[57] CLAIM

The ornamental design for ground stake for retaining irrigation conduit, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a ground stake for retaining irrigation conduit embodying my new design; FIG. 2 is a top plan view thereof; FIG. 3 is a bottom plan view thereof; FIG. 4 is a front elevational view thereof; FIG. 5 is a left side elevational view thereof; FIG. 6 is a rear elevational view thereof; FIG. 7 is a right side elevational view thereof; The broken line showing of a hose is for illustrative purposes only and forms no part of the claimed design.
