[57] CLAIM

The ornamental design for combined telephone stand and integral handset telephone, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a combined telephone stand and integral handset telephone showing our new design in cradled relationship of handset and stand

FIG. 2 is a side elevational view thereof; the side opposite being a mirror image

FIG. 3 is a top plan view thereof, with the handset removed

FIG. 4 is a bottom plan view thereof

FIG. 5 is a front, top and side perspective view of the handset and stand in cradled relationship

FIG. 6 is a top, upper end and right side perspective view of the handset telephone and

FIG. 7 is a top perspective operative view of handset's key board, transmission and receiver areas.
