[57] CLAIM

The ornamental design for a head support for a telephone handset, a shown.

DESCRIPTION

FIG. 1 is a front, right side perspective view from below of a head support for a telephone handset showing my new design;

FIG. 2 is a top, right side and front perspective view from above;

FIG. 3 is a rear perspective view from slightly below;

FIG. 4 is a left side front and right side perspective view;

FIG. 5 is a right side elevational view thereof; and

FIG. 6 is a right side elevational view thereof, with a clasp upon a telephone handset which is presented as environment in broken lines.

The broken line showing of a telephone handset is for illustrative purposes only and forms no part of the claimed design.
