[57] CLAIM

The ornamental design for a navigational aid, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a navigational aid showing my new design, the rear elevational view being flat, plain and unornamented;
FIG. 2 is a right side elevational view, the left side elevational view being a mirror image;
FIG. 3 is a top plan view; and
FIG. 4 is a bottom plan view thereof.
