[57] CLAIM

The ornamental design for a washcloth, as shown and described.

DESCRIPTION

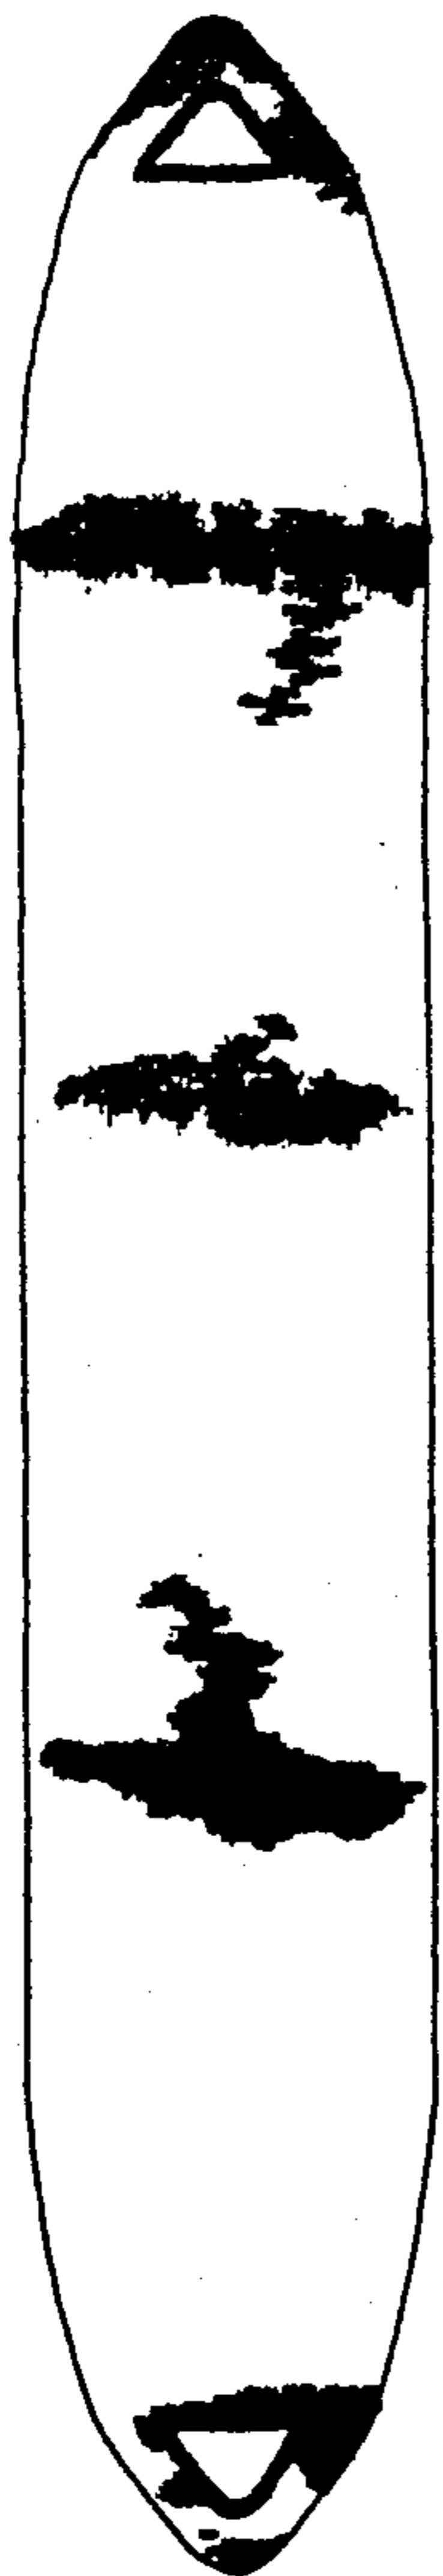

FIG. 1 is a front elevational view of a washcloth showing my new design, the rear being identical in appearance;

FIG. 2 is a side elevational view thereof, the opposite side being identical in appearance;

FIG. 3 is an end elevational view thereof; the opposite end being identical in appearance; and

FIG. 4 is a reduced perspective view thereof.

The broken-line disclosure of the bather is shown for illustrative purposes only and forms no part of the claimed design and the surface shading employed is understood to represent conventional fabric which covers the entire surface represented.
