[57] CLAIM

The ornamental design for a shield for protecting a
truck driving light from road damage, as shown and
described.

DESCRIPTION

FIG. 1 is a perspective view of the shield for protecting
a truck driving light from road damage showing my
new design, taken from the rear of the shield;
FIG. 2 is a rear elevational view thereof;
FIG. 3 is a front elevational view thereof;
FIG. 4 is a right side elevational view thereof;
FIG. 5 is a left side elevational view thereof; and
FIG. 6 is a bottom plan view thereof, with both the
bottom and top views being identical.
