[57] CLAIM

The ornamental design for a double wheel castor with stabilizer and vibration damper for transport of heavy machines, as shown and described.

DESCRIPTION

FIG. 1 is a left side, top and front perspective view of a double wheel castor with stabilizer and vibration damper for transport of heavy machines showing my new design;  
 FIG. 2 is a left side elevational view thereof;  
 FIGS. 3 and 4 are respectively rear and front elevational views thereof;  
 FIG. 5 is a right side elevational view thereof;  
 FIGS. 6 and 7 are respectively top and bottom plan views thereof; and  
 FIG. 8 is a left side elevational view thereof with the vibration damper in lowered position.

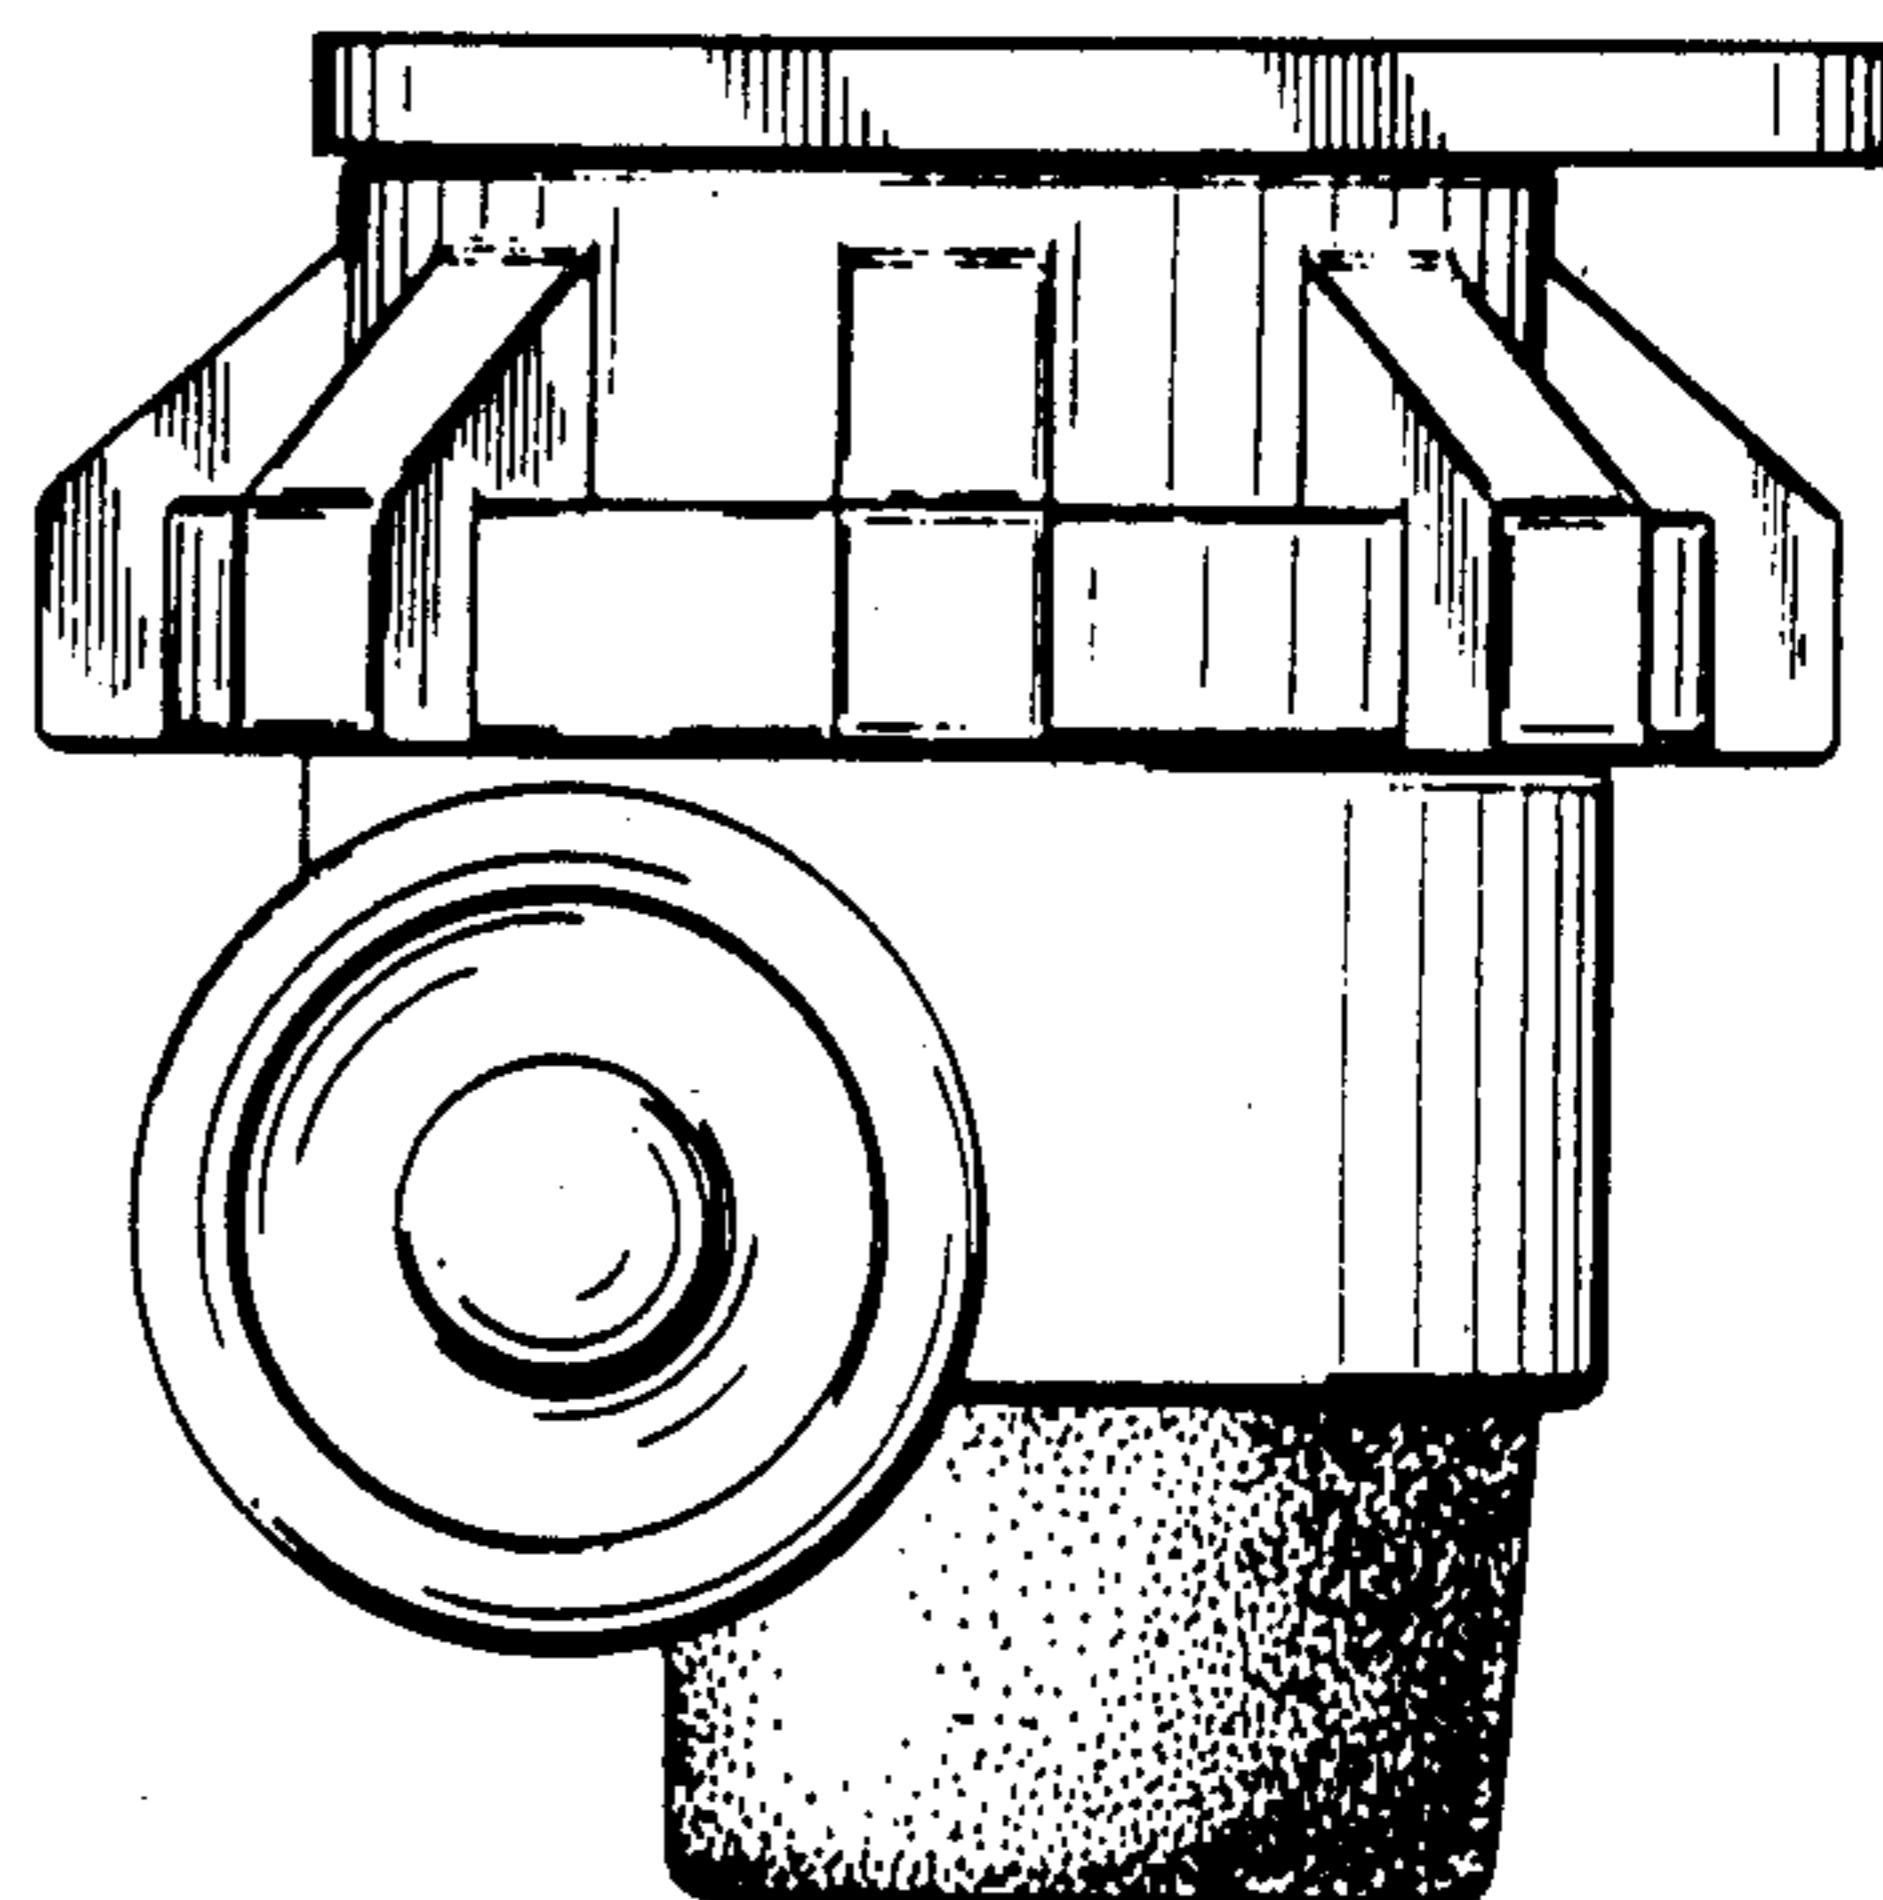

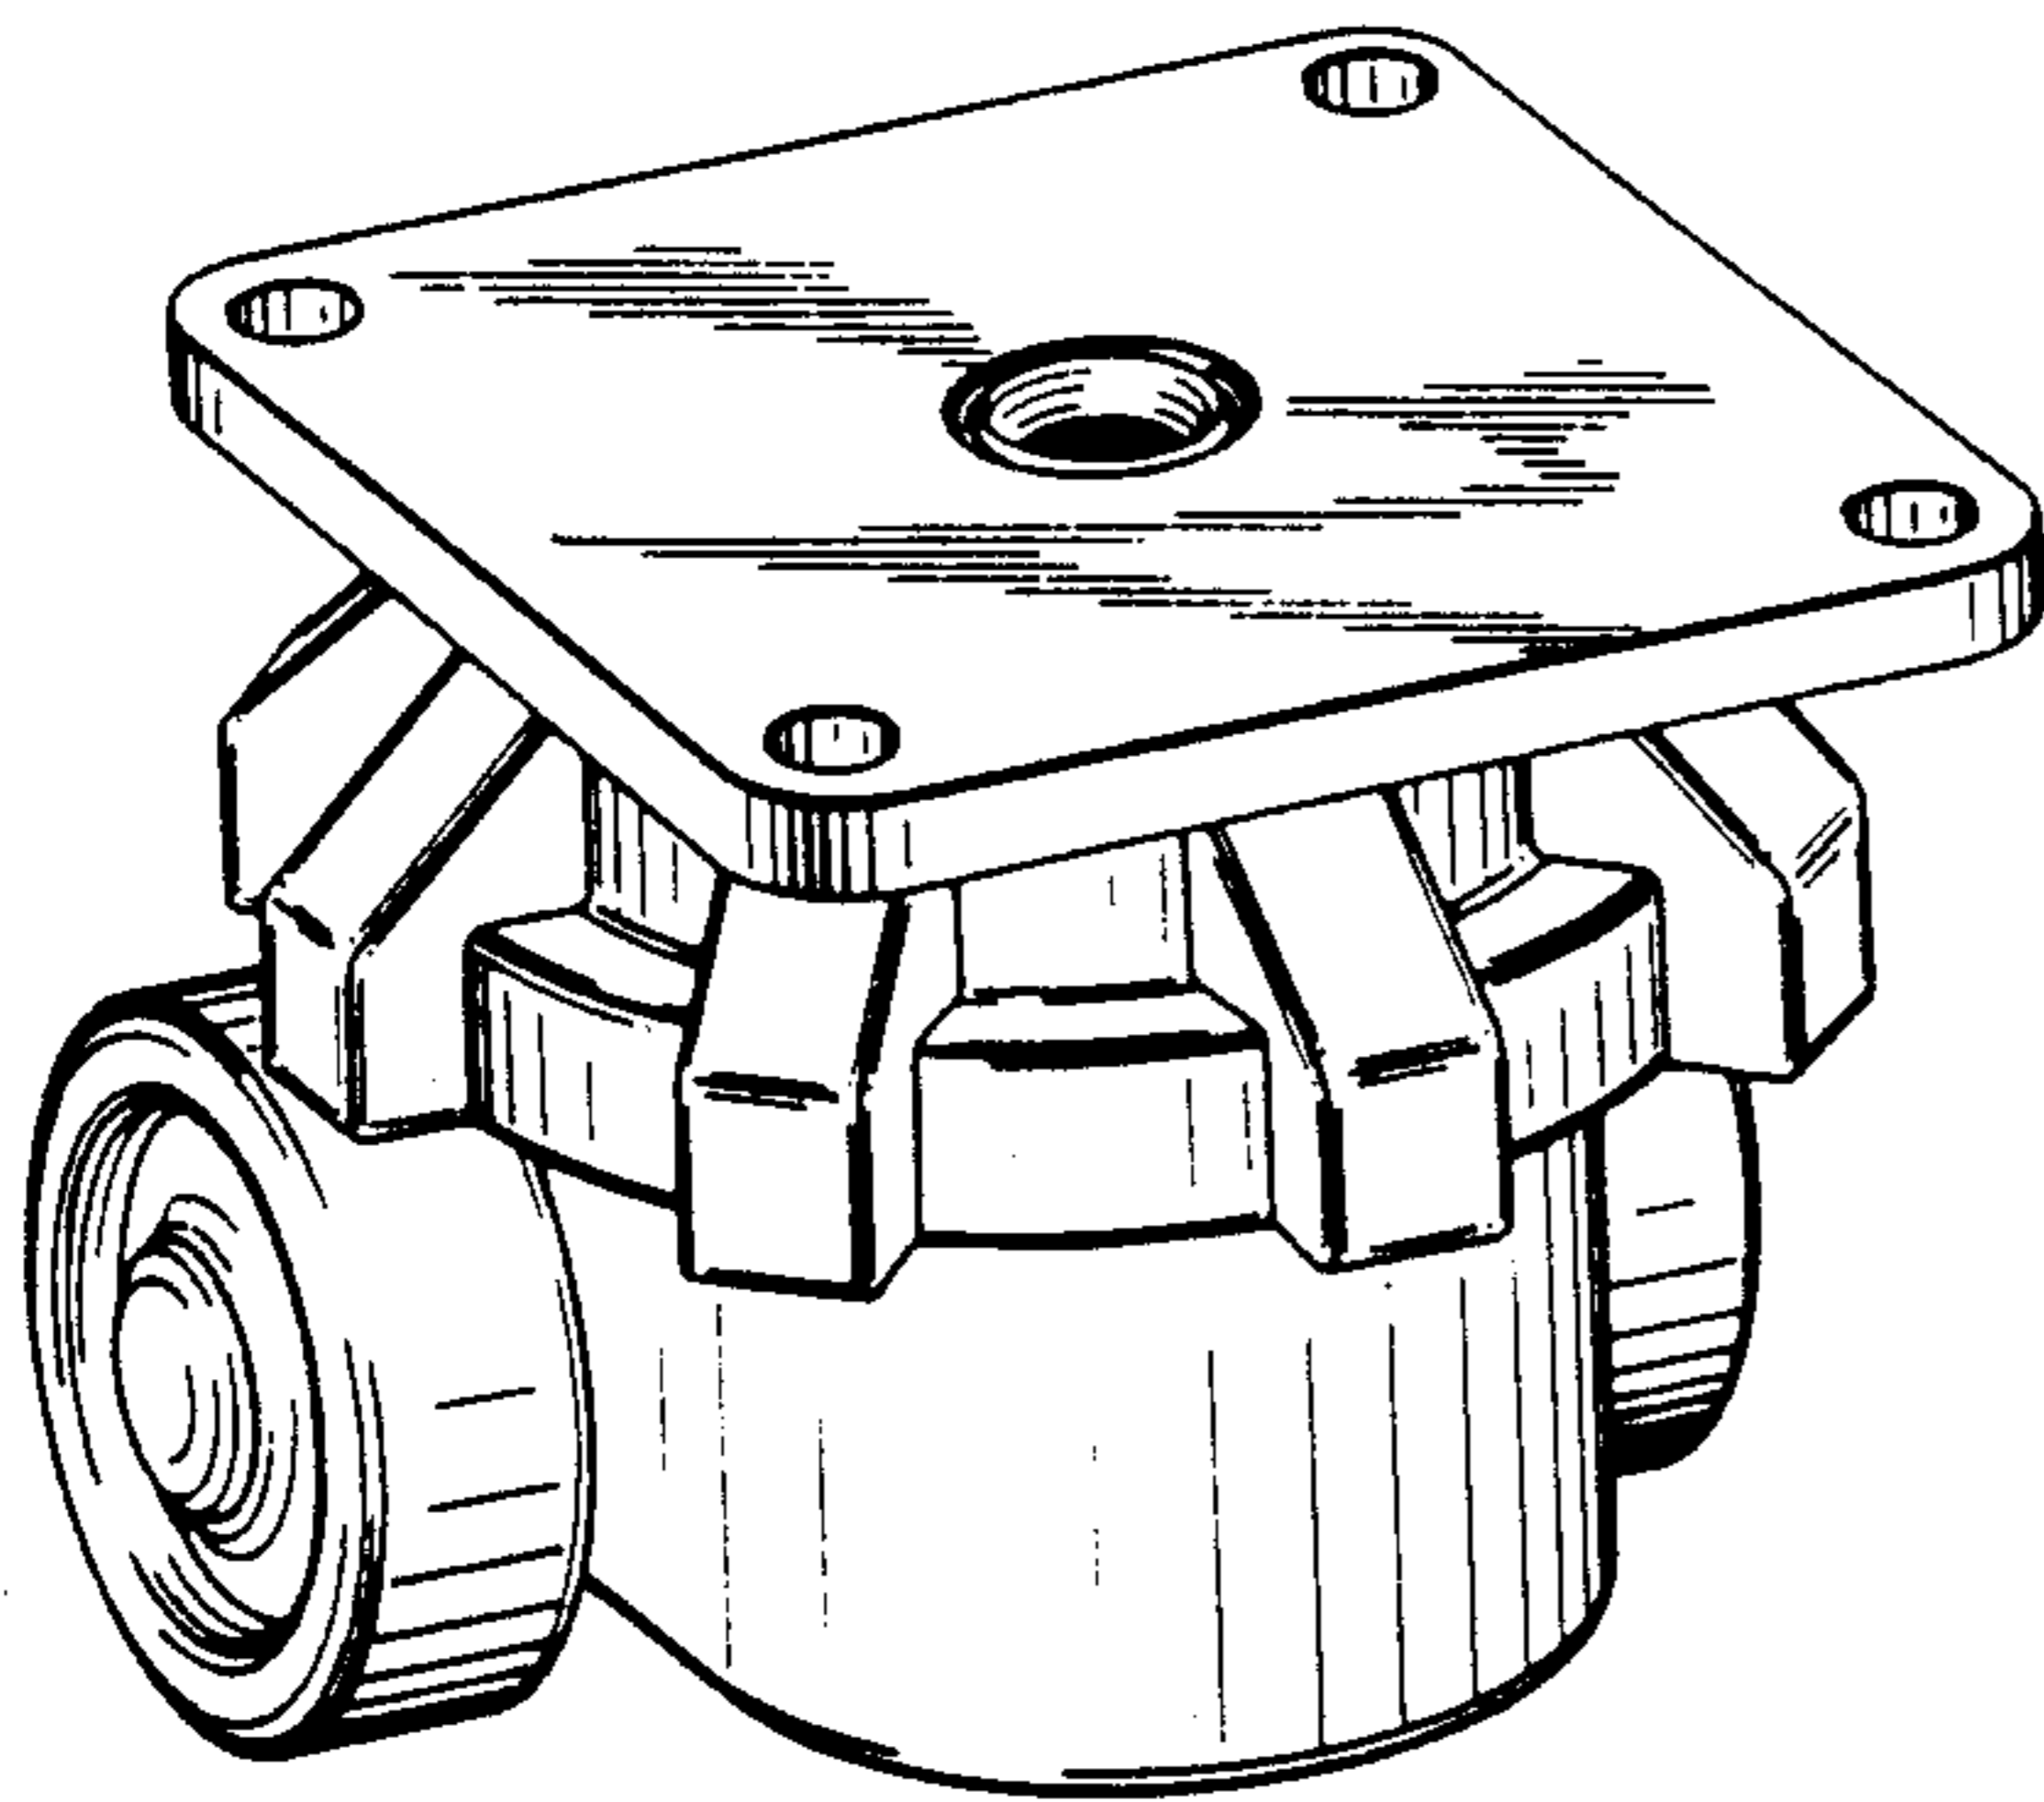

FIG. 1

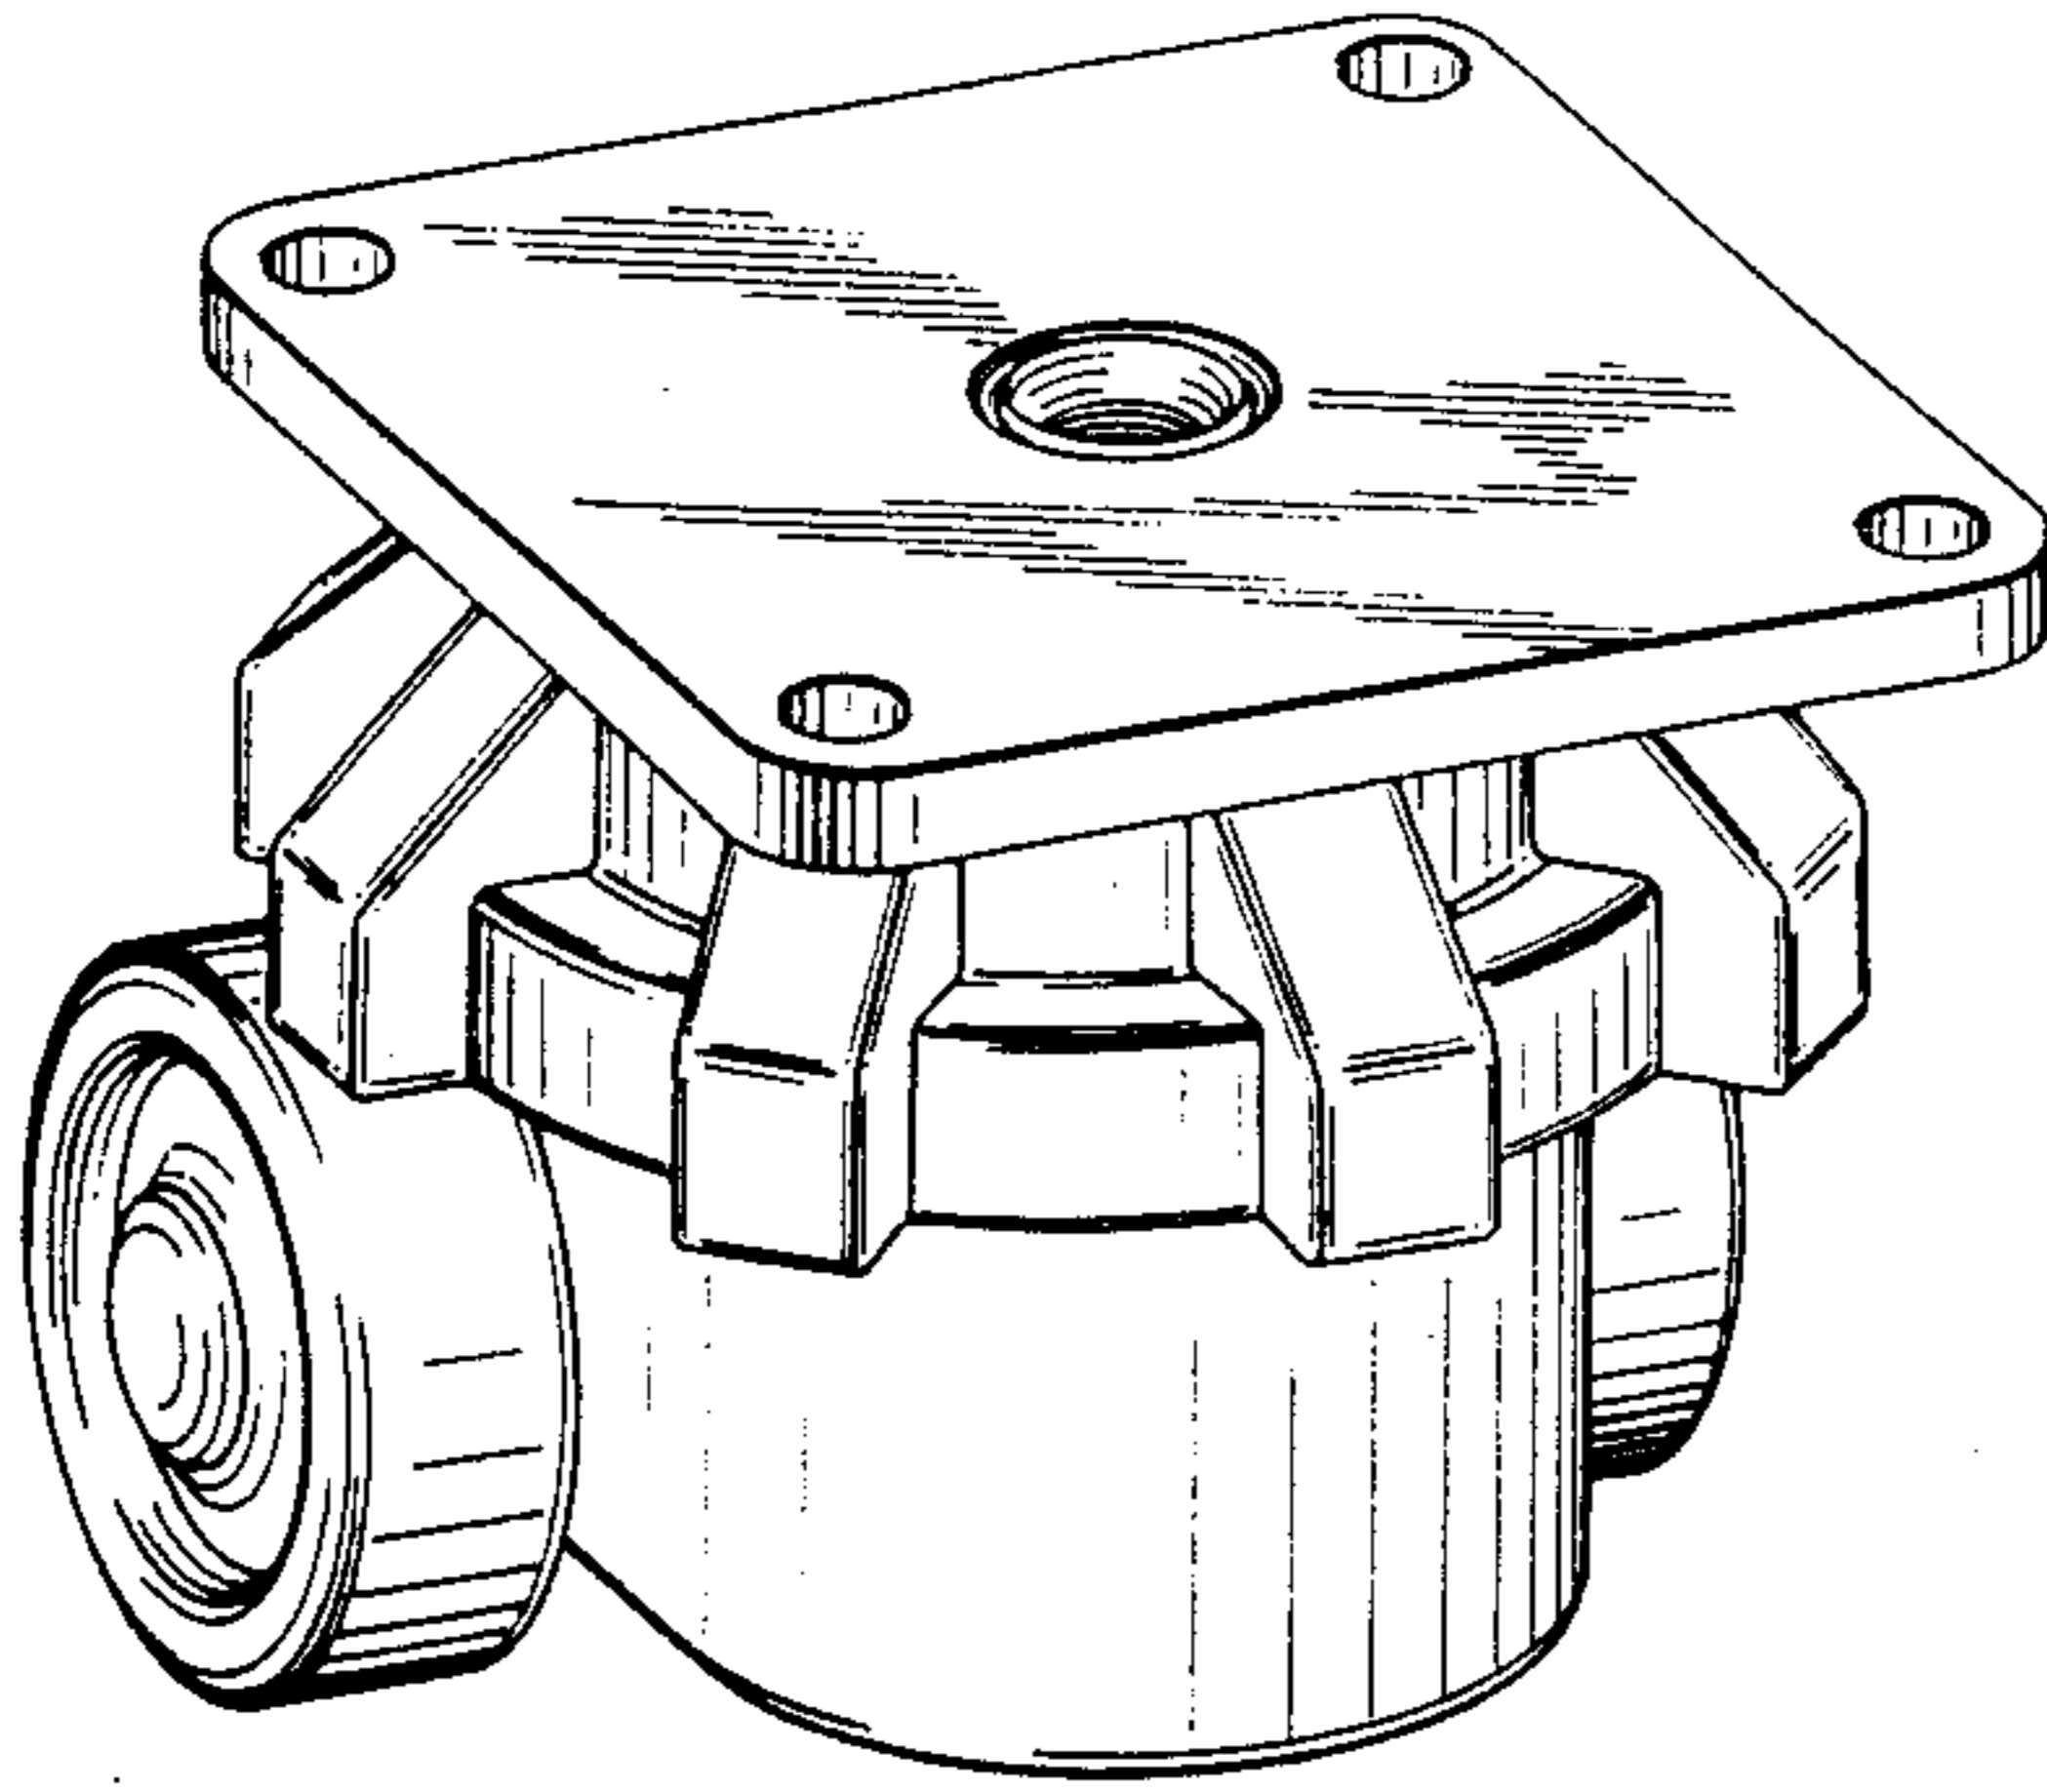

FIG. 2

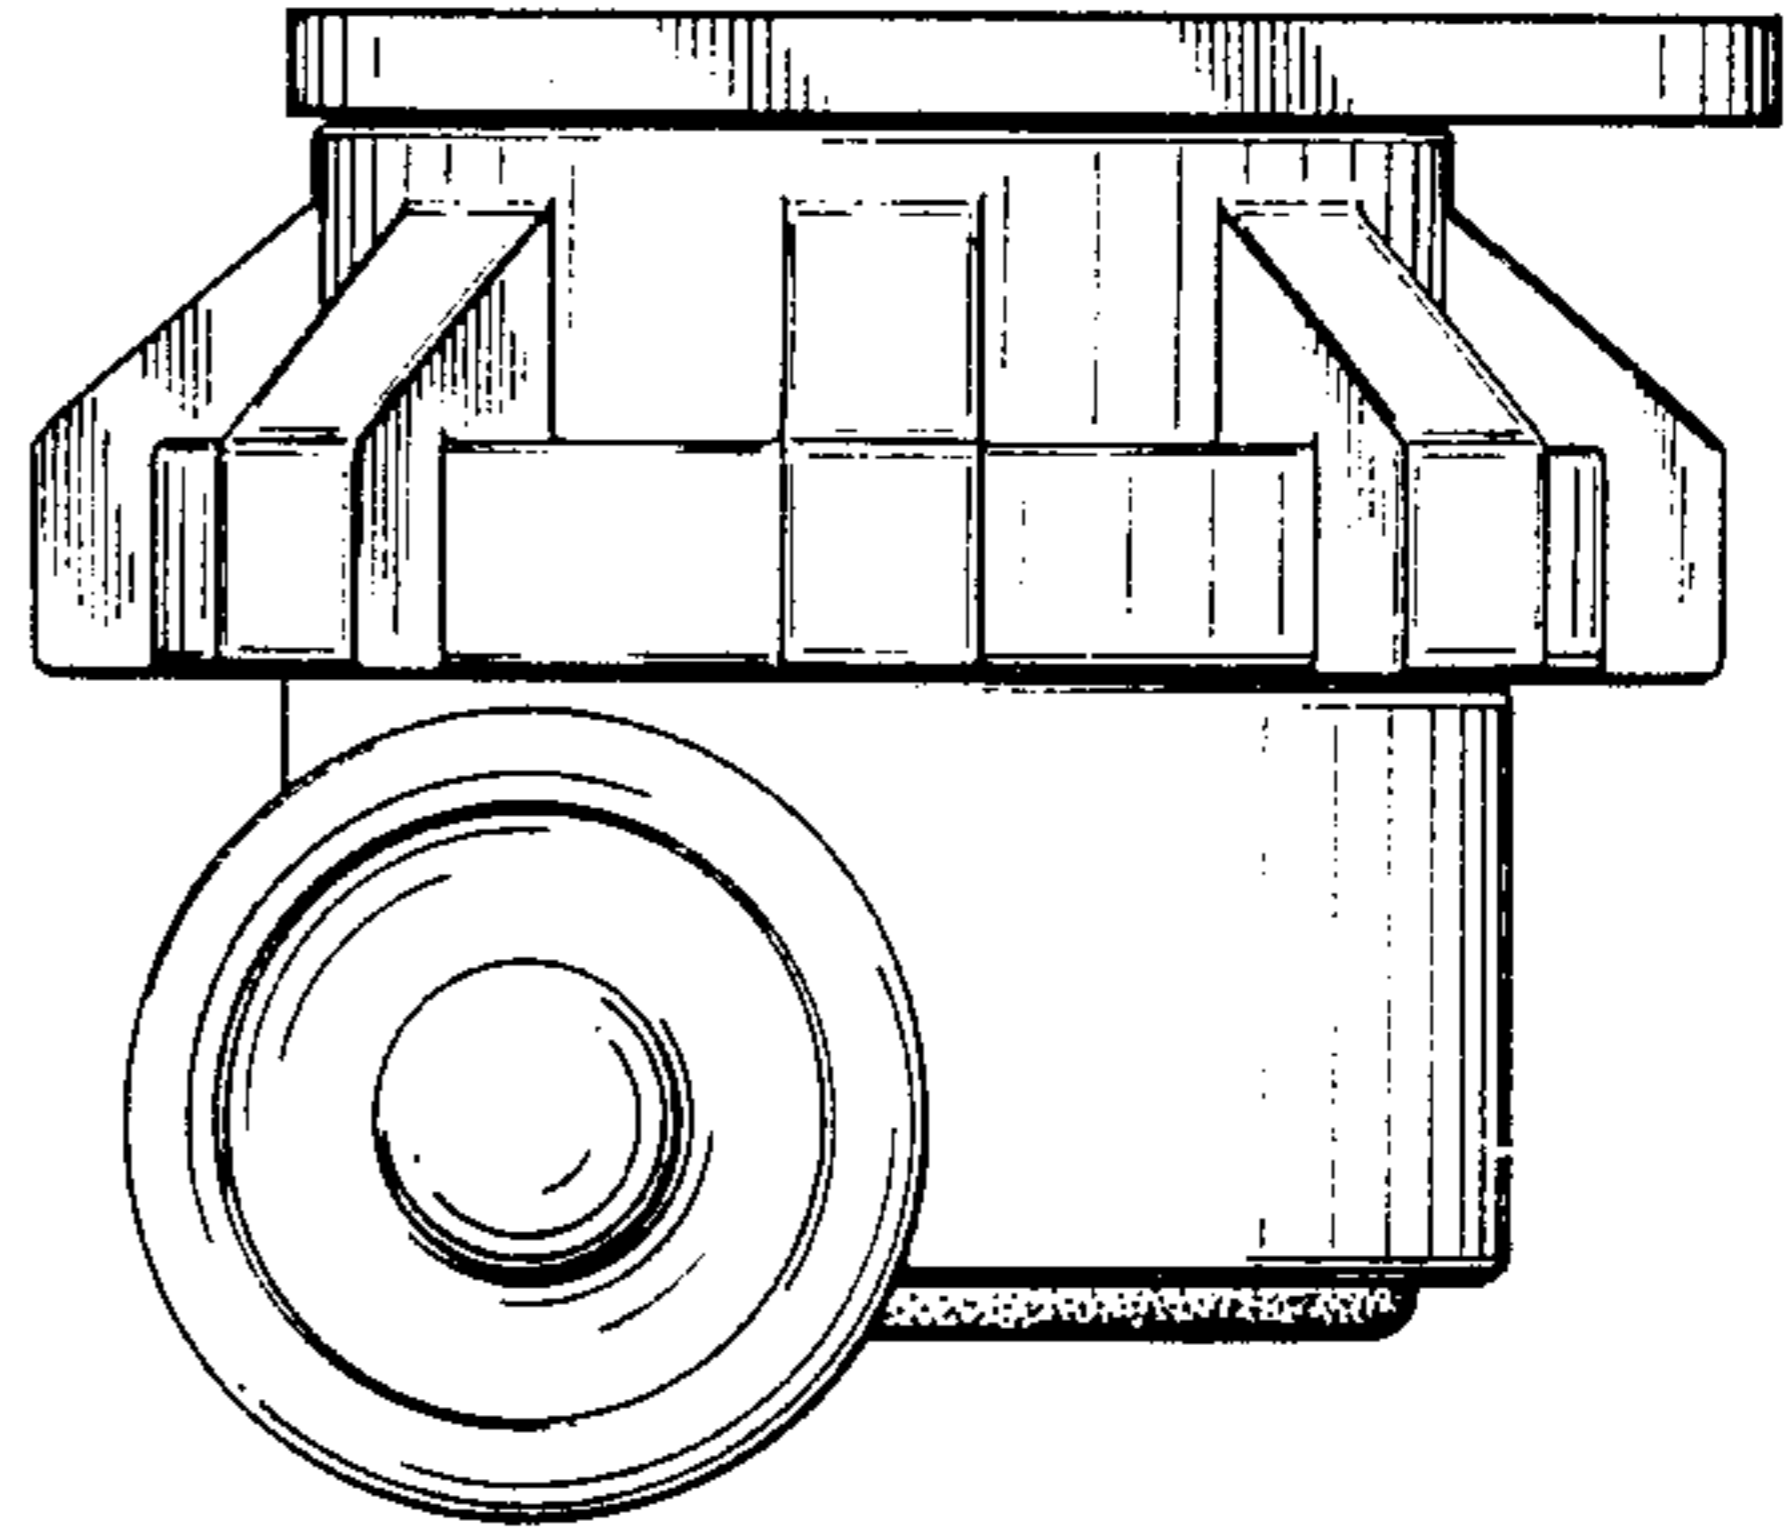

FIG. 3
