[57] **CLAIM**

The ornamental design for a door light panel, as shown
and described.

DESCRIPTION

The FIGURE is a front elevational view of a door light
panel showing my new design.

The broken line showing of a door is for illustrative
purposes only and forms no part of the claimed design.

The door light panel is of conventional thickness and
the rear view of the door light panel is a mirror image
of the front.

FIG. 1
