[57] CLAIM

The ornamental design for a cradle mount for a portable data terminal, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a cradle mount for a portable data terminal showing our new design, the portable data terminal being shown in broken lines for illustrative purposes only and forms no part of the claimed design.

- FIG. 2 is a top plan view thereof;
- FIG. 3 is a right side elevational view thereof;
- FIG. 4 is a bottom plan view thereof;
- FIG. 5 is a front end elevational view thereof;
- FIG. 6 is a rear end elevational view thereof.
