[57] CLAIM

The ornamental design for a graphics and information
display module face plate for hall mounted location and
elevator cars, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a graphics and
information display module face plate for hall mounted
location and elevator cars showing our new design with
the broken lines being for illustrative purposes only and
forming no part of the claimed design;
FIG. 2 is a side elevational view thereof, with the oppo-
site side being a mirror image; and
FIG. 3 is a top plan view thereof, with the bottom being
a mirror image.
