[57] **CLAIM**
 The ornamental design for a retaining clip, as shown and described.

DESCRIPTION
 FIG. 1 is a front elevational view of a retaining clip showing my new design;
 FIG. 2 is a top plan view thereof, with the bottom plan view thereof being substantially a mirror image;
 FIG. 3 is a side elevational view thereof, with the opposite side elevational view thereof being substantially identical;
 FIG. 4 is a rear elevational view thereof.

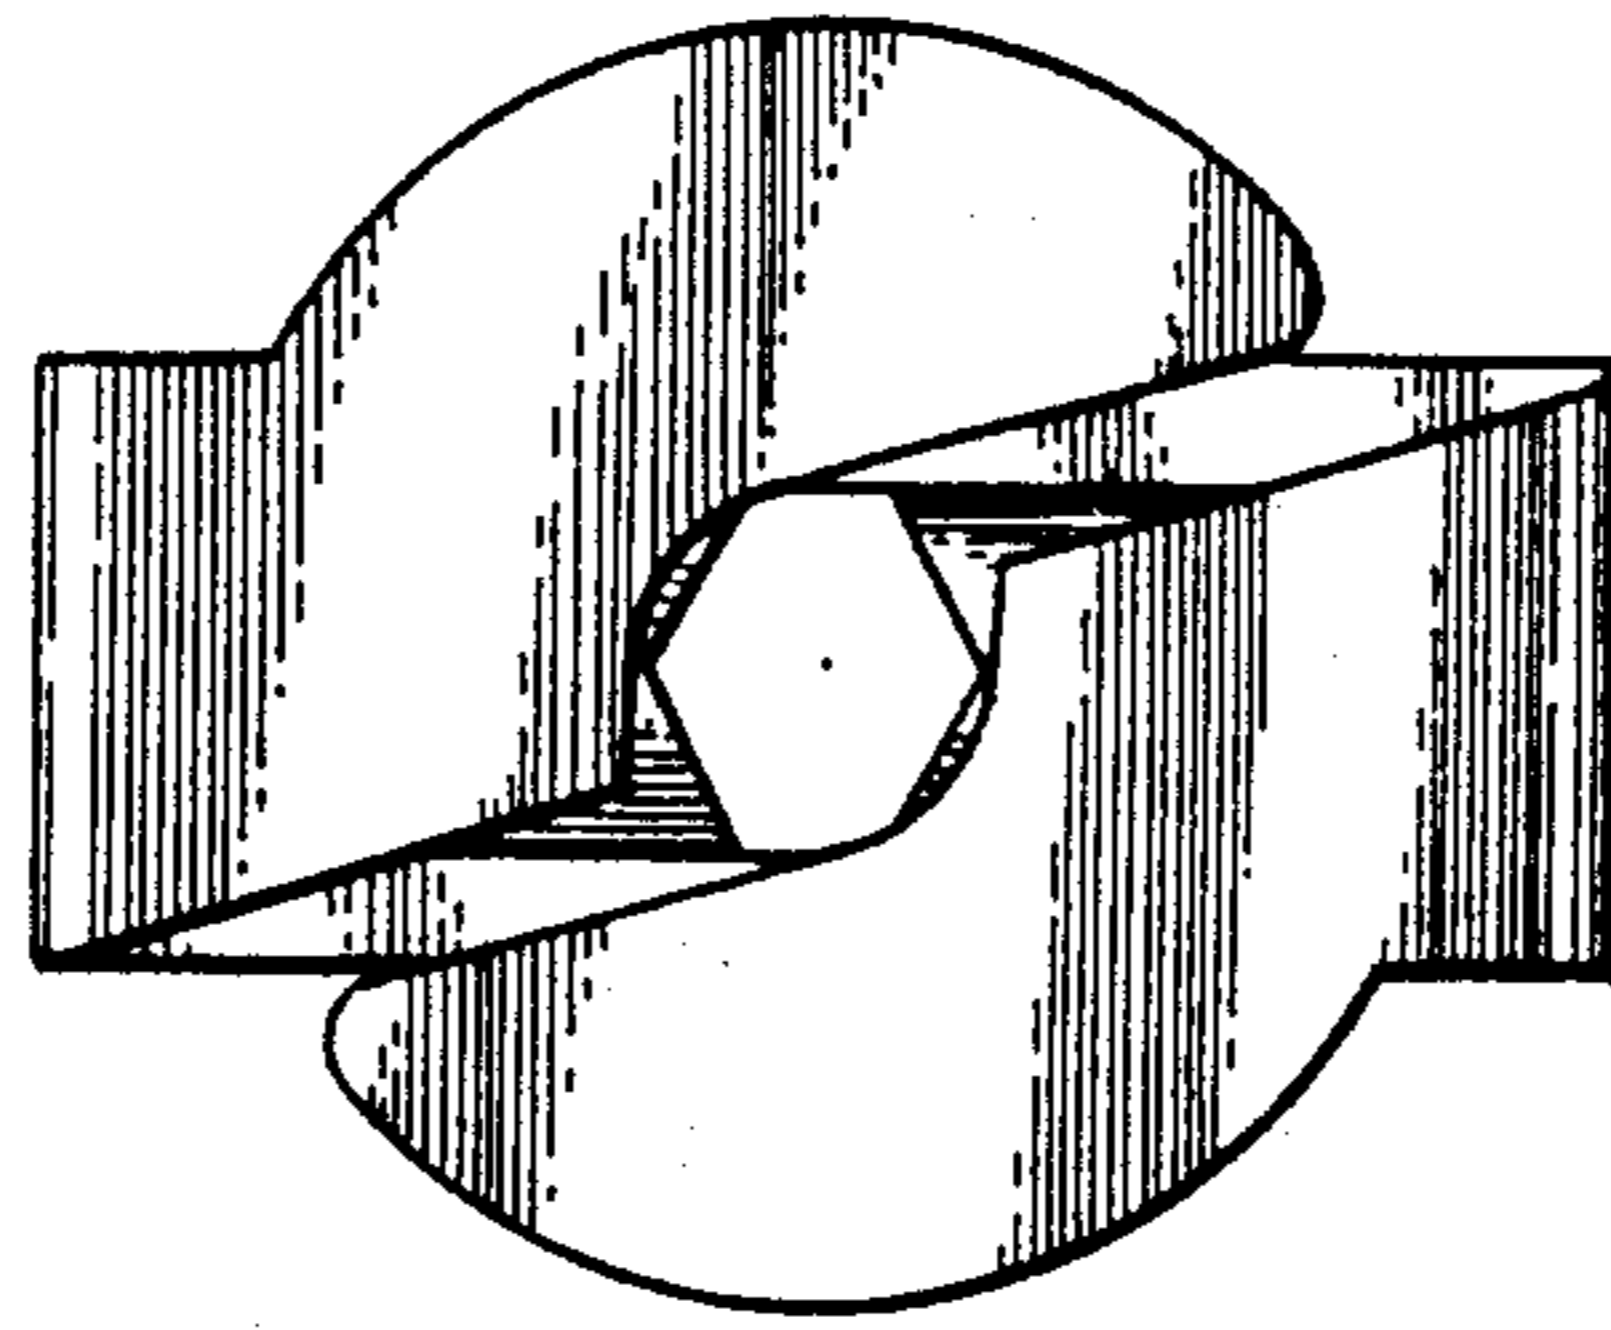

FIG. 1

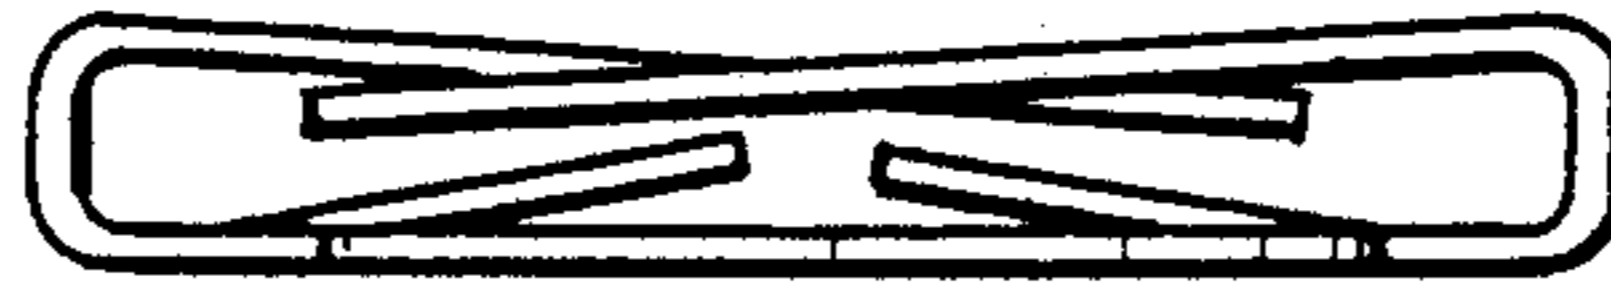

FIG. 2

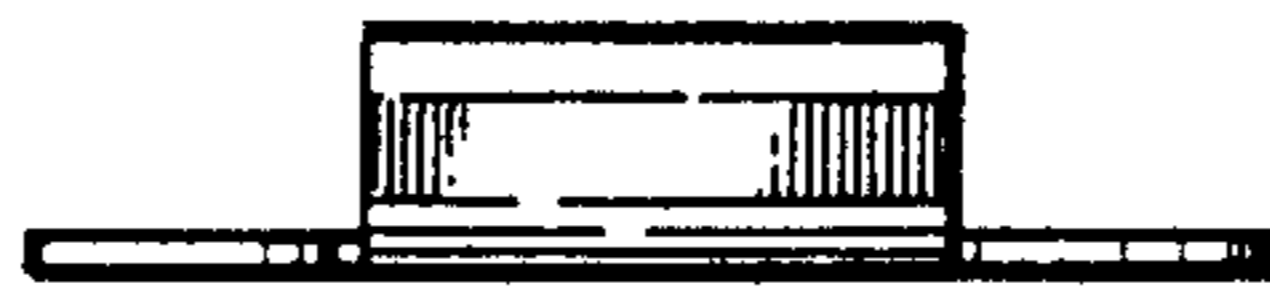

FIG. 3

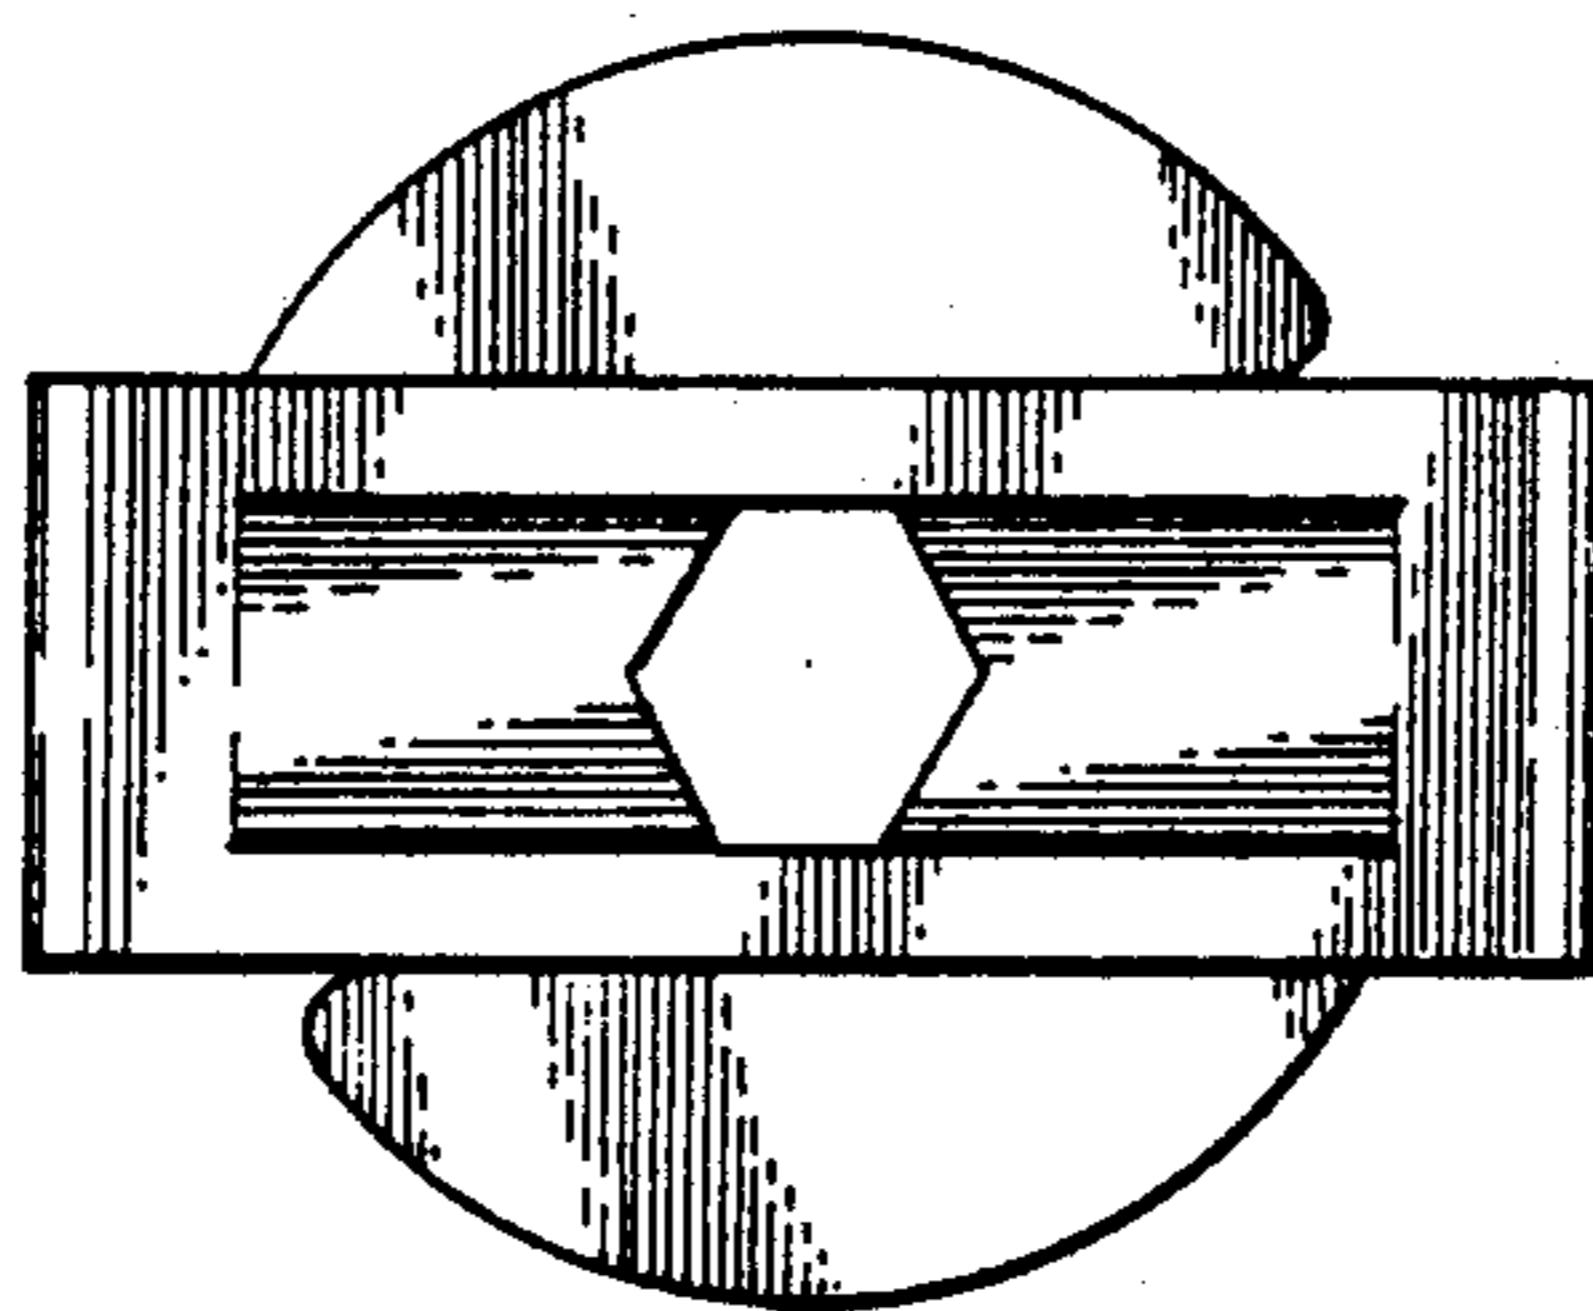

FIG. 4
