[57] CLAIM

The ornamental design for a door light panel, as shown  
and described.

DESCRIPTION

The FIGURE is a front elevational view of a door light  
panel showing my new design.  
The broken line showing of a door is for illustrative  
purposes only and forms no part of the claimed design.  
The door light panel is of conventional thickness and  
the rear view of the door light panel is a mirror image  
of the front.
