CLAIM

The ornamental design for an automobile tire, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an automobile tire showing my new design, it being understood that the tread design is repeated uniformly throughout the circumference of the tire and the opposite side is the same as that shown.

FIG. 2 is a front elevational view thereof;

FIG. 3 is a side elevational view of one side thereof; and

FIG. 4 is an enlarged fragmentary front elevational view thereof.
