[57] CLAIM

The ornamental design for a hanging file for photographic slides, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a hanging photographic slide storage file showing our new design; FIG. 2 is a top plan view thereof; FIG. 3 is a bottom plan view thereof; and FIG. 4 is a side elevational view thereof, the undisclosed side being the same.

The broken lines shown in FIG. 1 represent a design pattern which forms a part of the claimed design.
