[57] CLAIM

The ornamental design for a handle for kitchen furniture components, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a handle for kitchen furniture components showing our new design, the portion of a supporting structure being shown in broken lines for illustrative purposes only;

FIG. 2 is a second embodiment of the design of FIG. 1, the only difference being the placement of the gripping portion;

FIG. 3 is a third embodiment of the design of FIG. 1, the only difference being the placement of the gripping portion and its extension on both sides of the stem.

The rear, bottom and sides not shown are flat and unornamented.
