[57] **CLAIM**

The ornamental design for trim element for a furniture panel, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a trim element for a furniture panel, showing my new design;
FIG. 2 is a top plan view, the bottom being a mirror image thereof;
FIG. 3 is a front elevational view; and
FIG. 4 is a fragmentary perspective view of the trim element for a furniture panel, on an enlarged scale.
My new design is characterized by the trim arrangement as best illustrated in FIG. 4. The broken lines in FIGS. 1 and 2 are for illustrative purposes only. The undisclosed portions are conventional in appearance.
