[57] CLAIM

The ornamental design for multimeter having a solar cell, as shown and described.

DESCRIPTION

FIG. 1 is a top, front, and right side perspective view of a multimeter showing my new design;

FIG. 2 is a top plan view;

FIG. 3 is a bottom plan view;

FIG. 4 is a rear elevational view;

FIG. 5 is a front elevational view;

FIG. 6 is a left side elevational view;

FIG. 7 is a right side elevational view;

FIG. 8 is another rear elevational view, with the rear door open showing an interior compartment with removable probes; and

FIG. 9 is a bottom, rear, and left side perspective view thereof, with the probes positioned outside the measuring instrument.
