[57] CLAIM

The ornamental design for a combined log holder and cover, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combined log holder and cover showing my new design; FIG. 2 is a perspective view shown in exploded condition for convenience of illustration; FIG. 3 is a side elevational view, the opposite side being the same in appearance; FIG. 4 is a top plan view; FIG. 5 is a bottom plan view; FIG. 6 is an end elevational view; and FIG. 7 is a top plan view of the holder per se wherein the cover has been removed for convenience of illustration.

A perspective view taken from the left end and opposite side of the holder per se would be the same in appearance as that shown in FIG. 2.
