[57] CLAIM

The ornamental design for a combined trash container and dolly therefor, as shown and described.

DESCRIPTION

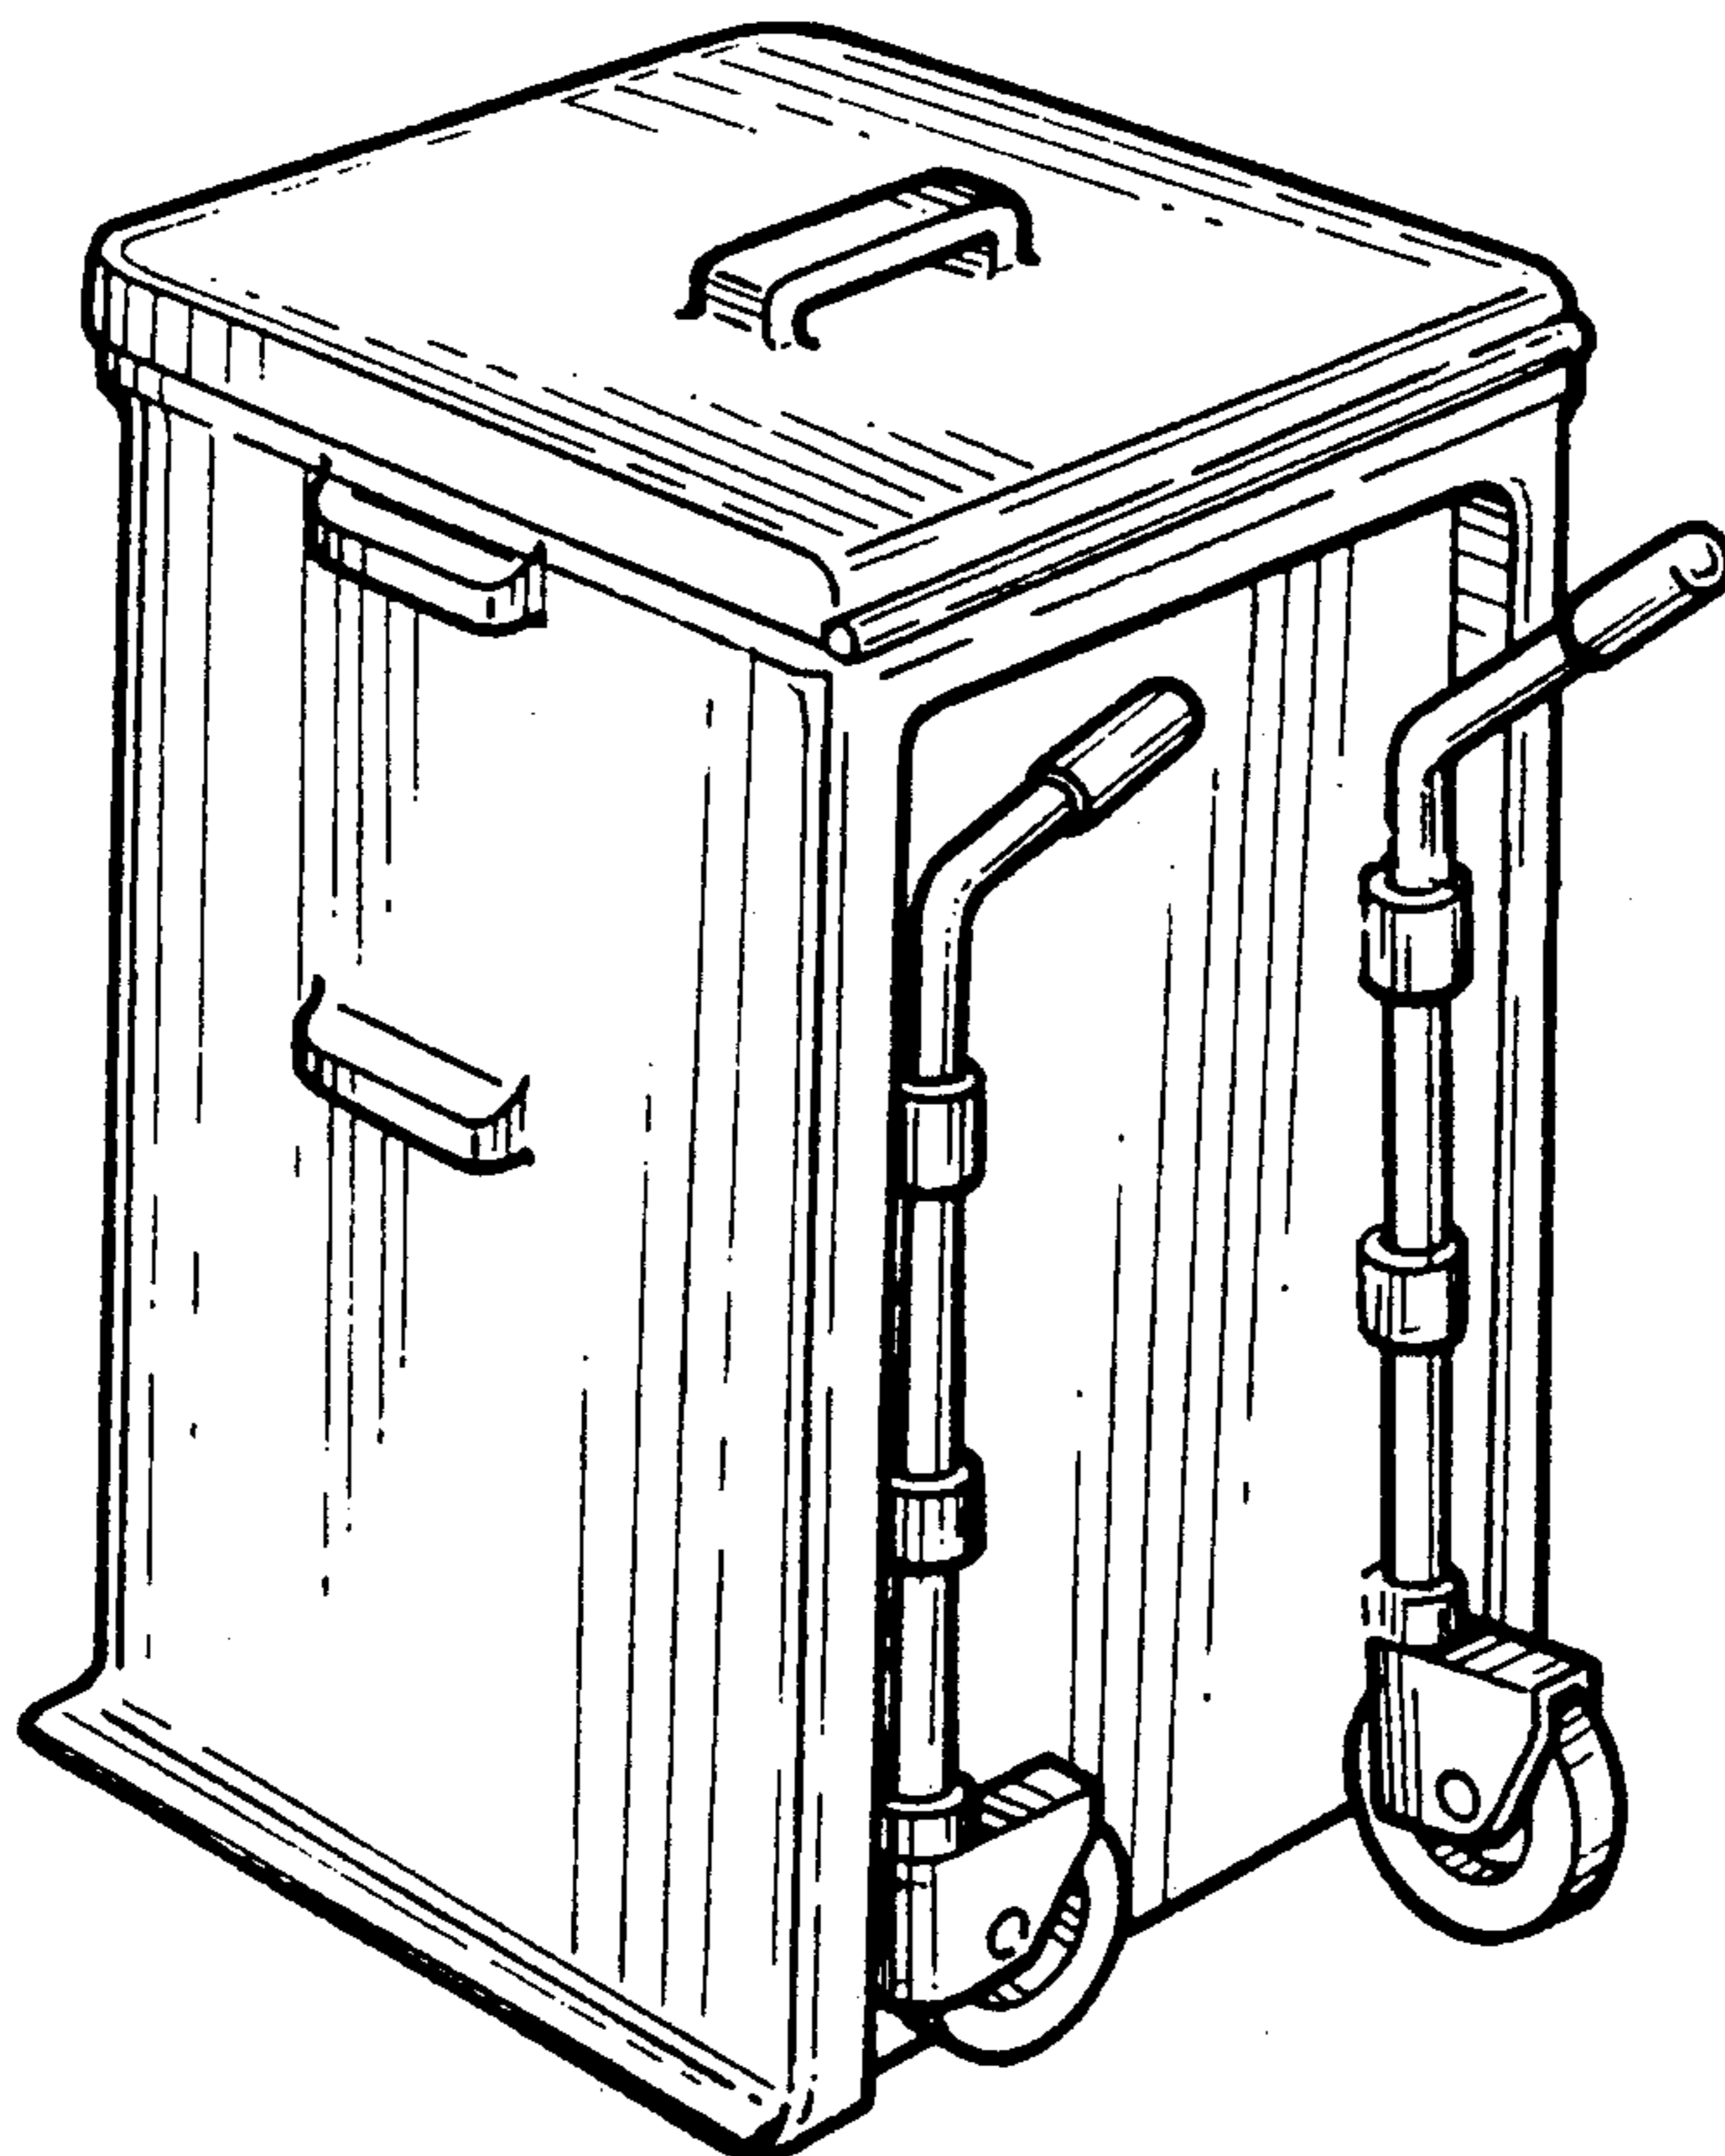

FIG. 1 is a top and rear perspective view of a combined trash container and dolly therefor showing my new design with one side dolly folded in;

FIG. 2 is a side elevational view thereof, the opposite side elevational view being a mirror image of that shown;

FIG. 3 is a rear elevational view thereof, with the both side dolly folded in; and

FIG. 4 is a top plan view thereof.

The undisclosed bottom is flat and unornamented.
