[57] **CLAIM**

The ornamental design for a self-releasing wall mounted hook, as shown and described.

DESCRIPTION

FIG. 1 is a front, top and right side perspective view of a self-releasing, wall mounted hook showing my new design;
FIG. 2 is a front, top and right side perspective view thereof, with the hook in a released position;
FIGS. 3 and 4 are respectively front and rear elevational views thereof;
FIGS. 5 and 6 are respectively left and right side elevational views thereof; and
FIGS. 7 and 8 are respectively top and bottom plan views thereof, with the hook in an upright position.
