[57] CLAIM

The ornamental design for a dial top housing for telephone handset or similar article, as shown and described.

DESCRIPTION

FIG. 1 is a front, top, and left side perspective view showing our new design for a dial toy housing for telephone handset or similar article in full lines, with the broken line matter being for illustrative purposes only and forming no part of the claimed design.

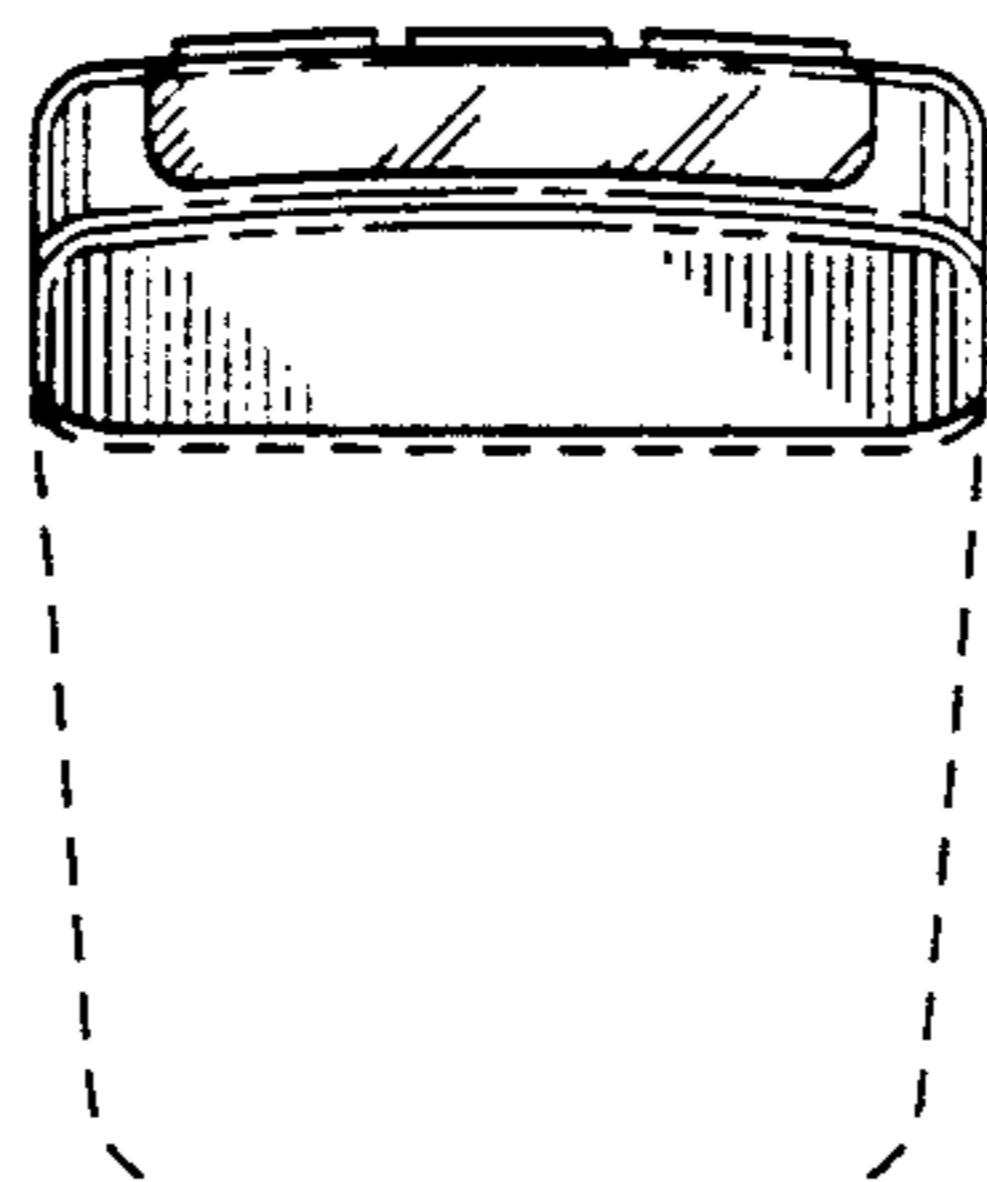

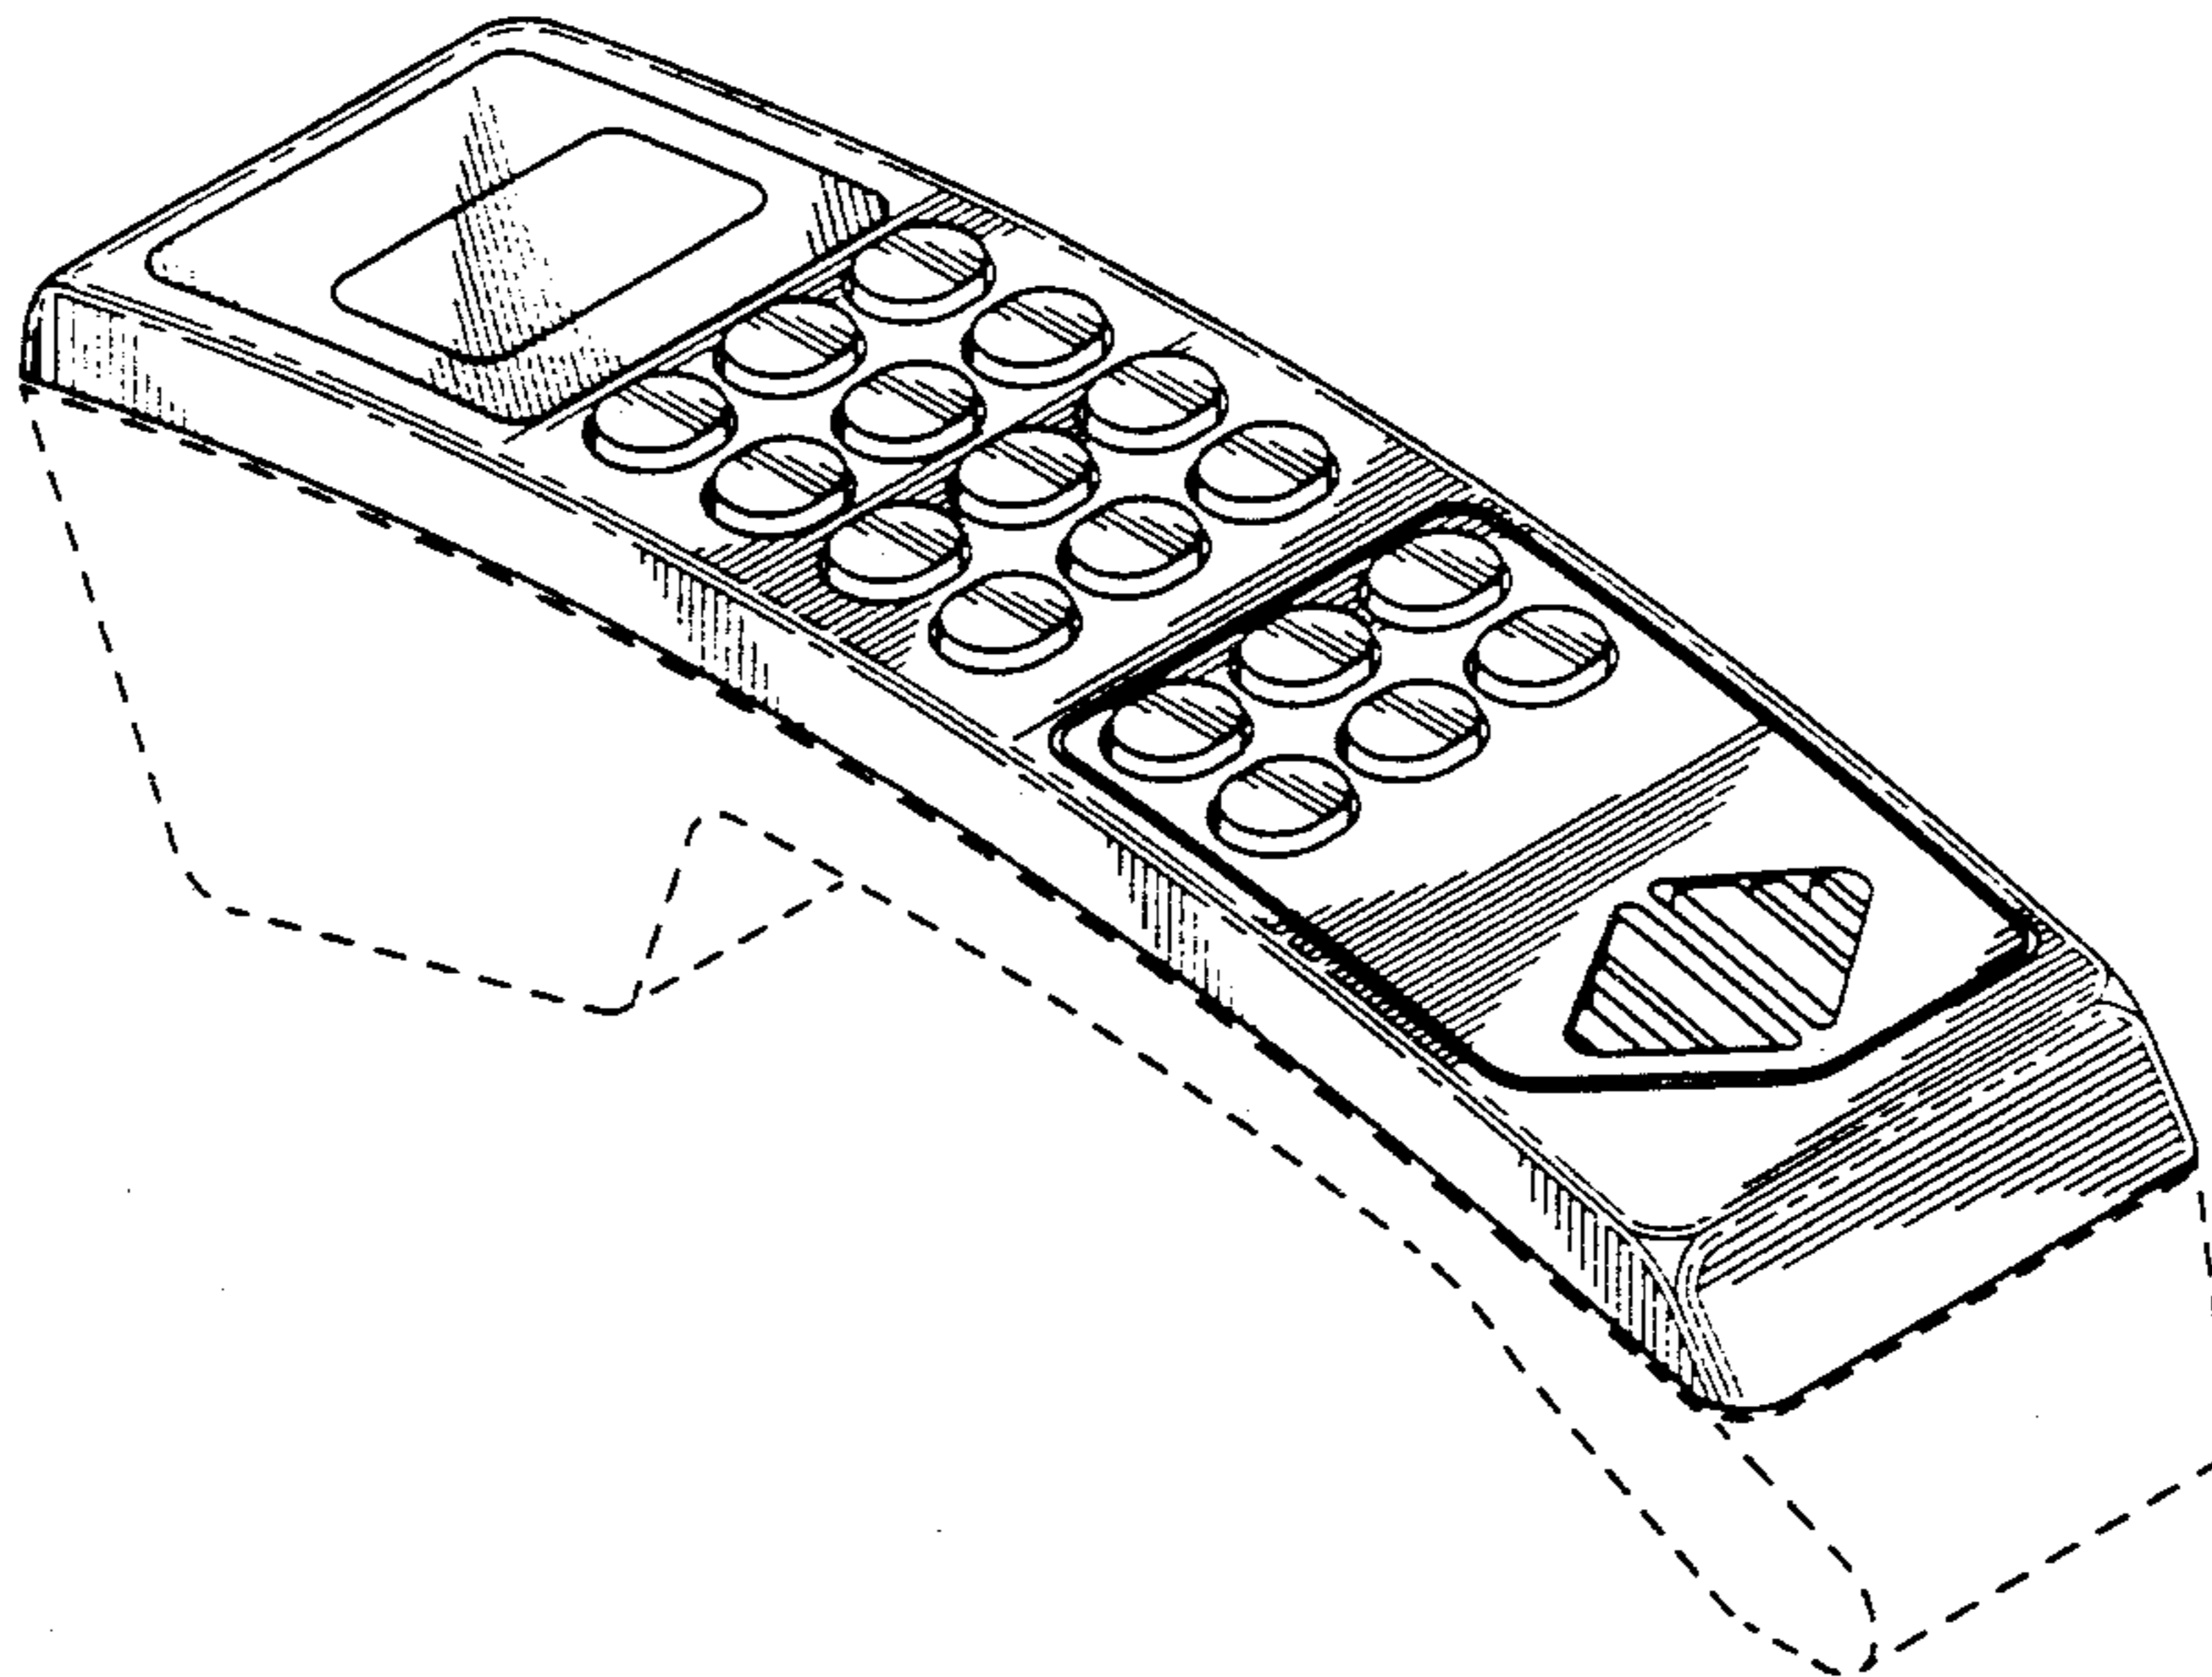

FIG. 2 is a right elevational view thereof, in full lines, with the broken line matter being for illustrative purposes only and forming no part of the claimed design.

FIG. 3 is a rear elevational view thereof, in full lines, with the broken line matter being for illustrative purposes only and forming no part of the claimed design.
