[57] CLAIM

The ornamental design for a shield for protecting a truck driving light from road damage, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the shield for protecting a truck driving light from road damage showing my new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a side elevational view thereof, with both side views being identical;

FIG. 5 is a top plan view thereof, with both the top and bottom views being identical; and

FIG. 6 is a cross-sectional view taken in the horizontal plane represented by the lines 6—6 in FIG. 1.
