[57] CLAIM

The ornamental design for a motorcycle tire, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a motorcycle tire showing my new design, it being understood that the tread design is repeated uniformly throughout the circumference of the tire and the opposite side is the same as that shown.

FIG. 2 is a front elevational view thereof; FIG. 3 is a side elevational view thereof; FIG. 4 is a rear elevational view thereof; and FIG. 5 is an enlarged fragmentary front elevation view thereof.
