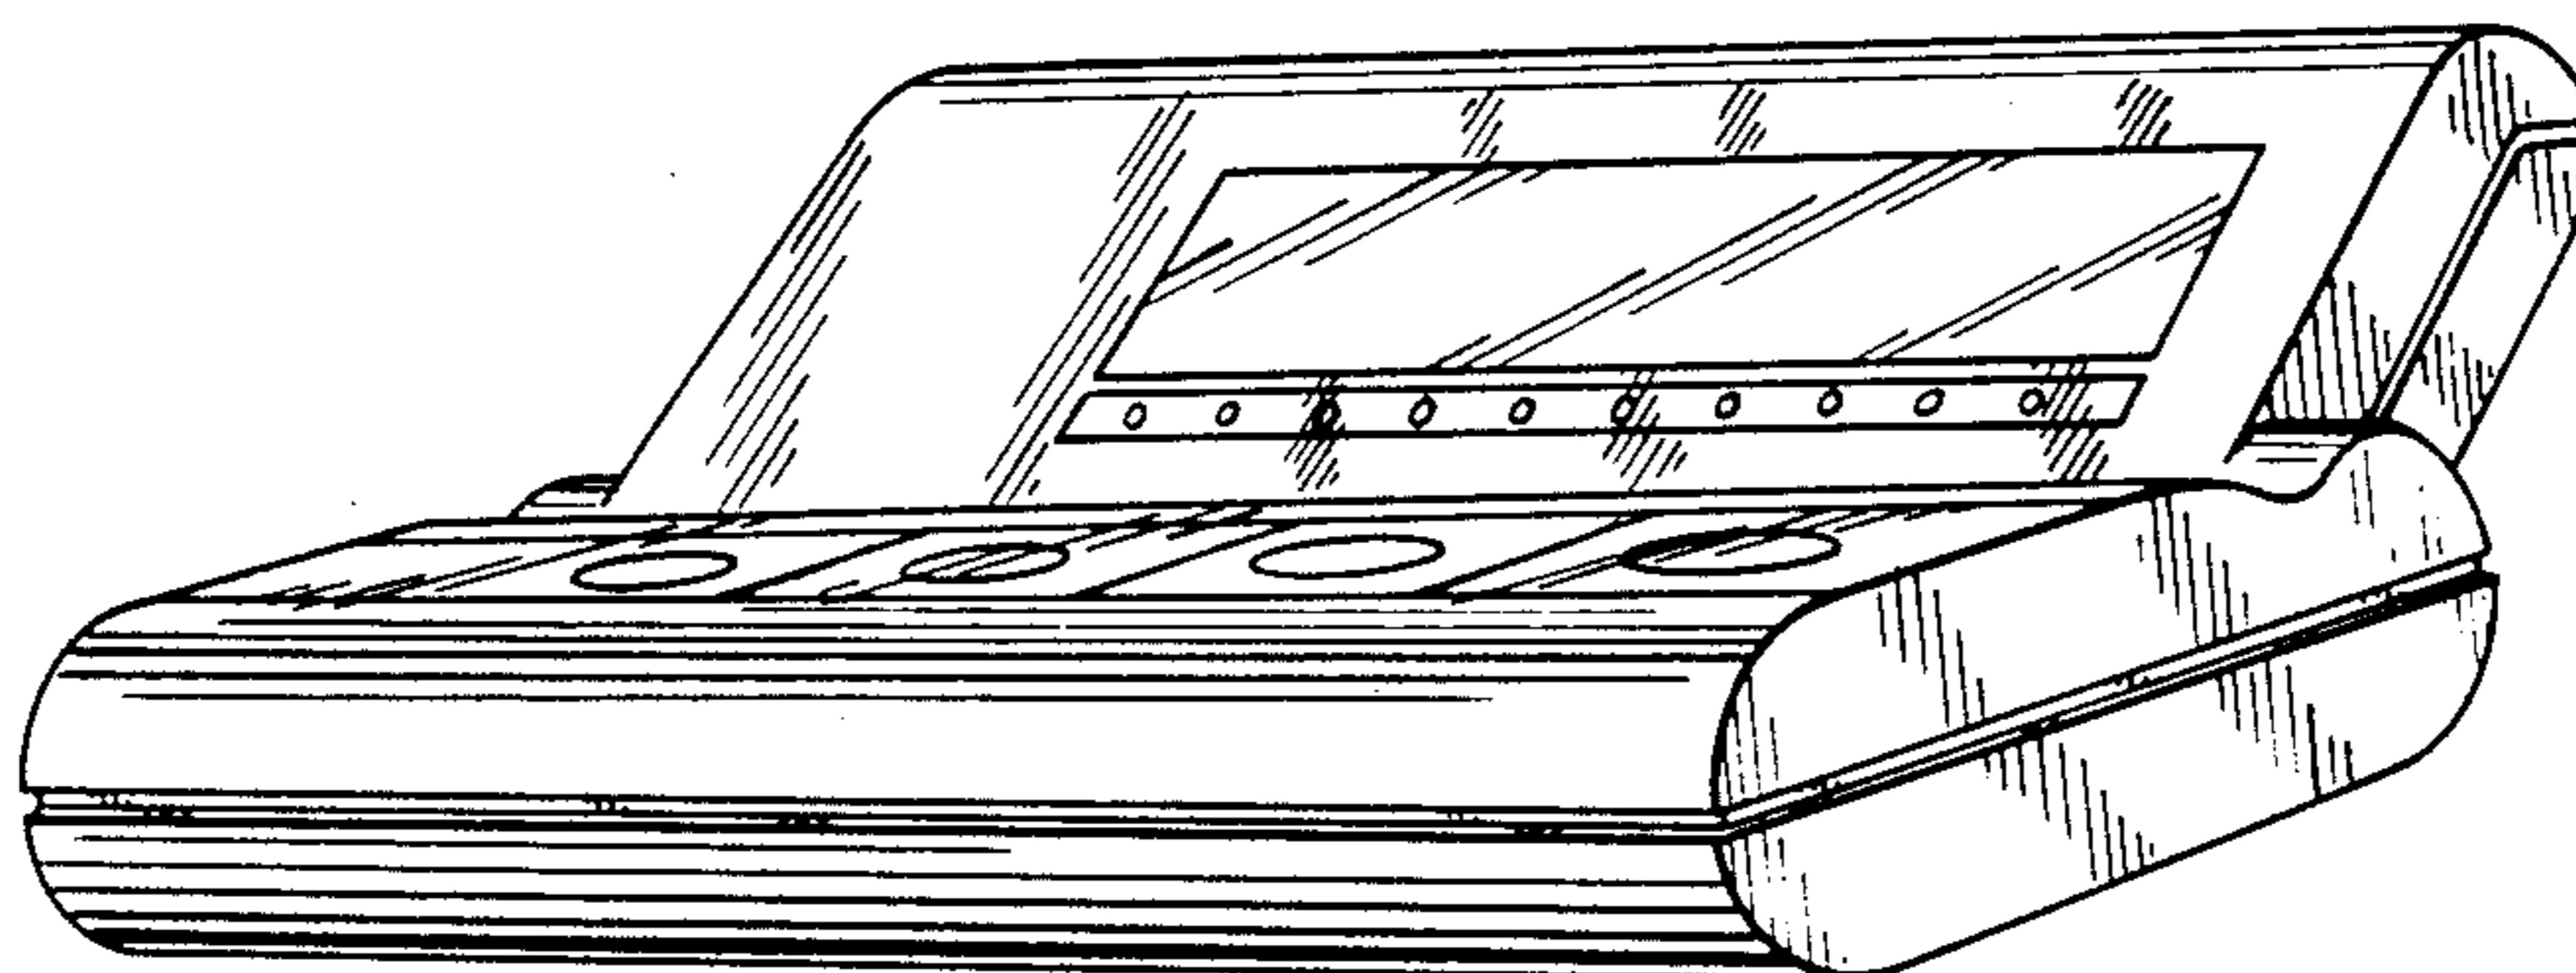

FIG. 1

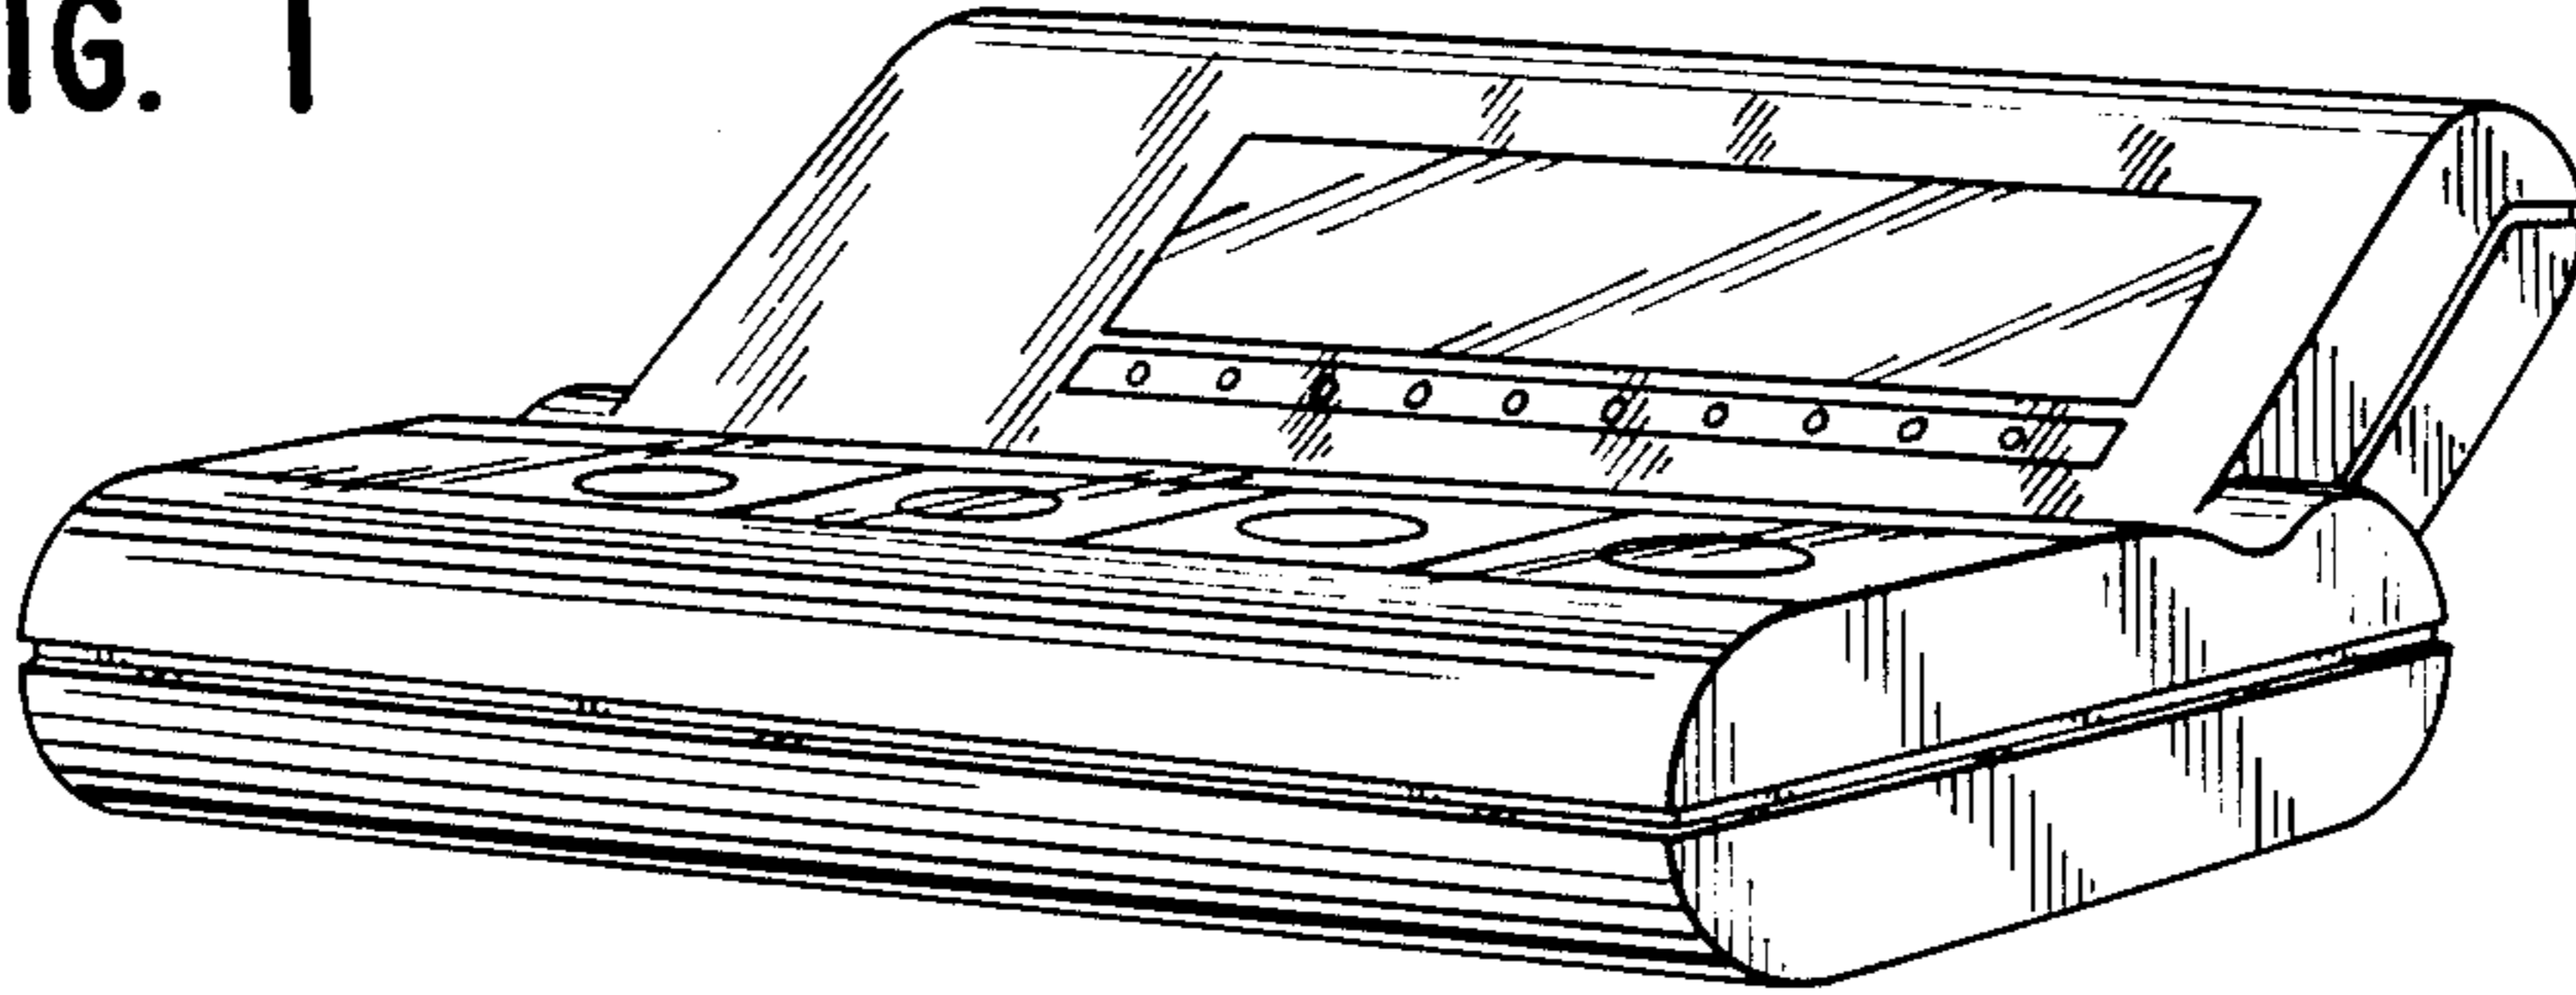

FIG. 2

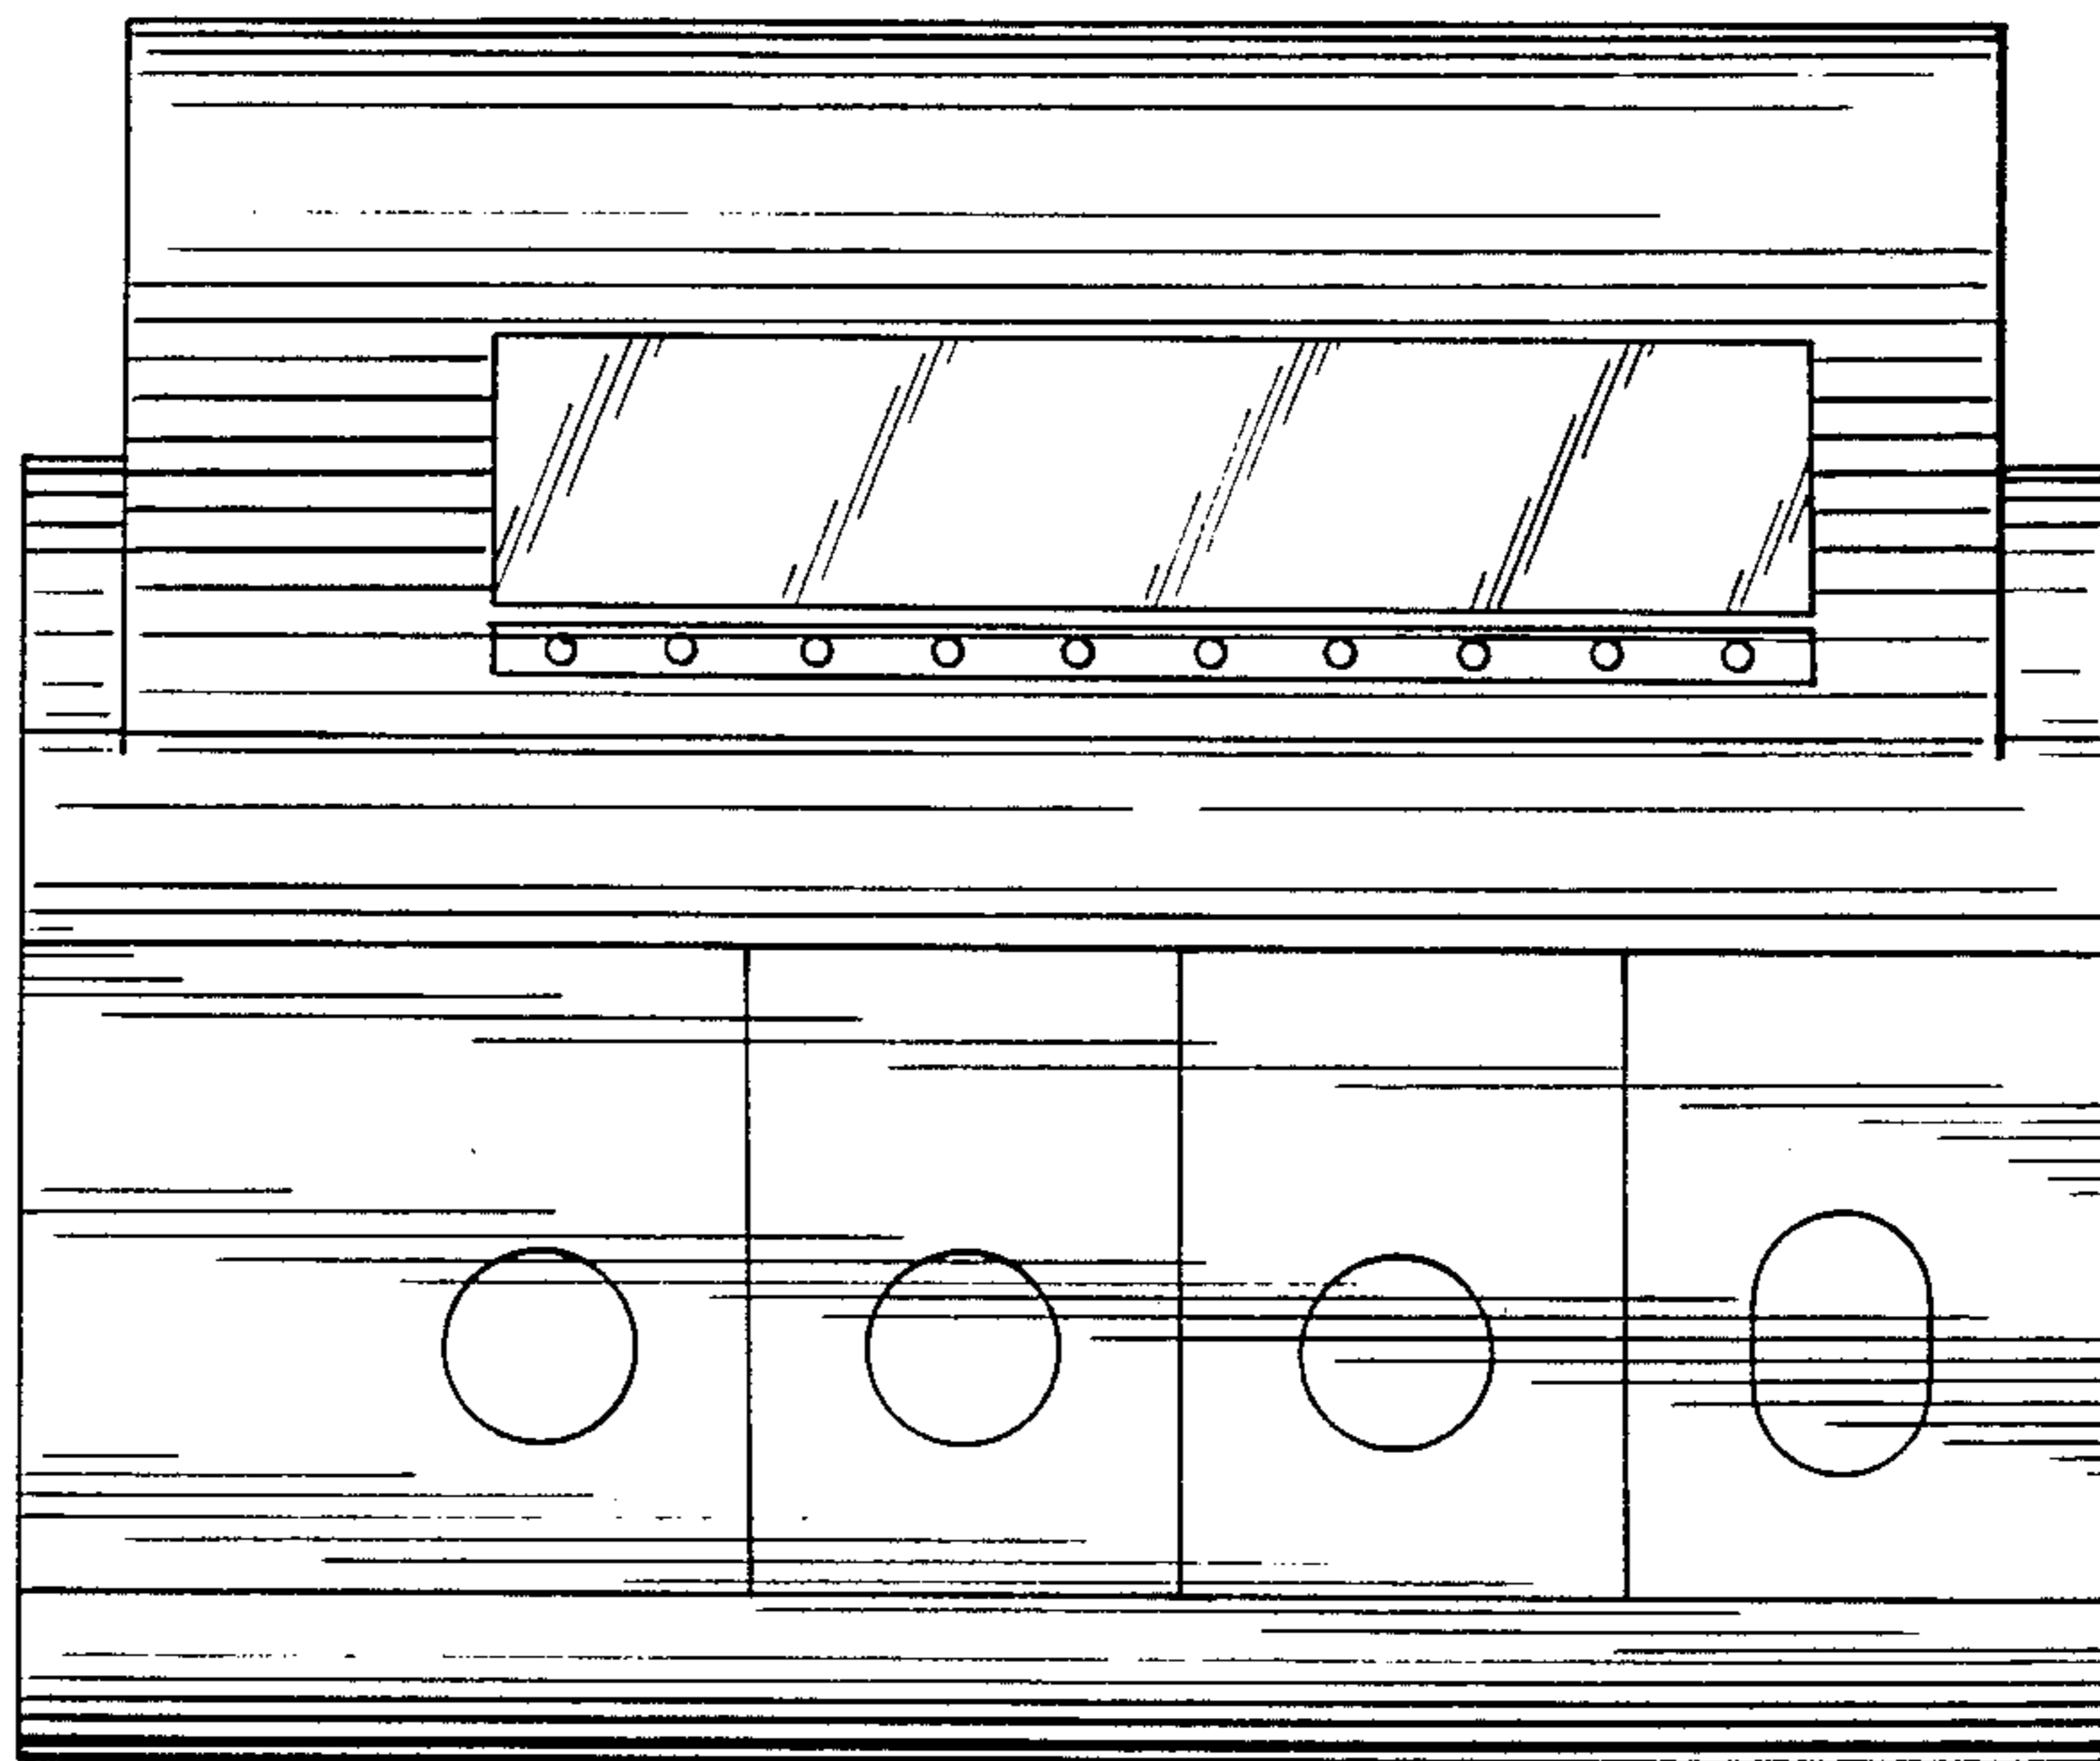

FIG. 3

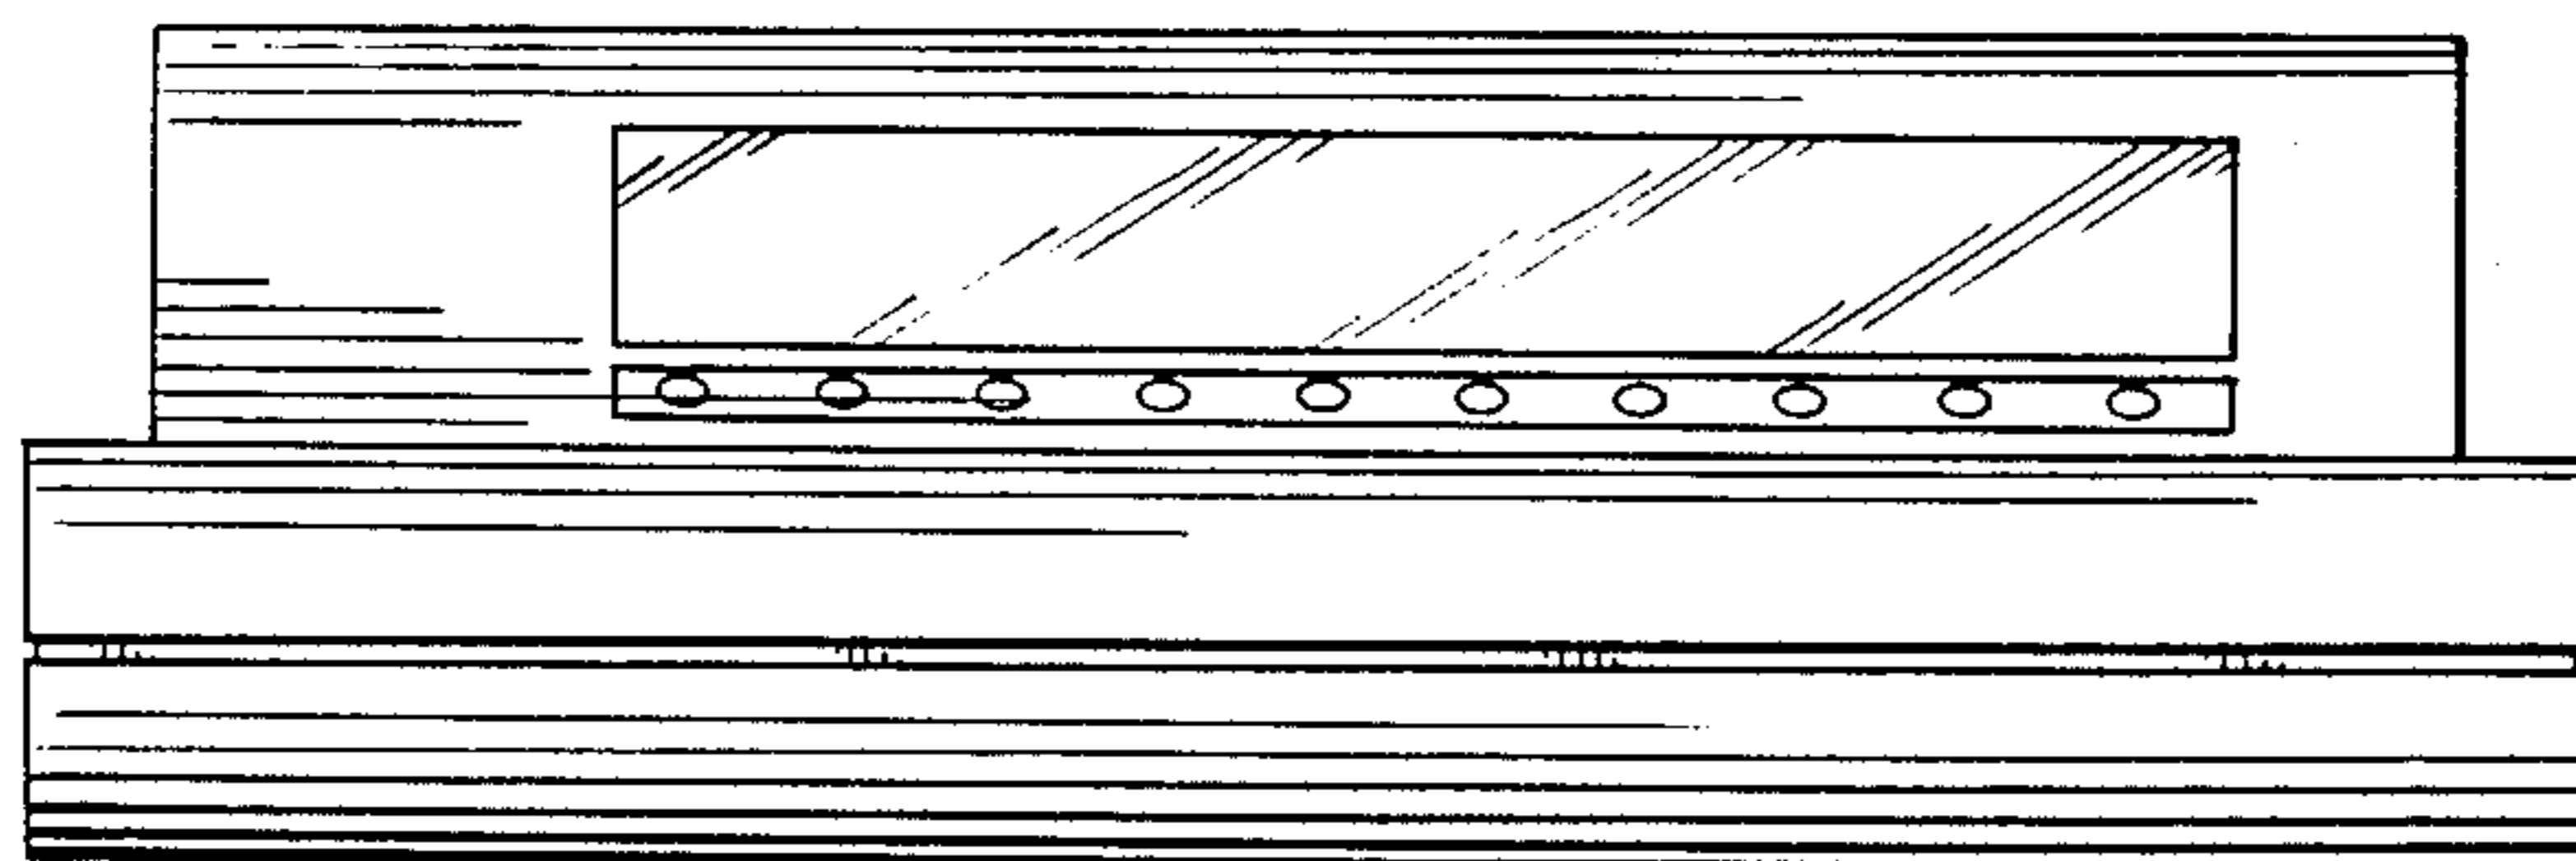

FIG. 4

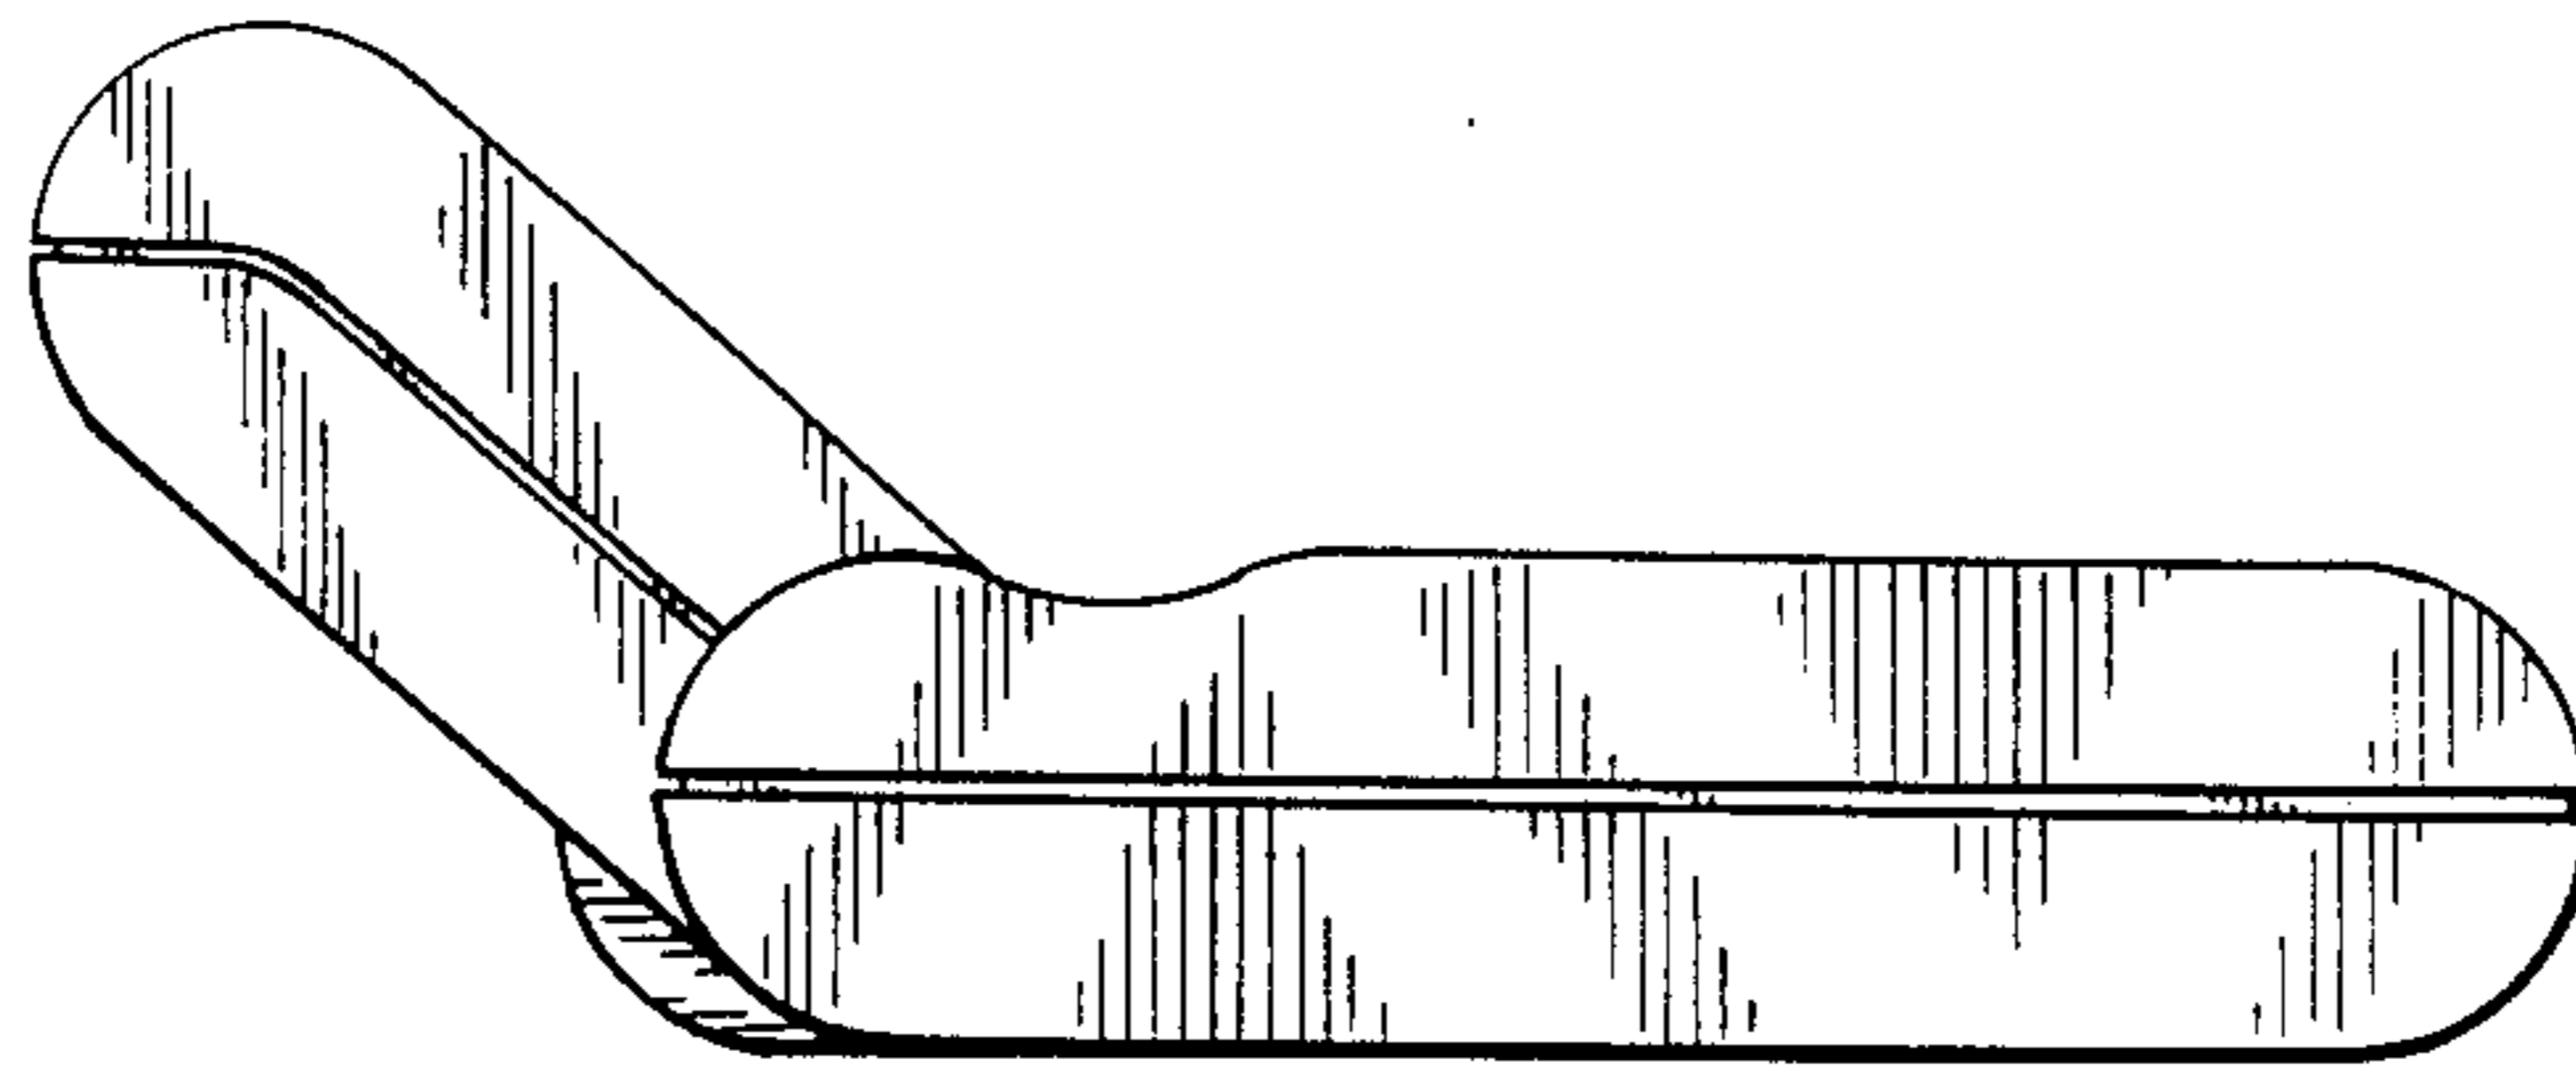

FIG. 5

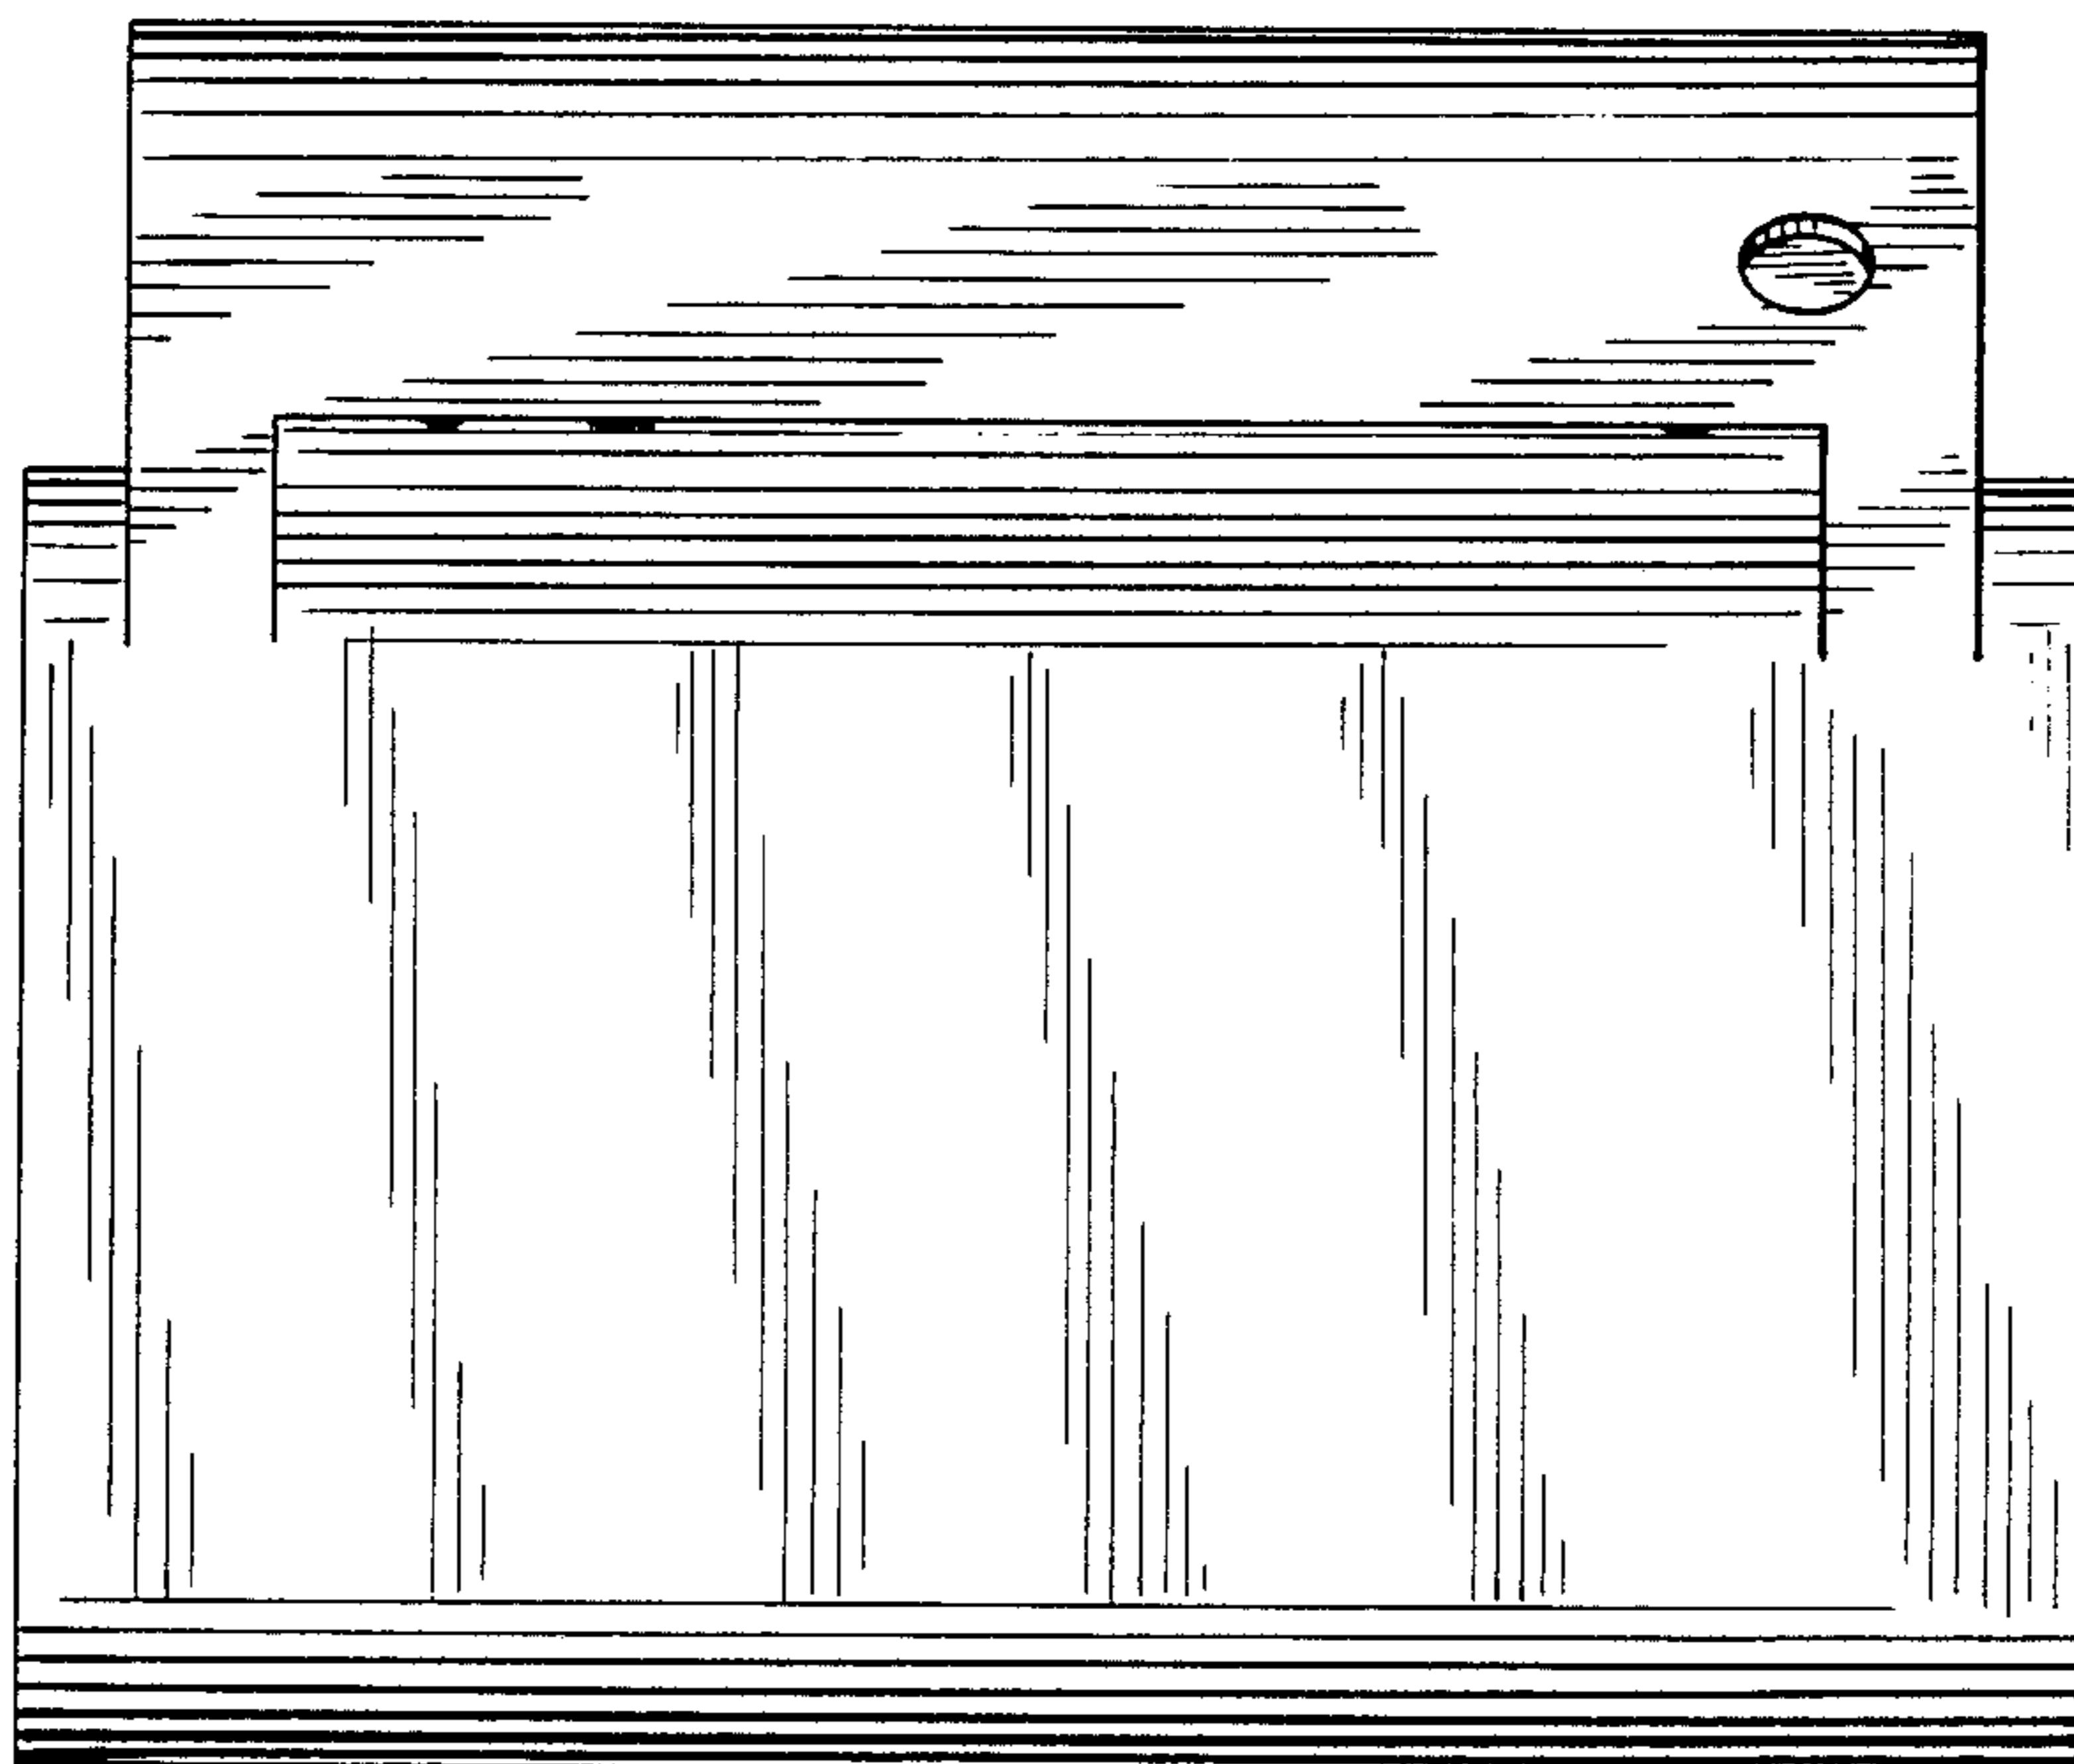

FIG. 6
