### [57] CLAIM

The ornamental design for a vehicle mounted strobe light for emitting light signals for the control of traffic lights, as shown and described.

#### DESCRIPTION

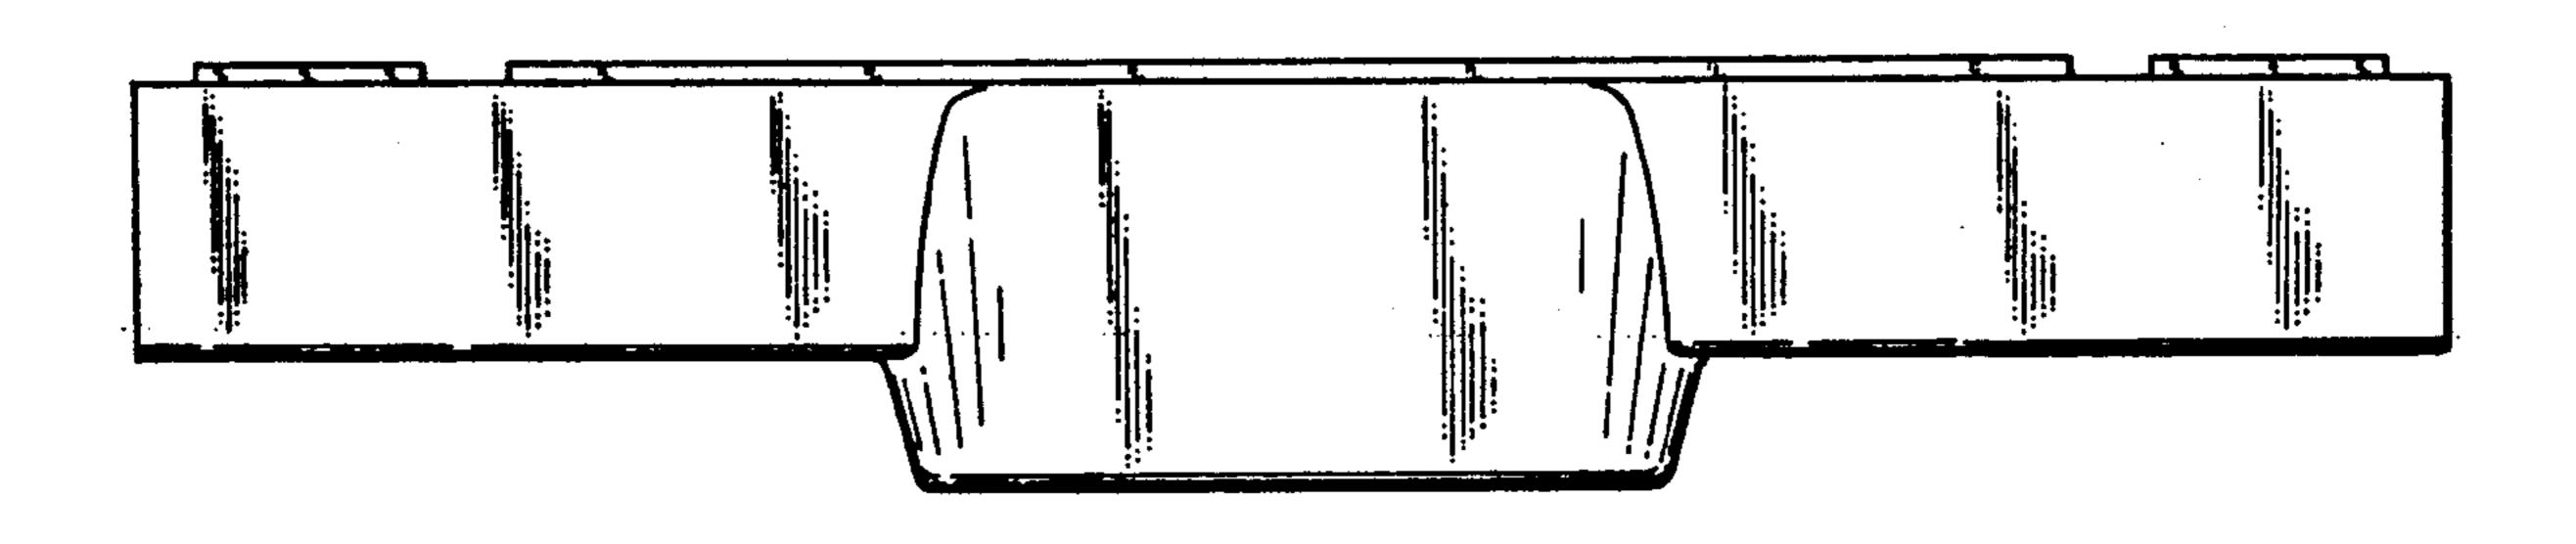

FIG. 1 is a front elevation view of a vehicle mounted strobe light for emitting light signals for the control of traffic lights showing my new design;

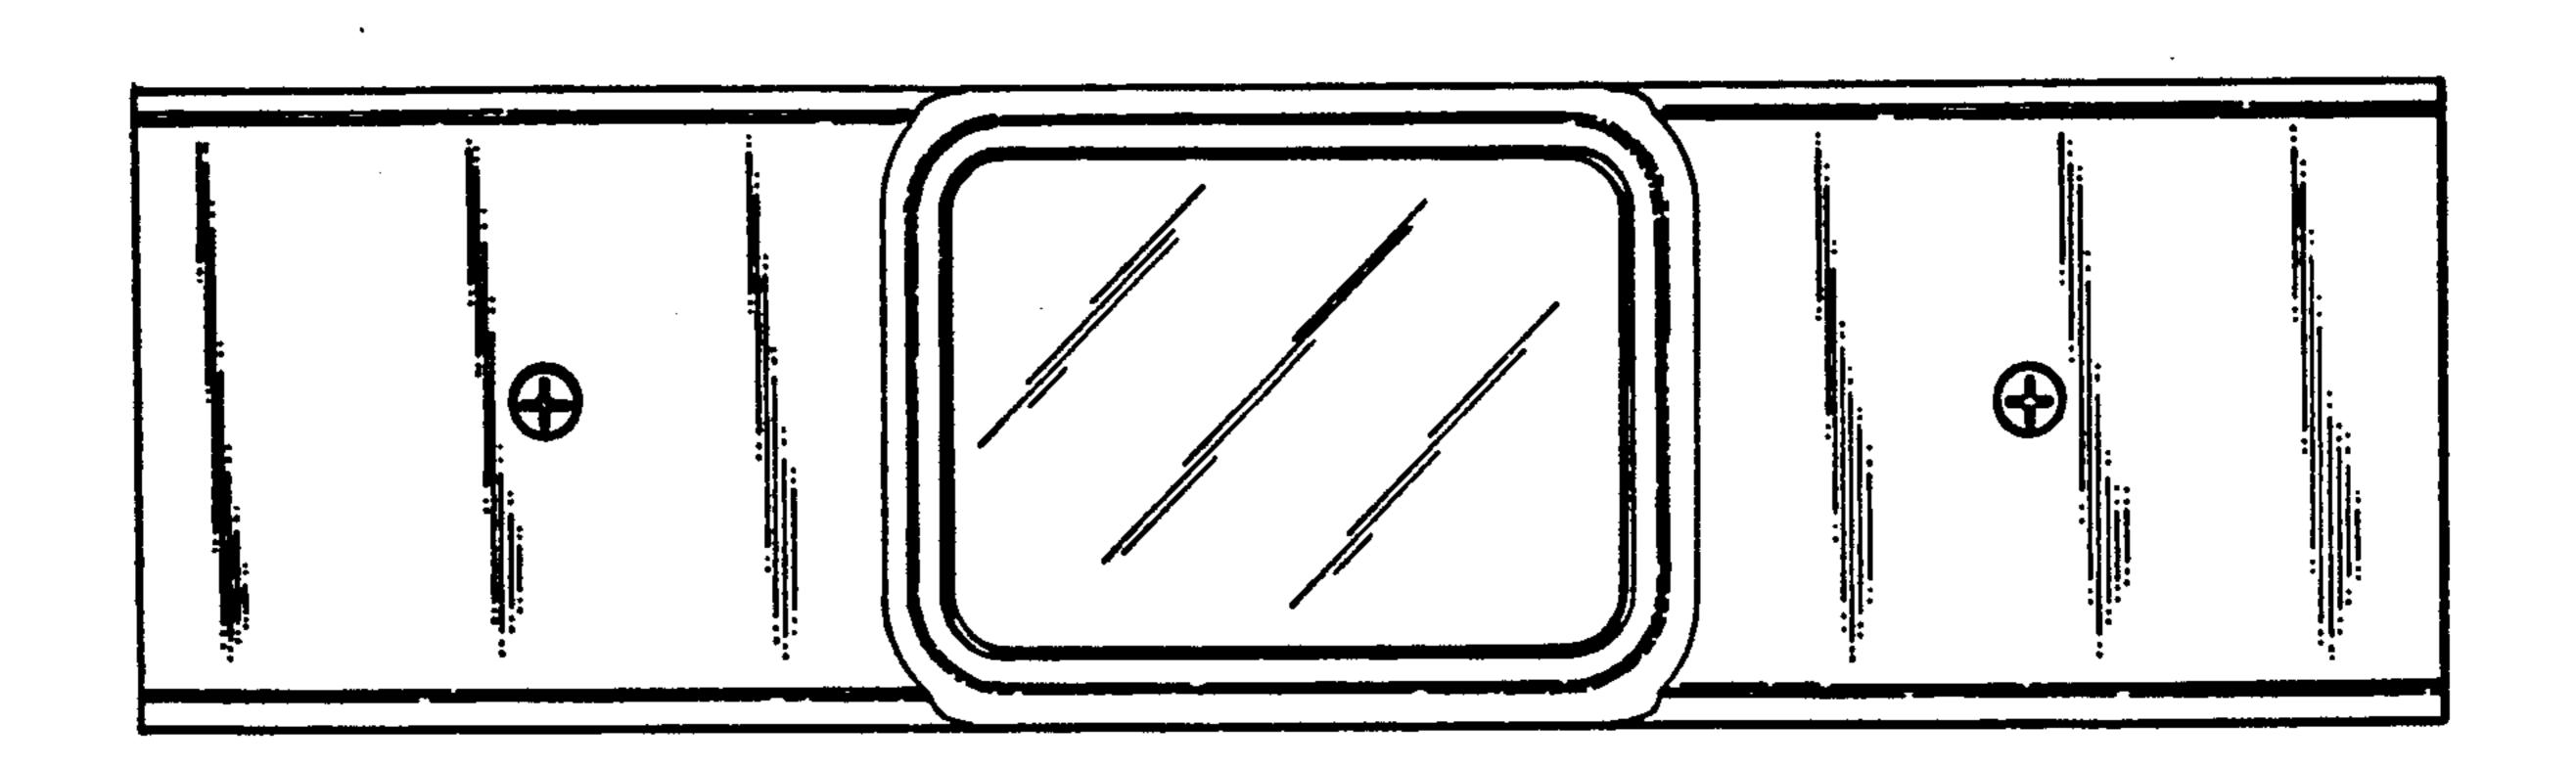

FIG. 2 is a top plan view thereof, the bottom being a mirror image;

FIG. 3 is a side elevation view thereof, the opposite side being a mirror image;

FIG. 4 is a rear elevation view thereof; and

FIG. 5 is a front elevation view thereof on a reduced scale, an emergency vehicle light bar being shown in broken lines for illustrative purposes only.
