[57] **CLAIM**

The ornamental design for a shelving cover, as shown and described.

DESCRIPTION

FIG. 1 is a top, front, and left side perspective view of a shelving cover showing our new design; FIG. 2 is an enlarged front elevational view thereof; FIG. 3 is an enlarged top plan view thereof; FIG. 4 is an enlarged left side elevational view thereof, the right side being identical in appearance; FIG. 5 is an enlarged rear elevational view thereof; and FIG. 6 is a top, front, and left side perspective view thereof, with the front shown partially opened and the broken-line depiction of shelving being for illustrative purposes only and forming no part of the claimed design. The broken-lines along the edges of the article are intended to represent conventional stitching.
