[57] **CLAIM**

The ornamental design for a pair of brackets for holding a trash bag or similar article, as shown and described.

DESCRIPTION

FIG. 1 is a front, top and right side perspective view of a pair of brackets for holding a trash bag or similar article showing my new design;
 FIG. 2 is a similar perspective view of a single bracket;
 FIGS. 3 and 4 are respectively front and rear elevational views of a bracket;
 FIGS. 5 and 6 are respectively top and bottom plan views thereof;
 FIGS. 7 and 8 are respectively left and right side elevational views of the bracket; and
 FIG. 9 is a front, top and right perspective view of a second embodiment of the bracket shown in FIG. 2, the sole difference from the first embodiment being a generally spherical holding element mounted to the front of the holder bracket.
 The broken line showing of a trash bag and a vertical support member for the brackets is for illustrative purposes only and forms no part of the claimed design.
