[57] CLAIM

The ornamental design for a hanger for wall quilts, as shown and described.

DESCRIPTION

FIG. 1 is a top, front, and left side perspective view of a hanger for wall quilts showing my new design, the rear being plain and unornamented, and the broken-line depiction of a quilt being for illustrative purposes only and forming no part of the claimed design; and FIG. 2 is a left side elevational view thereof, the right side being a mirror image of that shown.
