The ornamental design for a roll-type case for transporting writing instruments, as shown and described.

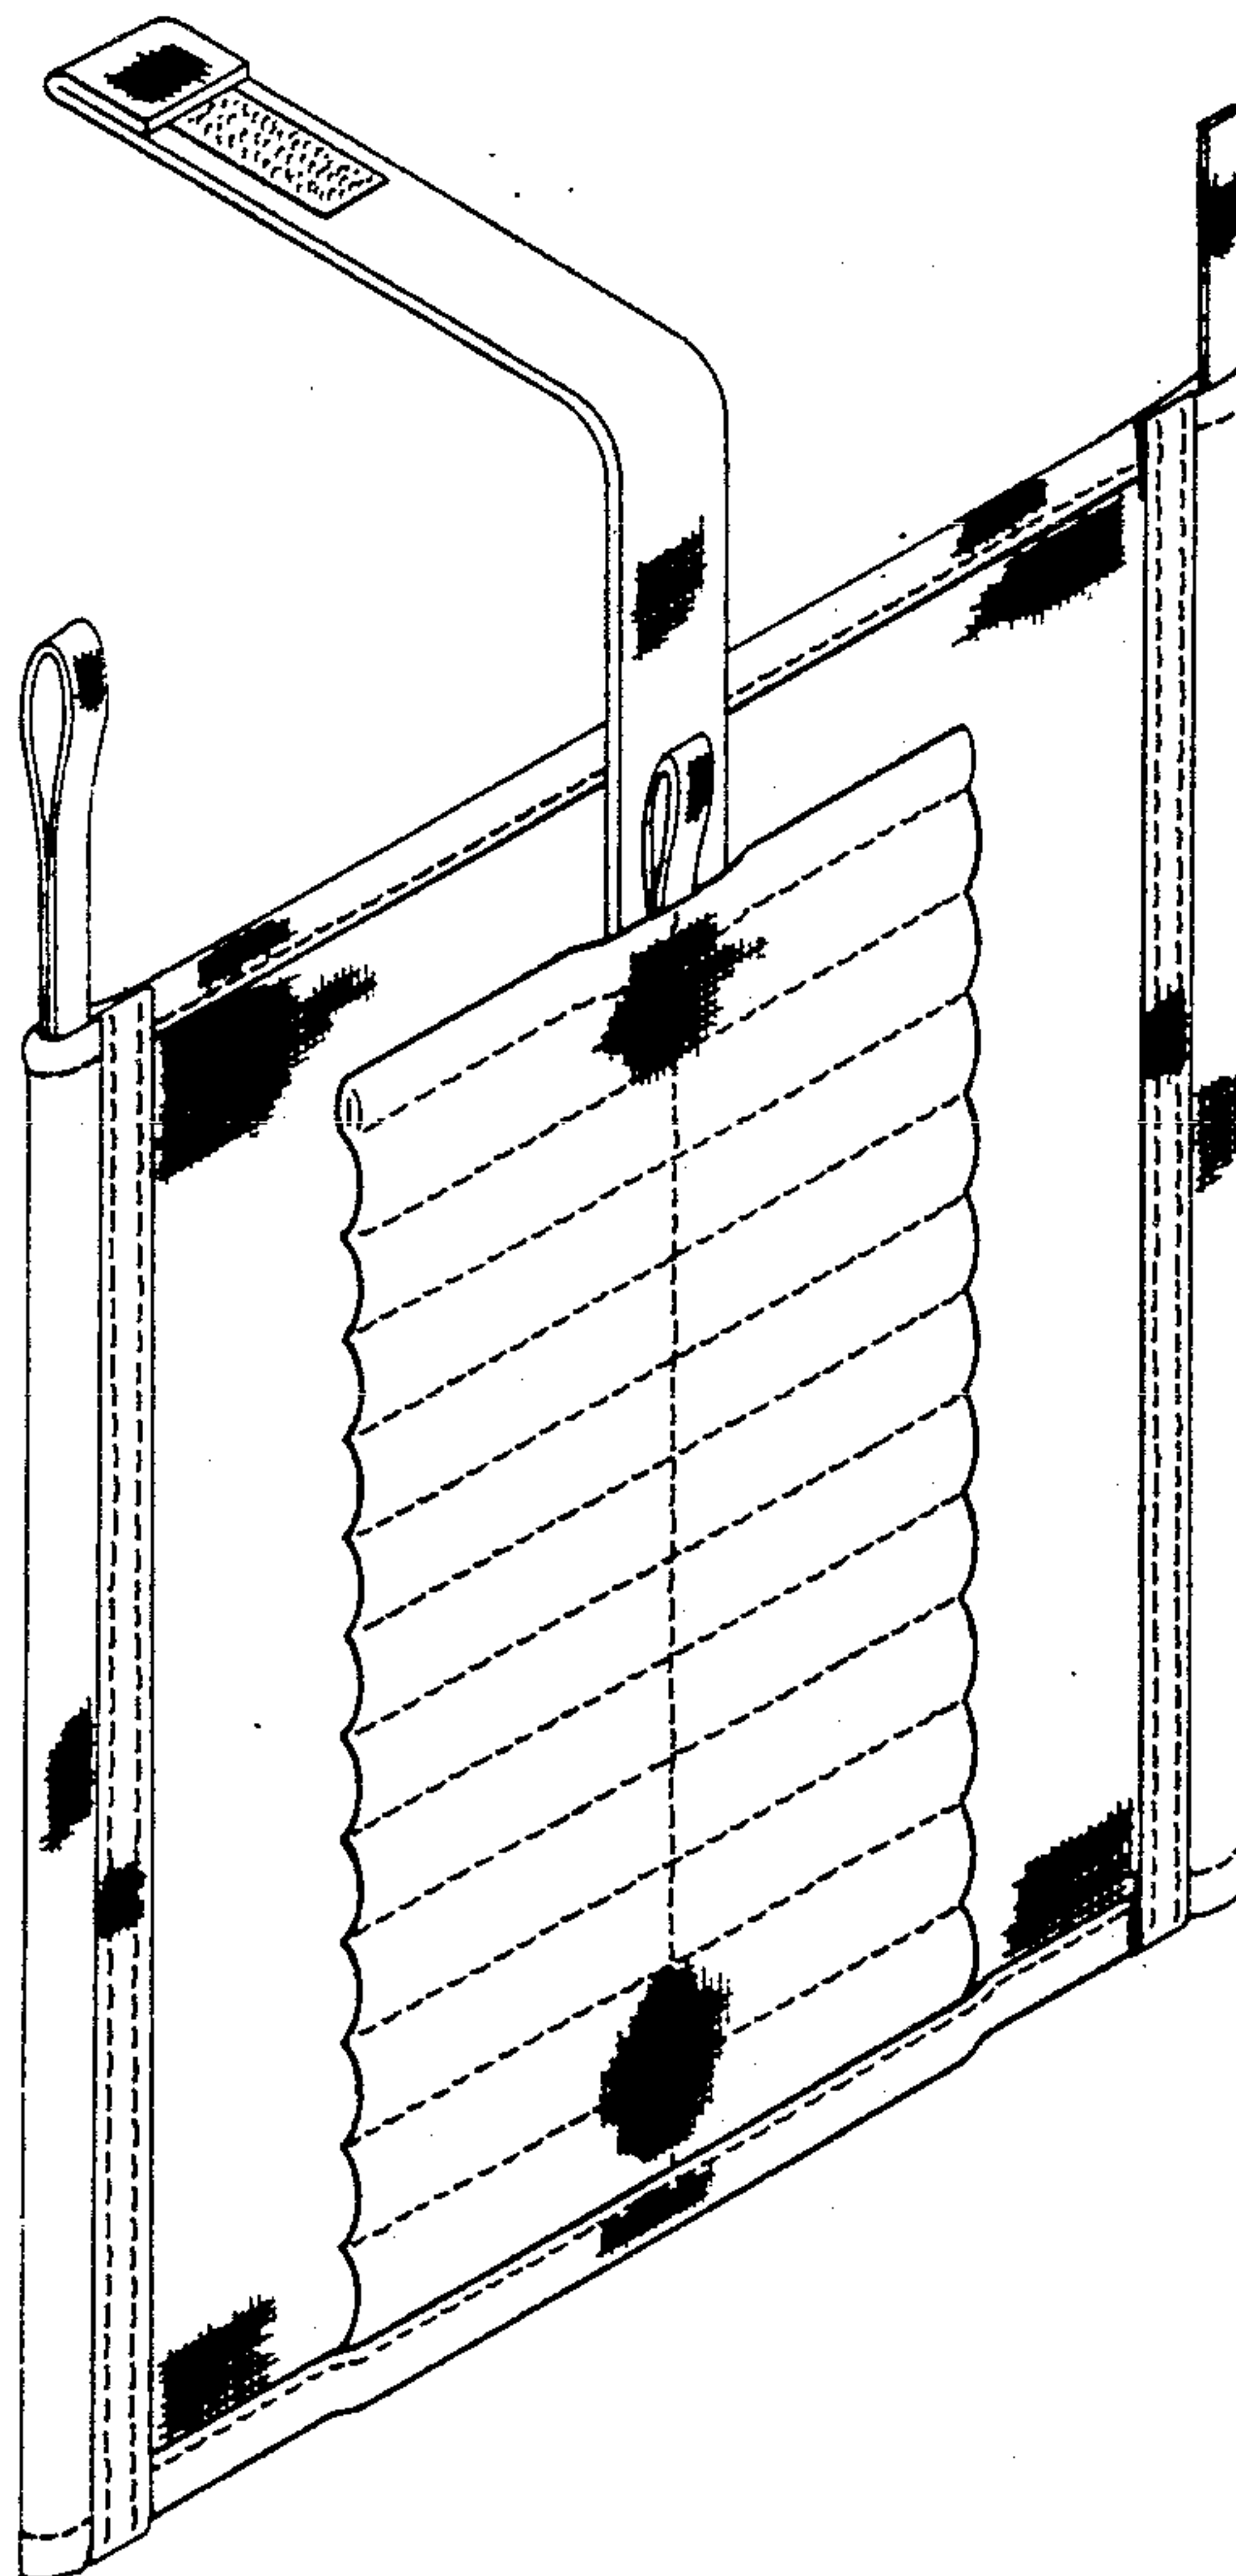

DESCRIPTION

FIG. 1 is a front elevational view of a roll-type case for transporting writing instruments showing our new design;

FIG. 2 is a rear elevational view thereof; and

FIG. 3 is a top, left front perspective view thereof.

The figures are shaded to show conventional fabric and it is understood that the pattern continues and repeats uniformly across the entire surface.
