[57] CLAIM

The ornamental design for a wall mounted strap for holding tools or similar articles, as shown and described.

DESCRIPTION

FIG. 1 is a top, side end perspective view of a wall mounted strap for holding tools or similar articles showing my new design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a side elevational view thereof;

FIG. 4 is an end elevational view thereof;

FIG. 5 is a perspective view thereof shown in the folded operative condition.

The views opposite those shown in FIGS. 2-4 are mirror images thereof.
