[57] CLAIM

The ornamental design for a temporary utility pedestal,
as shown and described.

DESCRIPTION

FIG. 1 is a top, front and left side perspective view of a temporary utility pedestal showing my new design, the undisclosed right side being a mirror image of the left, and the bottom being plain and unornamented; FIG. 2 is a rear elevational view thereof; and FIG. 3 is a top plan view thereof. The left side is identical to the right side, and the bottom is unornamented.
