[57] CLAIM

The ornamental design for a combined compact pole clamp housing and pump unit for fluid delivery, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a combined compact pole clamp housing and pump unit for fluid delivery, with the pump unit removed, showing my new design;

FIG. 2 is a front right side perspective view thereof;

FIG. 3 is a right side elevational view thereof;

FIG. 4 is a left side elevational view thereof;

FIG. 5 is a rear elevational view thereof;

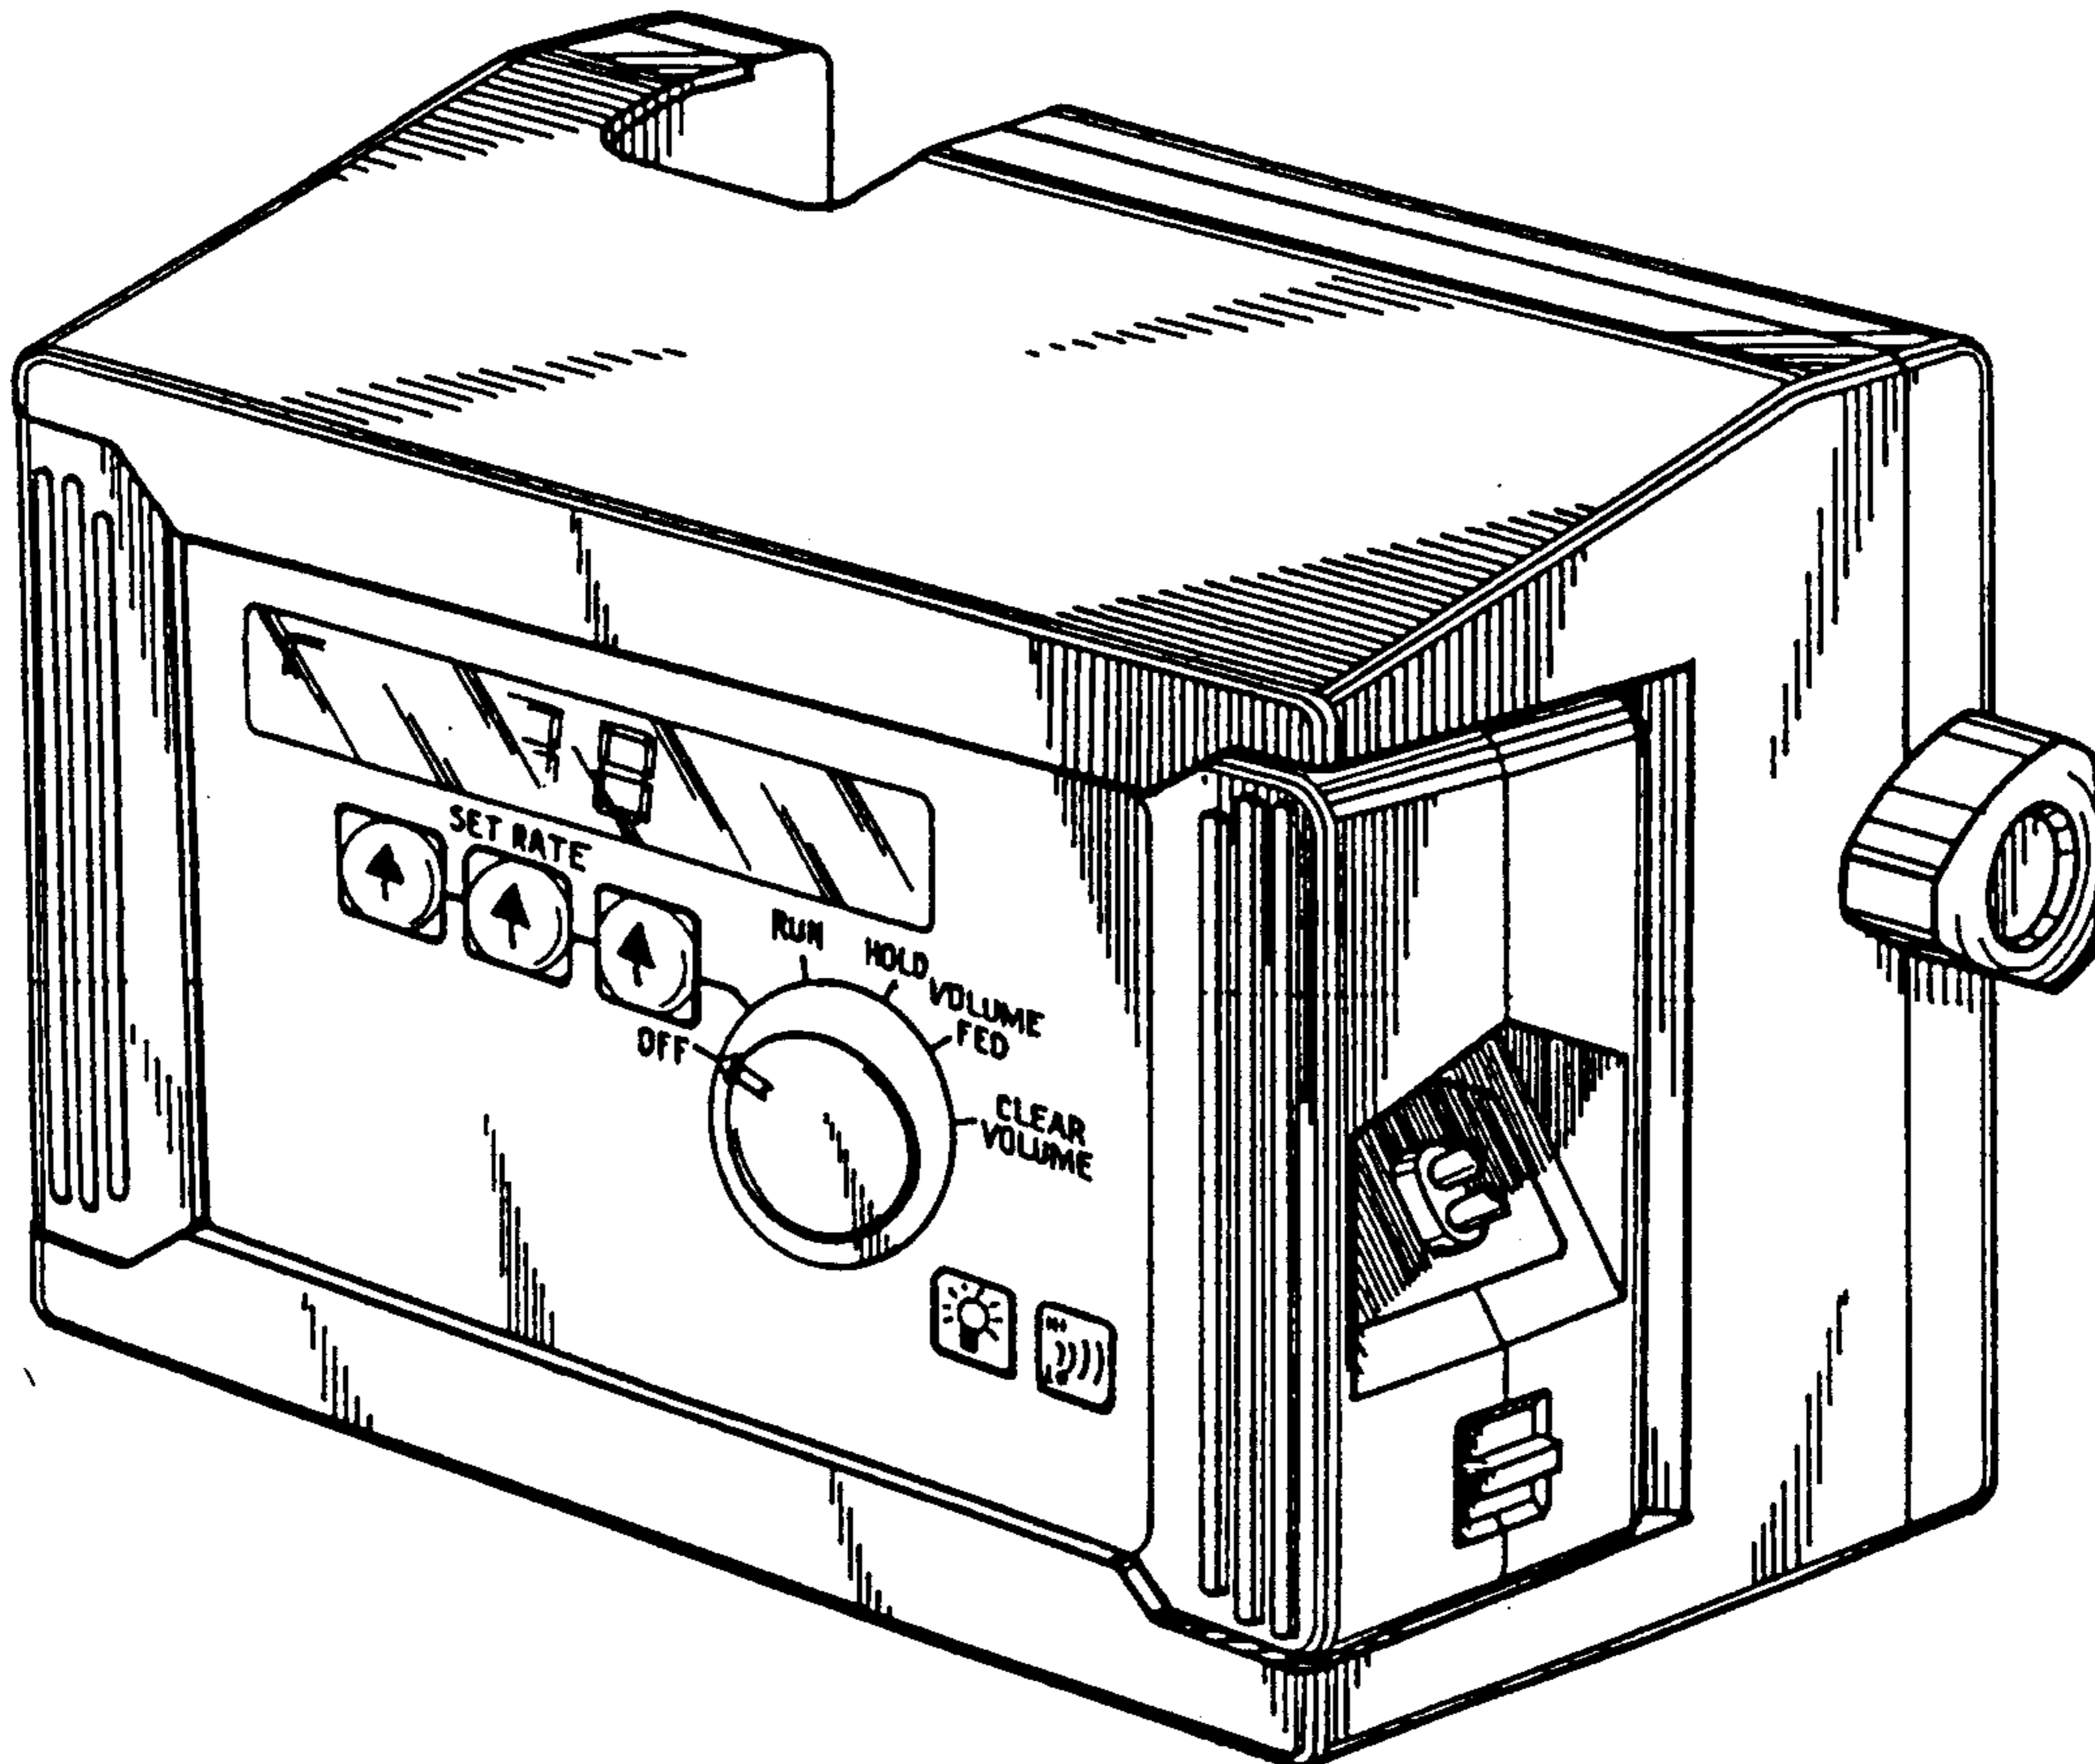

FIG. 6 is a bottom plan view thereof;

FIG. 7 is a top plan view thereof;

FIG. 8 is a front elevational view of the combined compact pole clamp housing and pump unit for fluid delivery, showing the disc-shaped handle of the pump unit rotated to an open position;

FIG. 9 is a front right perspective view thereof, showing the disc-shaped handle rotated to a closed position; and

FIG. 10 is a right side elevational view thereof.
