[57] **CLAIM**

The ornamental design for a seatbelt attachable combined stuffed toy figure and keeper, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a seatbelt attachable combined stuffed toy figure and keeper showing my new design. The broken line showing extending from the design represents a portion of a seat belt and is for illustrative purposes only;

FIG. 2 is a top plan view thereof;

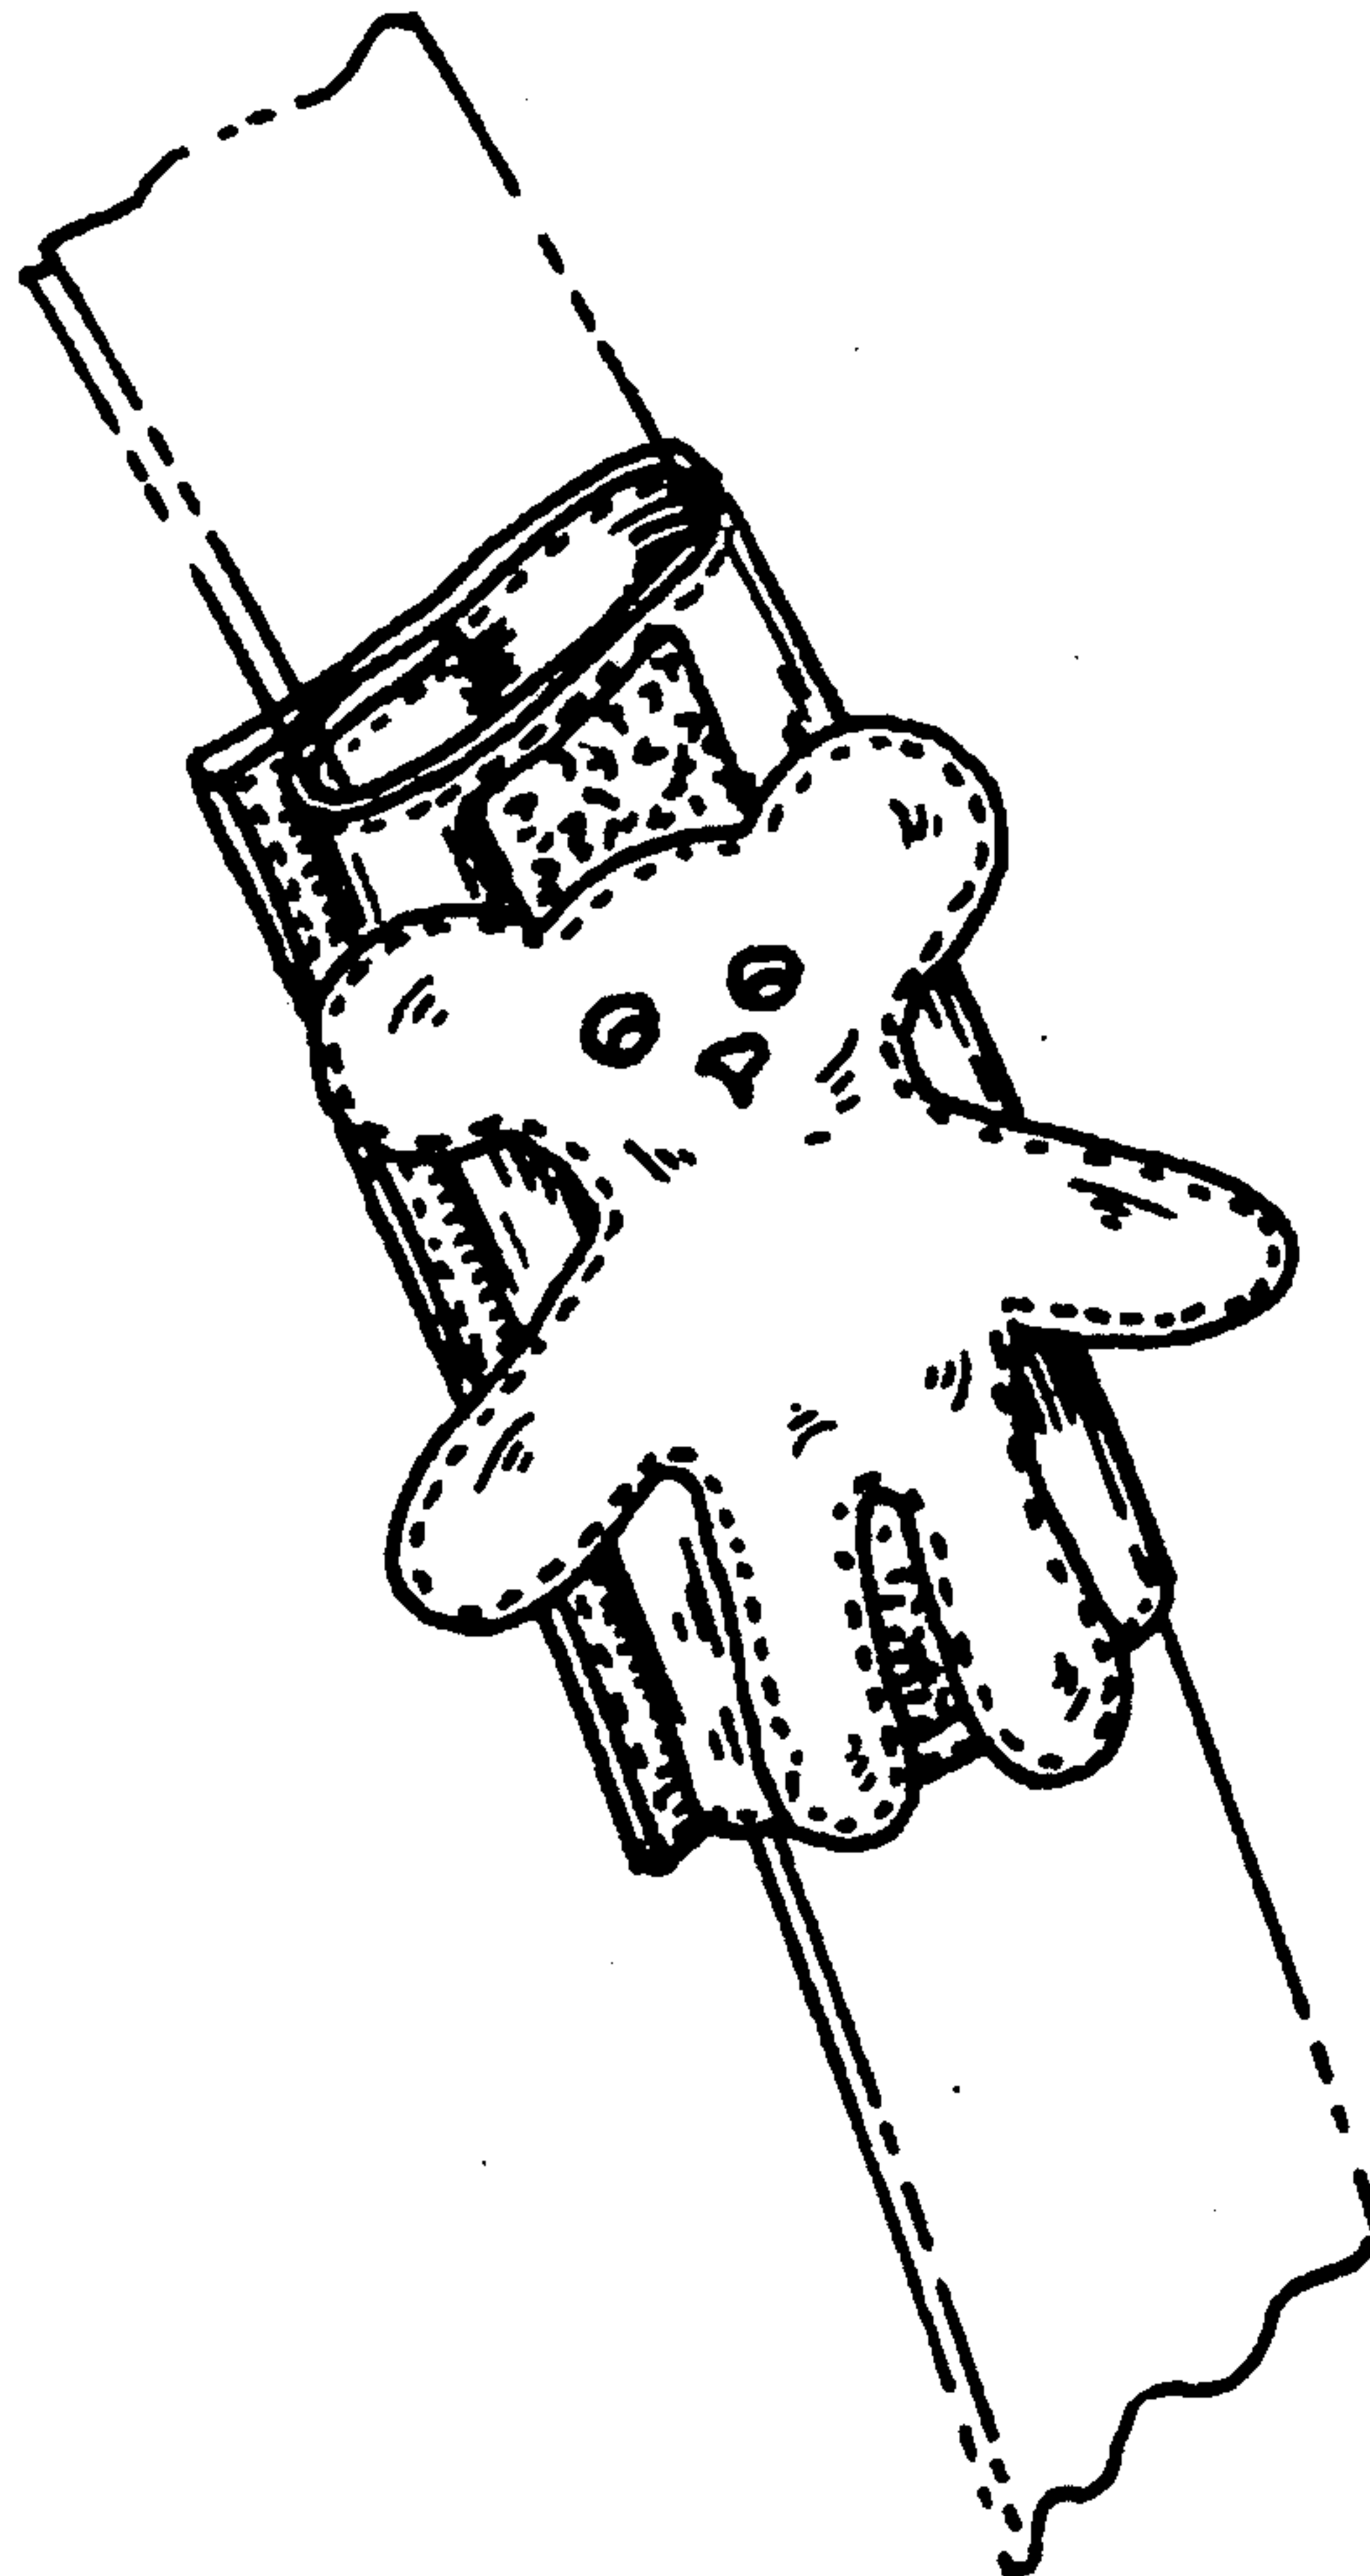

FIG. 3 is a left elevation view thereof;

FIG. 4 is a right elevation view thereof;

FIG. 5 is an exploded front elevation thereof; and

FIG. 6 is an exploded rear elevation thereof.

The broken lines contained within the design as disclosed in FIGS. 1, 5 and 6 represent conventional stitching.
