[57] CLAIM

The ornamental design for bolt head and nut sizing gauge, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a bolt head and nut size determining tool or the like showing my new design; FIG. 2 is a left side elevational view; FIG. 3 is a front elevational view, the rear elevational view being an identical image; FIG. 4 is a right side elevational view; FIG. 5 is a bottom plan view; and FIG. 6 is another front elevational view thereof, showing the particular bolt head and nut size gauges in varying positions.
