[57] CLAIM

The ornamental design for a solar powered illuminated yard marker, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a solar powered illuminated yard marker showing my new design; FIG. 2 is a rear elevational view thereof; FIG. 3 is a top plan view thereof; FIG. 4 is a bottom plan view thereof; FIG. 5 is a side elevational view thereof; FIG. 6 is an opposite side elevational view thereof. The numerals in FIG. 1 and the marker support and ground line in FIG. 6 are shown in broken lines for illustrative purposes only.
