[57] CLAIM

The ornamental design for an air powered automobile body dent puller, as shown and described.

DESCRIPTION

FIG. 1 is a top, front and right side perspective view of an air powered automobile body dent puller showing my new design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a front elevational view thereof; and

FIG. 5 is a right side elevational view, the side opposite is a mirror image thereof with the projecting handle removed.
