[57] CLAIM

The ornamental design for a tool handle, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a tool handle illustrating our new design in which the broken lines showing the scraper blades are illustrative of environmental structure only and form no part of the claimed design. FIG. 2 is a side elevational view with the side opposite being similar. FIG. 3 is a bottom plan view thereof; FIG. 4 is a left end elevational thereof; FIG. 5 is a right end elevational view thereof; and FIG. 6 is a cross section thereof taken along the line 6—6 of FIG. 1.
