[57] CLAIM

The ornamental design for a combined cutting tool holder and cutting tip, as shown and described.

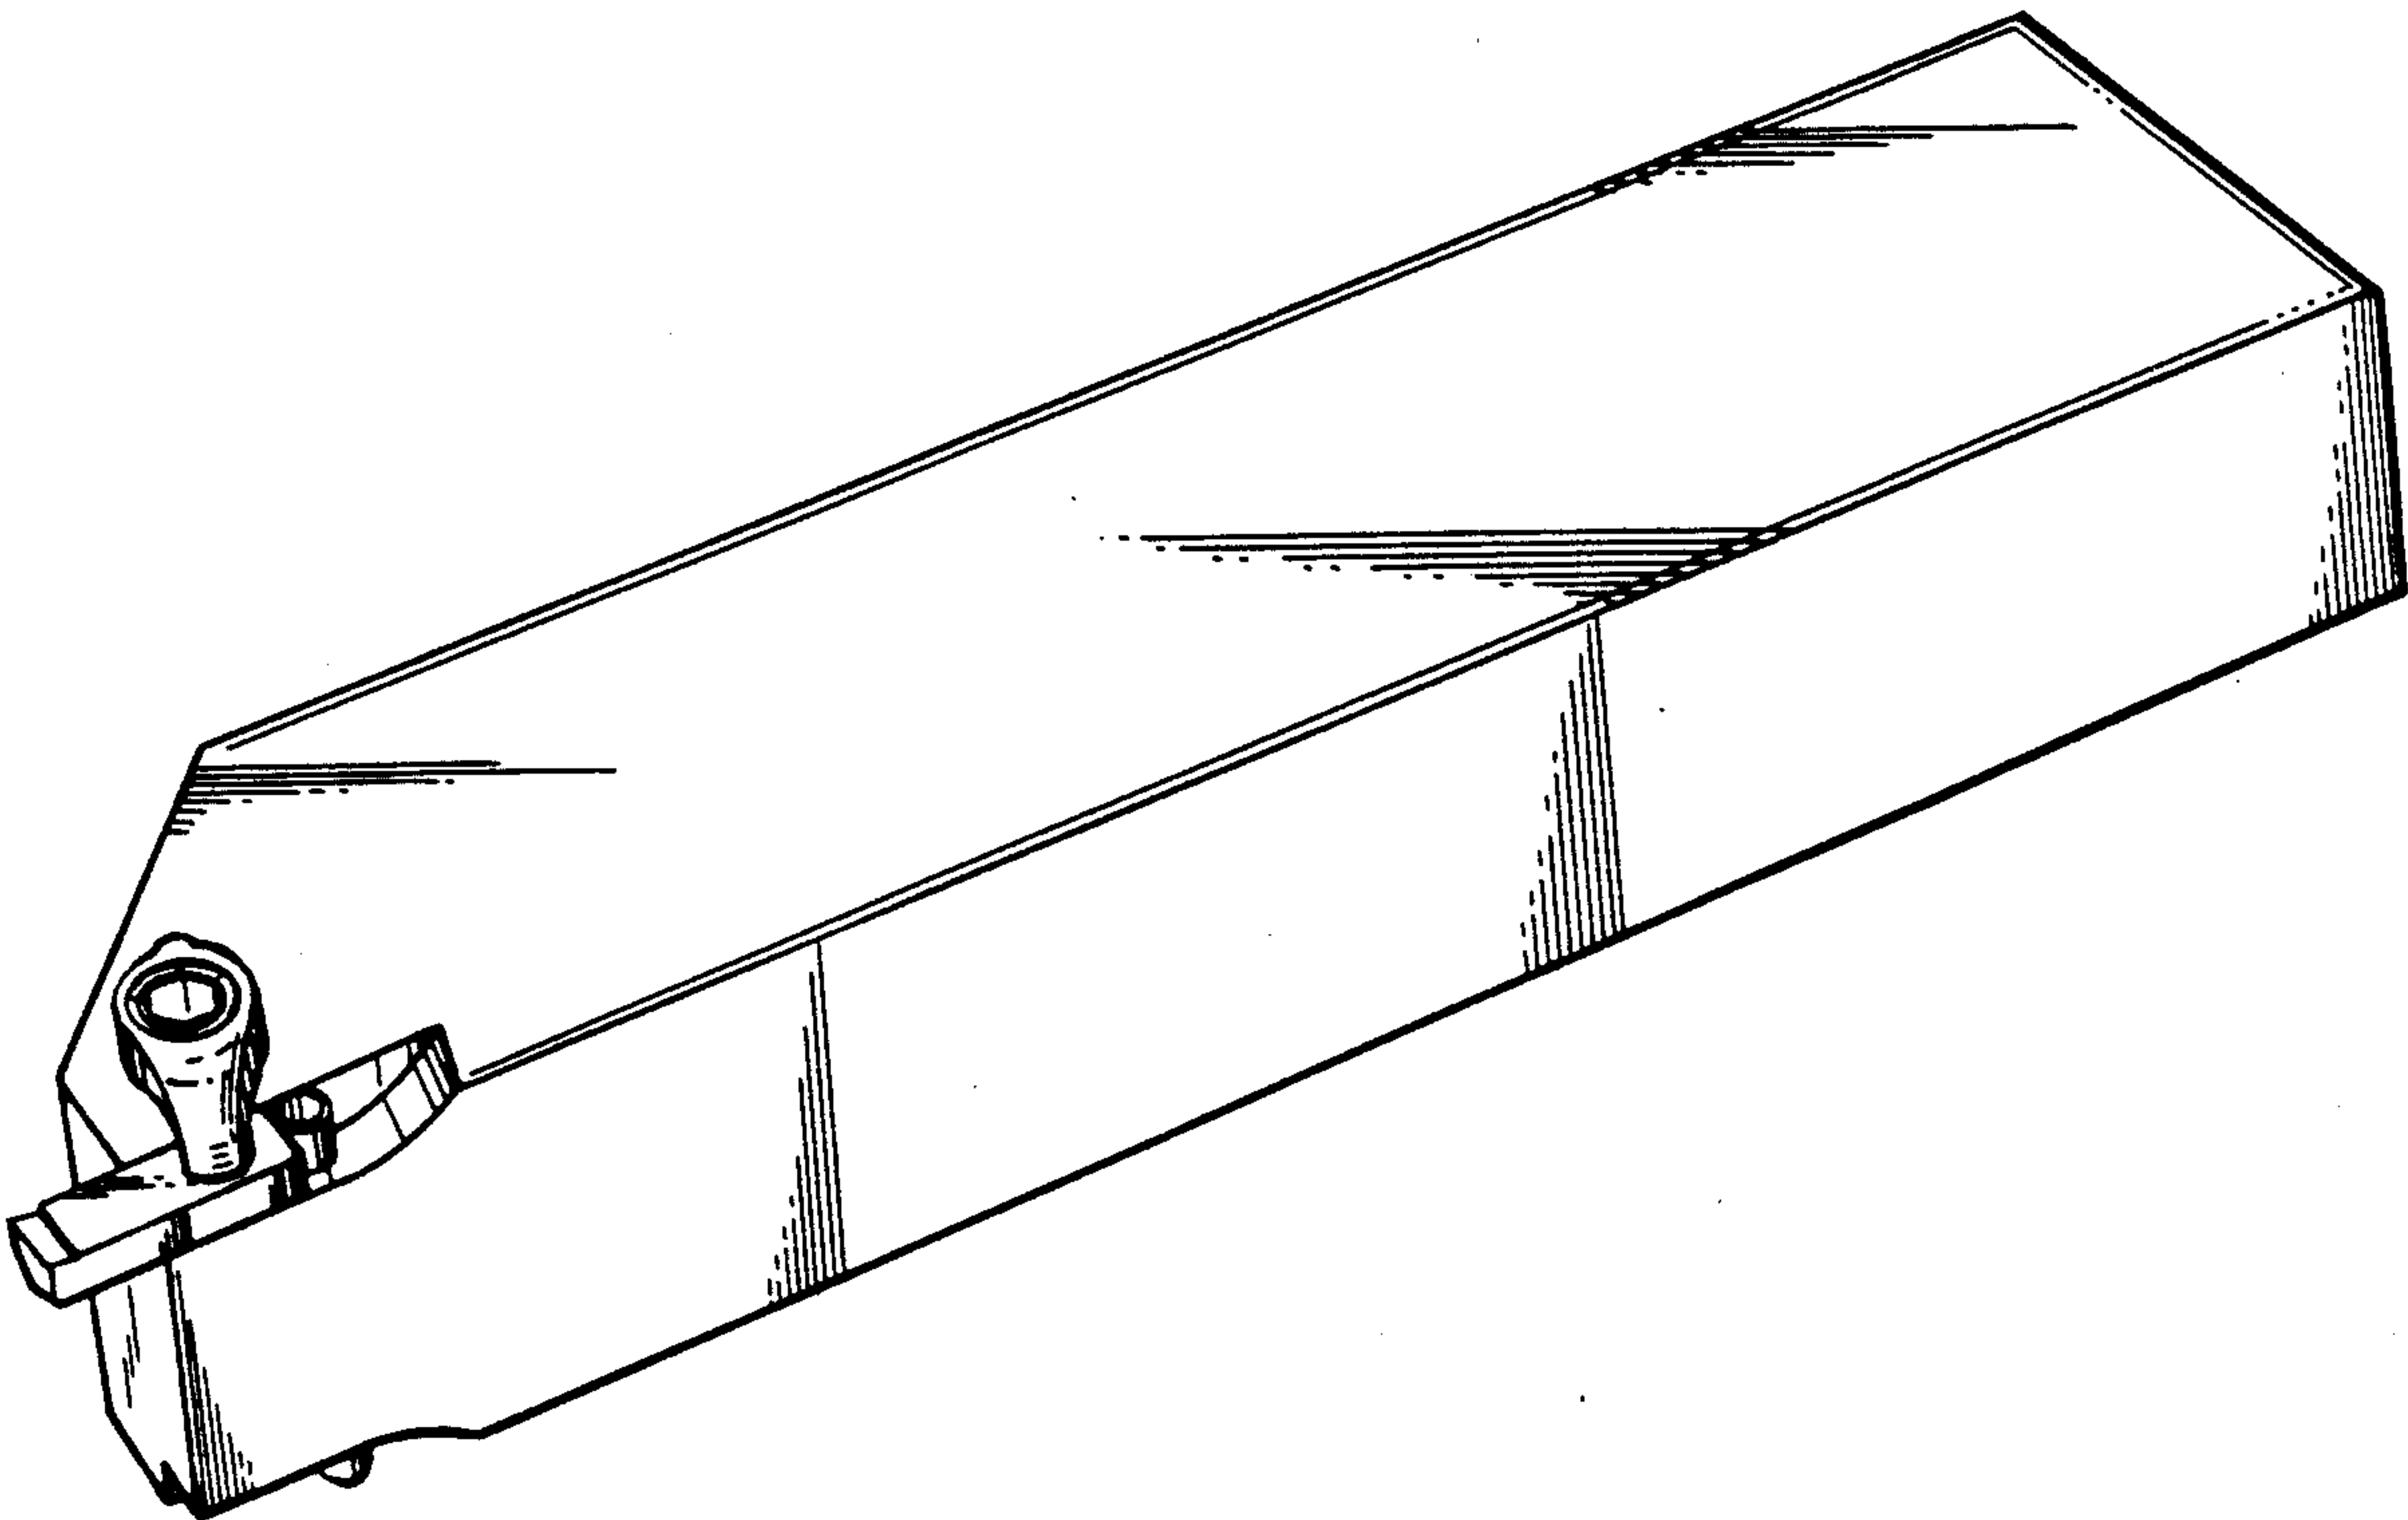

DESCRIPTION

FIG. 1 is a top, front, and left side perspective view of a combined cutting tool holder and cutting tip showing my new design;

FIG. 2 is a top, front, and right side perspective view thereof;

FIG. 3 is a bottom, front, and left side perspective view thereof.

The rear side is flat and unornamented.
