[57] CLAIM

The ornamental design for an element of a shoe upper,
as shown and described.

DESCRIPTION

FIG. 1 is a right side elevational view of an element of
a shoe upper showing our new design. The broken line
showing of a shoe is for environmental purposes only
and forms no part of the claimed design.
FIG. 2 is a top plan view thereof;
FIG. 3 is bottom view thereof;
FIG. 4 is a left side elevational view thereof;
FIG. 5 is a front elevational view thereof; and
FIG. 6 is a rear elevational view thereof.
