[57] CLAIM

The ornamental design for a diamond abrasive saw blade, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a diamond abrasive saw blade showing my new design;

FIG. 2 is a right side elevational view, the opposite side being a mirror image;

FIG. 3 is a typical enlarged cross sectional view as taken from line 3—3 of FIG. 1; and

FIG. 4 is a front elevational view of a second embodiment of a diamond abrasive saw blade showing my new design of FIGS. 1-3.
