[57] CLAIM

The ornamental design for an air distribution unit, as shown and described.

DESCRIPTION

FIG. 1 is a front and left side perspective view of an air distribution unit showing my new design;  
FIG. 2 is an enlarged front elevation view thereof;  
FIG. 3 is an enlarged top plan view thereof;  
FIG. 4 is an enlarged left side elevation view thereof, the opposite side being a mirror image of that shown;  
FIG. 5 is an enlarged rear elevation view thereof; and  
FIG. 6 is an enlarged bottom plan view thereof.
