## [57] CLAIM

The ornamental design for golf putter head, as shown and described.

## DESCRIPTION

FIG. 1 is a perspective view of a first embodiment of my golf putter head design with a shaft shown in dashed

lines for illustrative purposes only. The shaft is not part of the design;

FIG. 2 is an enlarged perspective view of the embodiment of my design showing the top, back and one end; FIG. 3 is a top plan view of the same embodiment of my design;

FIG. 4 is an elevation view of one end of the same embodiment of my design. The other end is a mirror image of the end shown;

FIG. 5 is a bottom plan view of the same embodiment; FIG. 6 is an elevation view of the rear of the same embodiment;

FIG. 7 is an elevation view of the front of the same embodiment;

FIG. 8 is a perspective view of a second embodiment of my golf putter head design with a shaft shown in dashed lines for illustrative purposes only. The shaft is not part of the design;

FIG. 9 is an enlarged perspective view of the second embodiment of my design;

FIG. 10 is a top plan view of the second embodiment of my design;

FIG. 11 is an elevation view of one end of the second embodiment of my design the other end is mirror image of the end shown;

FIG. 12 is a bottom plan view of the second embodiment of my design;

FIG. 13 is an elevation view of the rear of the second embodiment of my design; and

FIG. 14 is an elevation view of the front of the second embodiment of my design.
