CLAIM

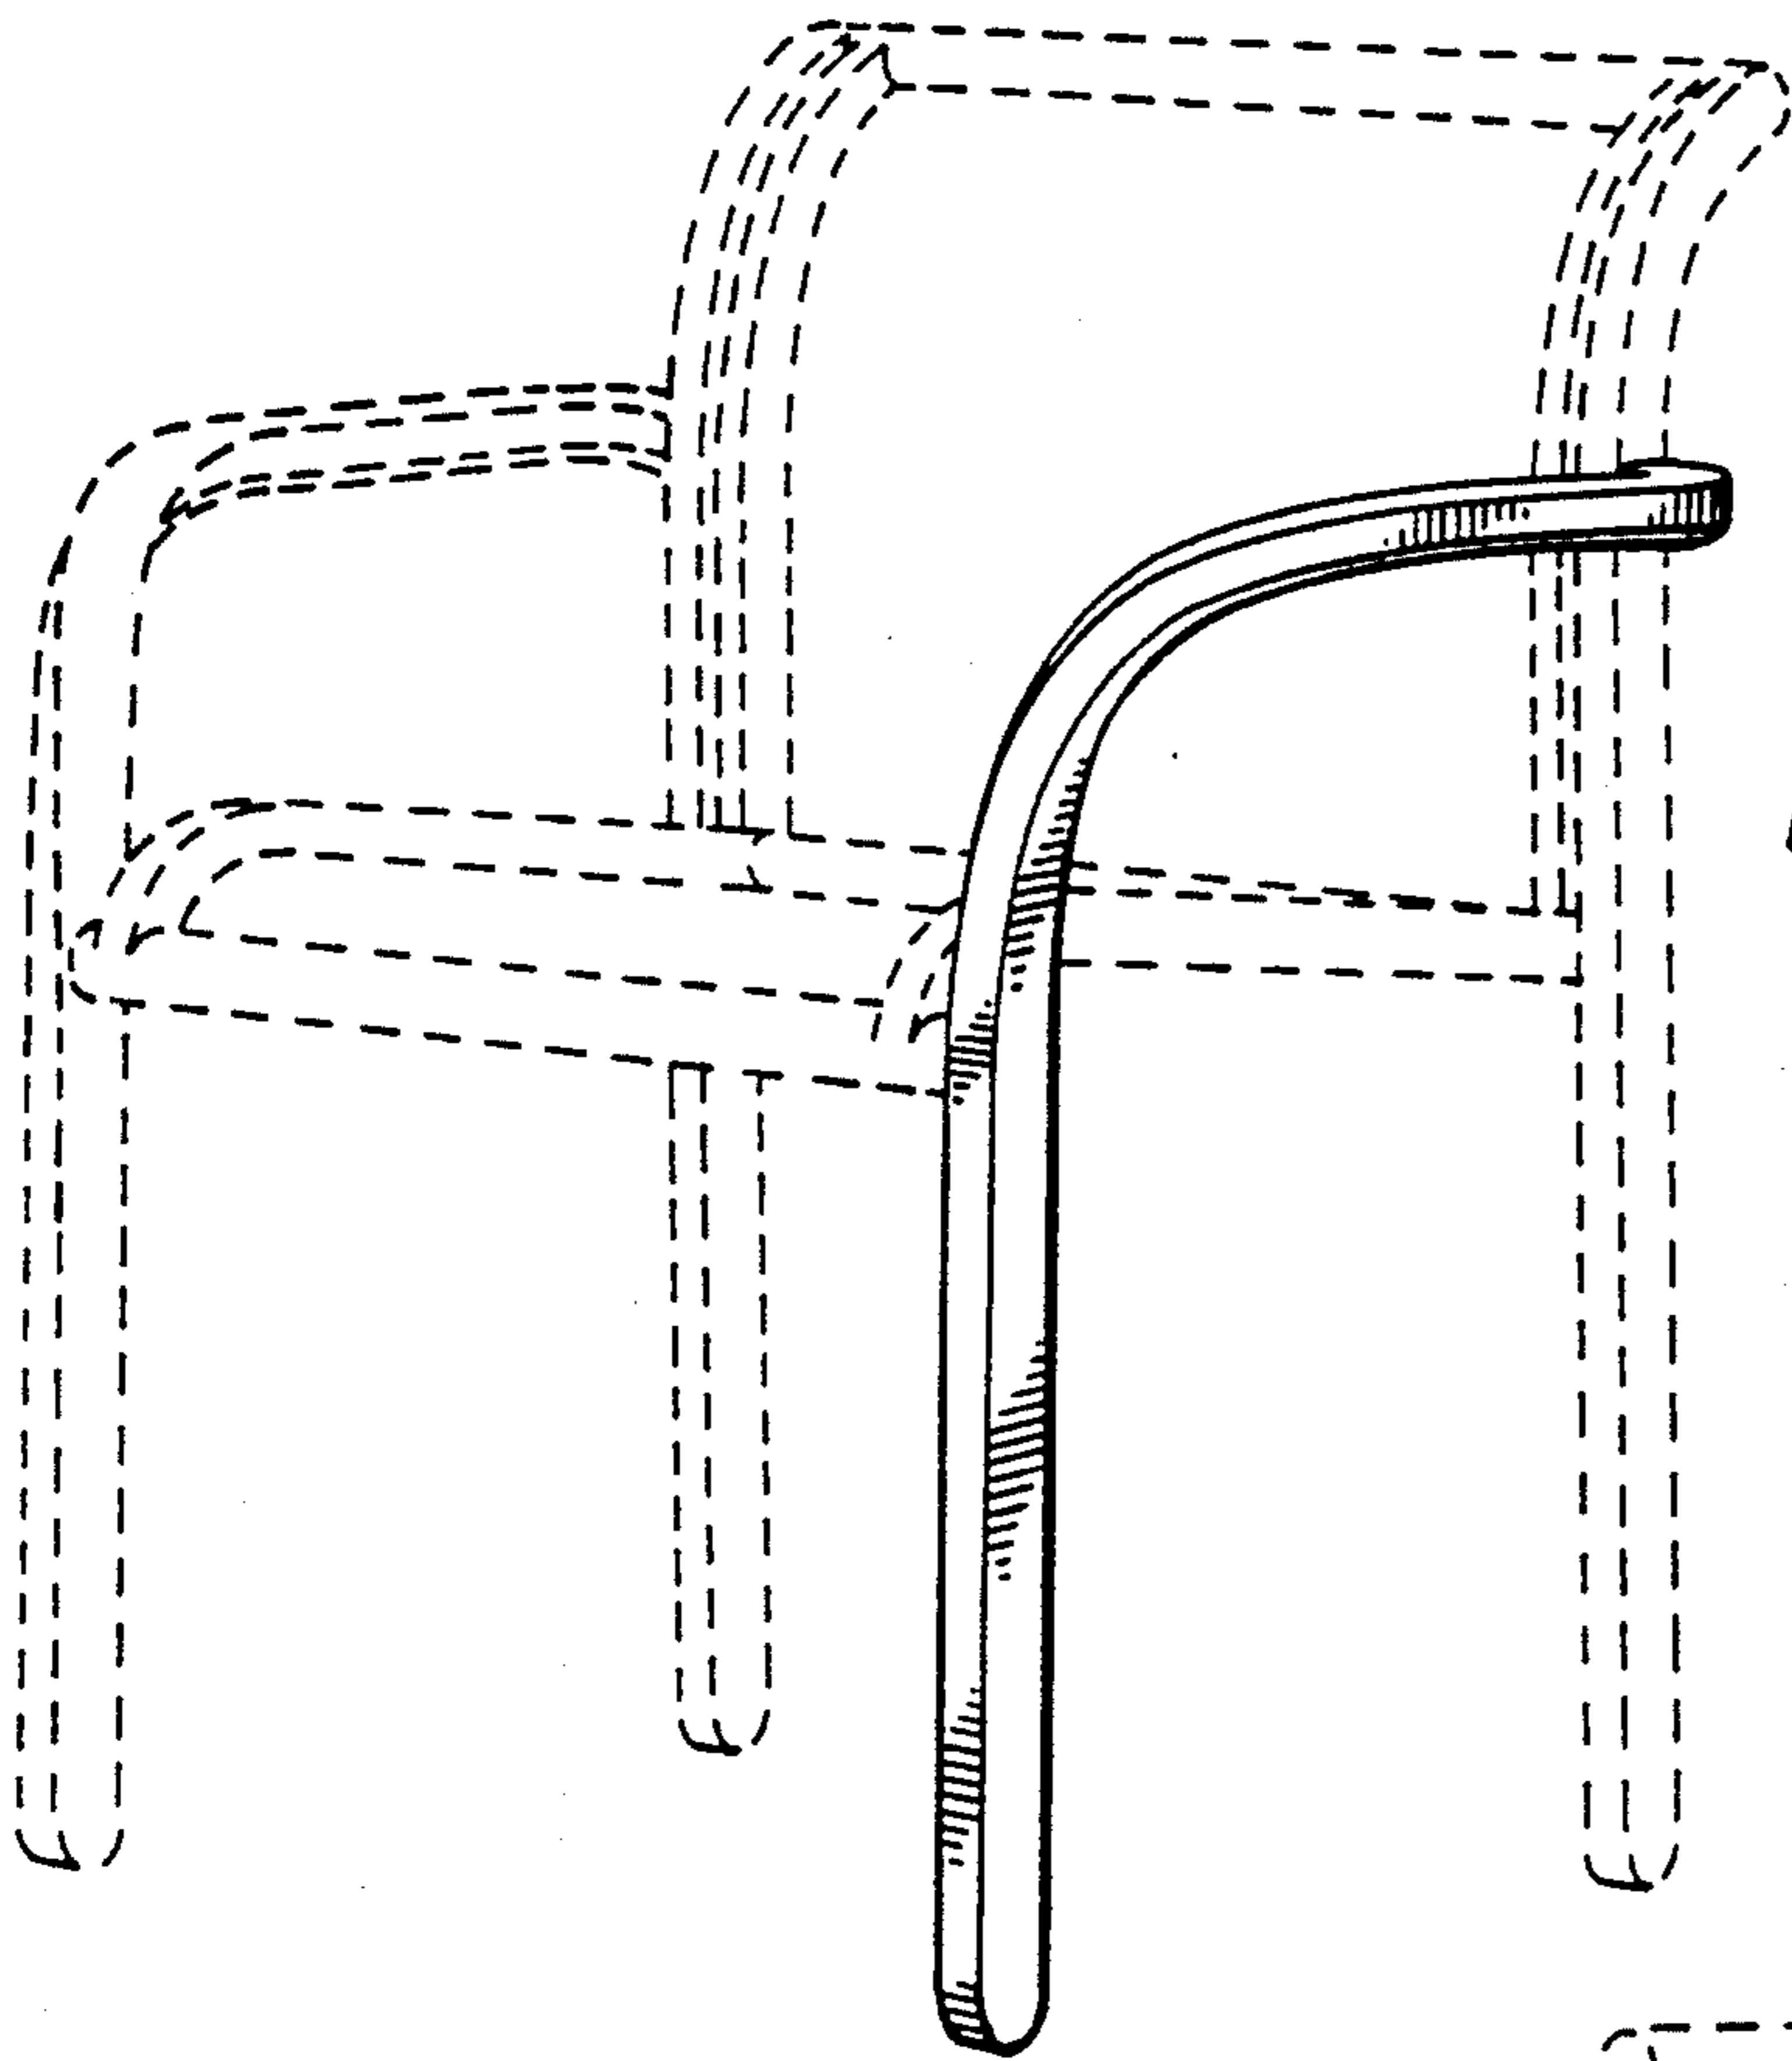

The ornamental design for combined leg and armrest unit for a chair, as shown and described.

DESCRIPTION

FIG. 1 is a frontside perspective view of a combined leg and armrest unit for a chair showing my new design; FIG. 2 is a backside perspective view thereof; FIG. 3 is a side elevational view thereof; FIG. 4 is a front elevational view thereof; and FIG. 5 is a top plan view thereof.

The undisclosed portion of the inner face of the leg is conventionally smooth, uninterrupted and unadorned. The broken lines illustrated in the drawings are not a part of the design sought to be patented.
