[57] **CLAIM**

The ornamental design for a thermostat, as shown and described.

**DESCRIPTION**

FIG. 1 is a top, front and left side perspective view of a thermostat showing our new design;  
FIG. 2 is a front elevational view;  
FIG. 3 is a right side elevational view;  
FIG. 4 is a top plan view;  
FIG. 5 is a front elevational view of another embodiment of our new design of FIGS. 1-5; and  
FIG. 6 is a top, front and left side perspective view thereof, the rear of both embodiments, not shown, is substantially plain and unornamented.
