[57] **CLAIM**

The ornamental design for the end standard for picnic table, as shown and described.

**DESCRIPTION**

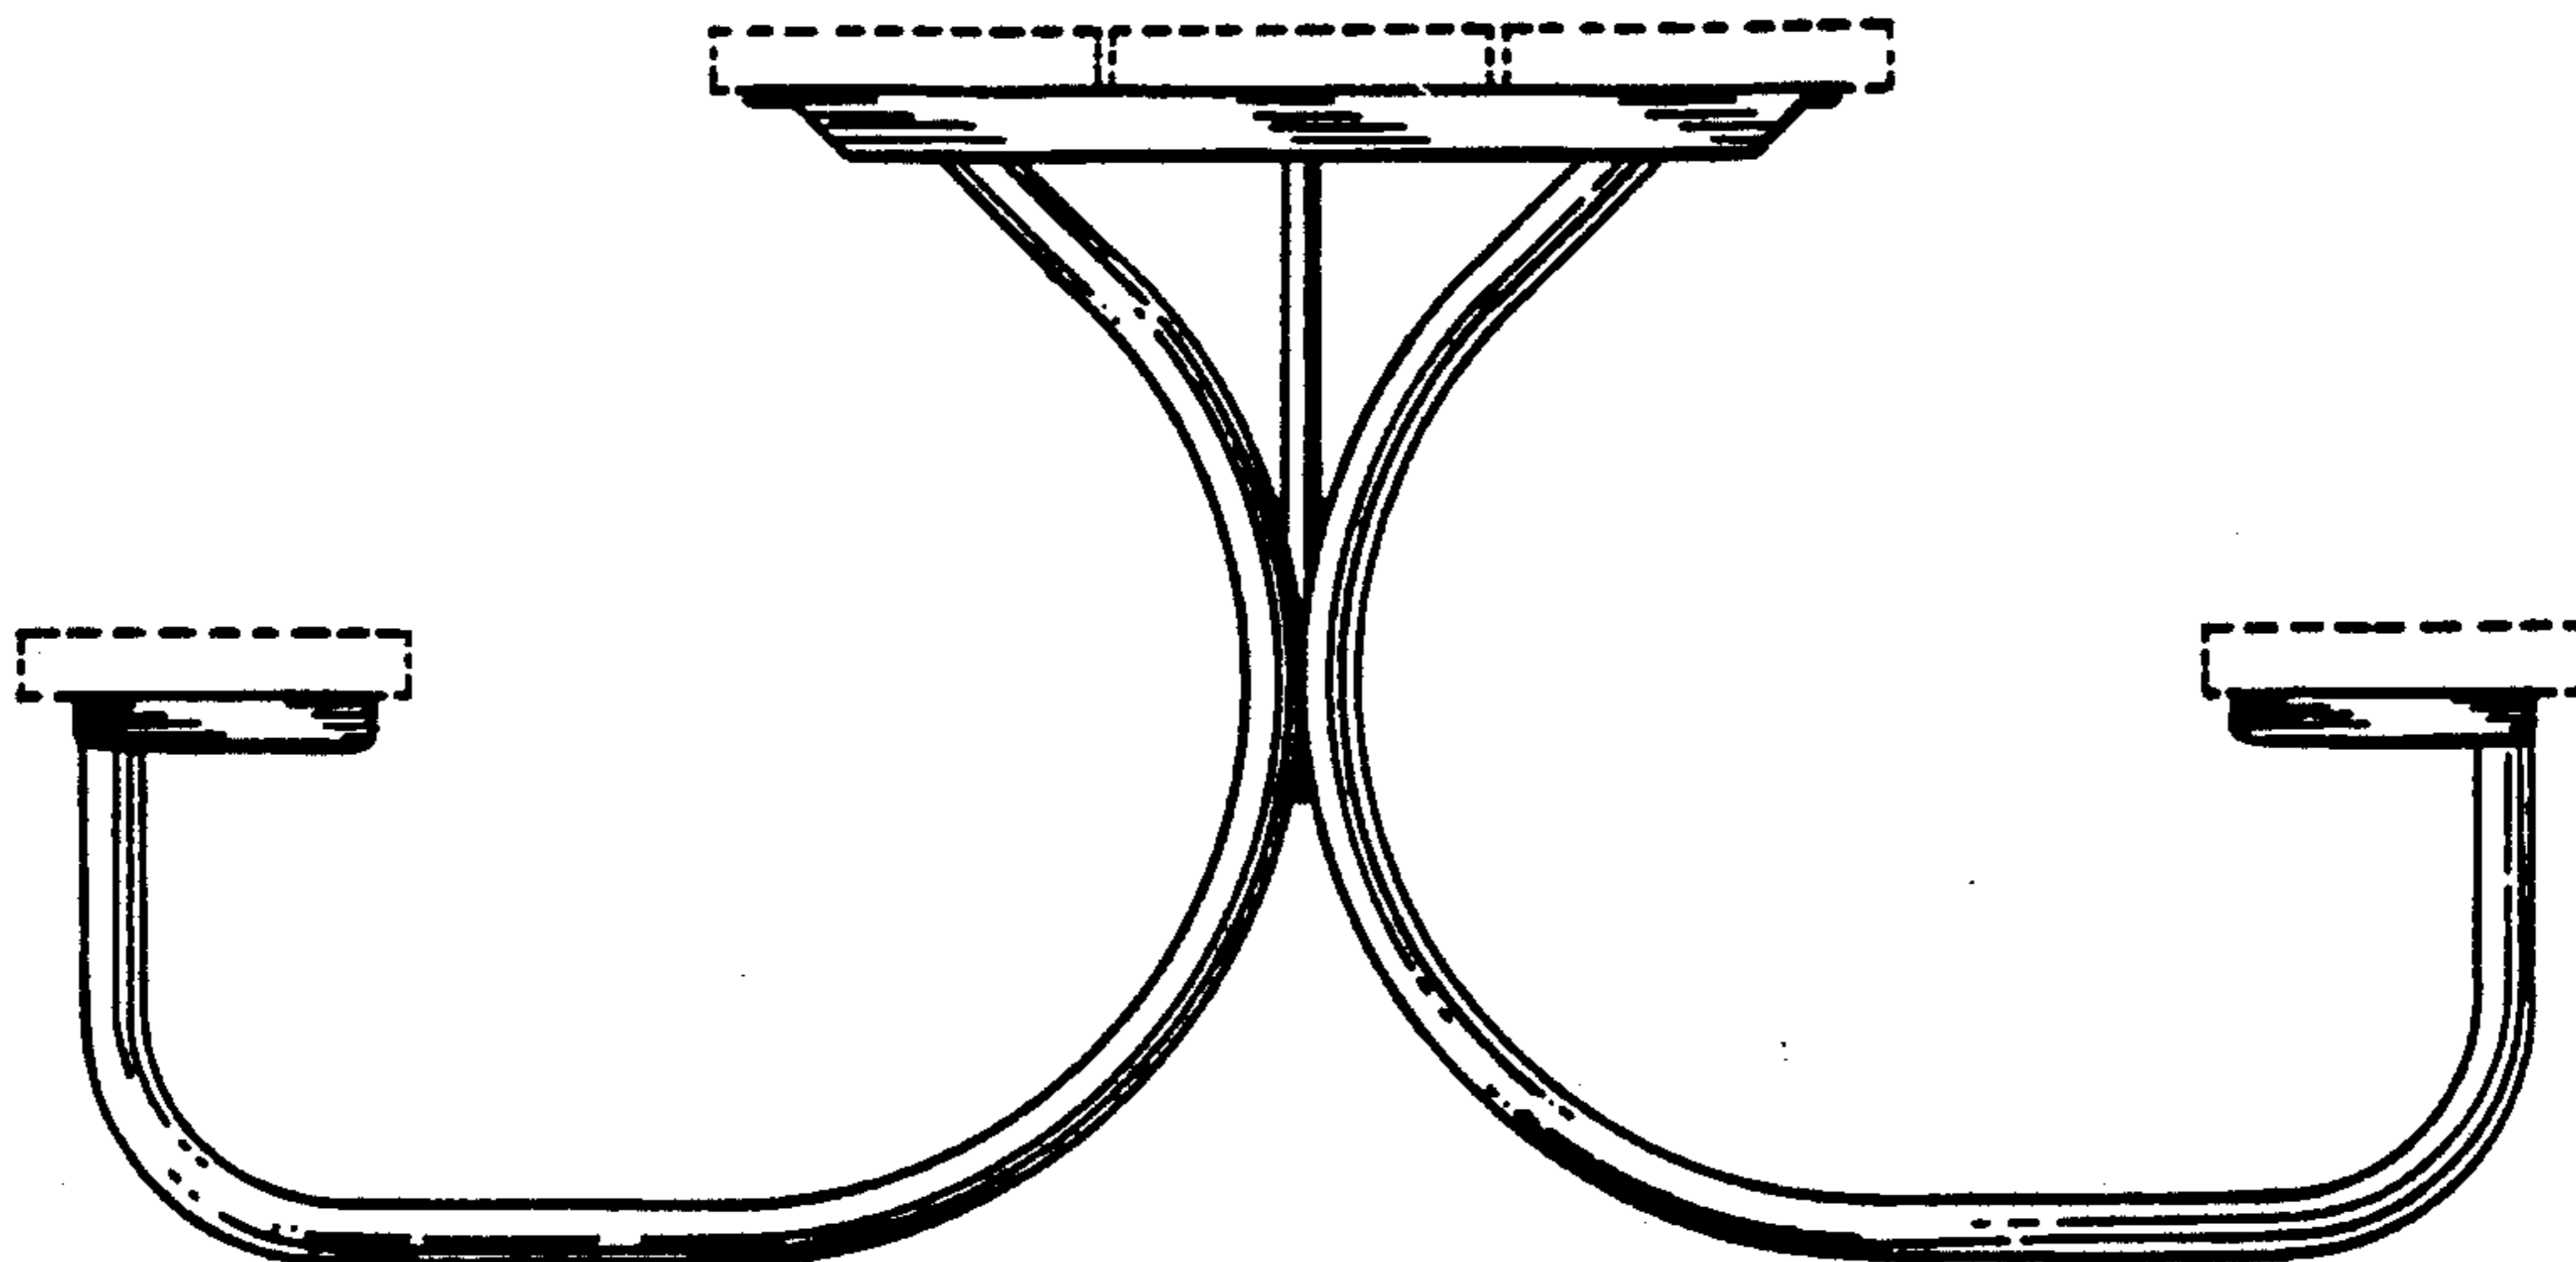

FIG. 1 is a top plan view of the end standard for picnic table showing our new design;

FIG. 2 is a side elevational view, the opposite side view being a mirror image thereof;

FIG. 3 is a bottom plan view; and

FIG. 4 is an end elevational view, the opposite side view being a mirror image thereof.

The table top and bench tops shown in broken lines in all the figures are not part of the claimed design, but illustrate the environmental structure with which the picnic table frame of this invention is used.

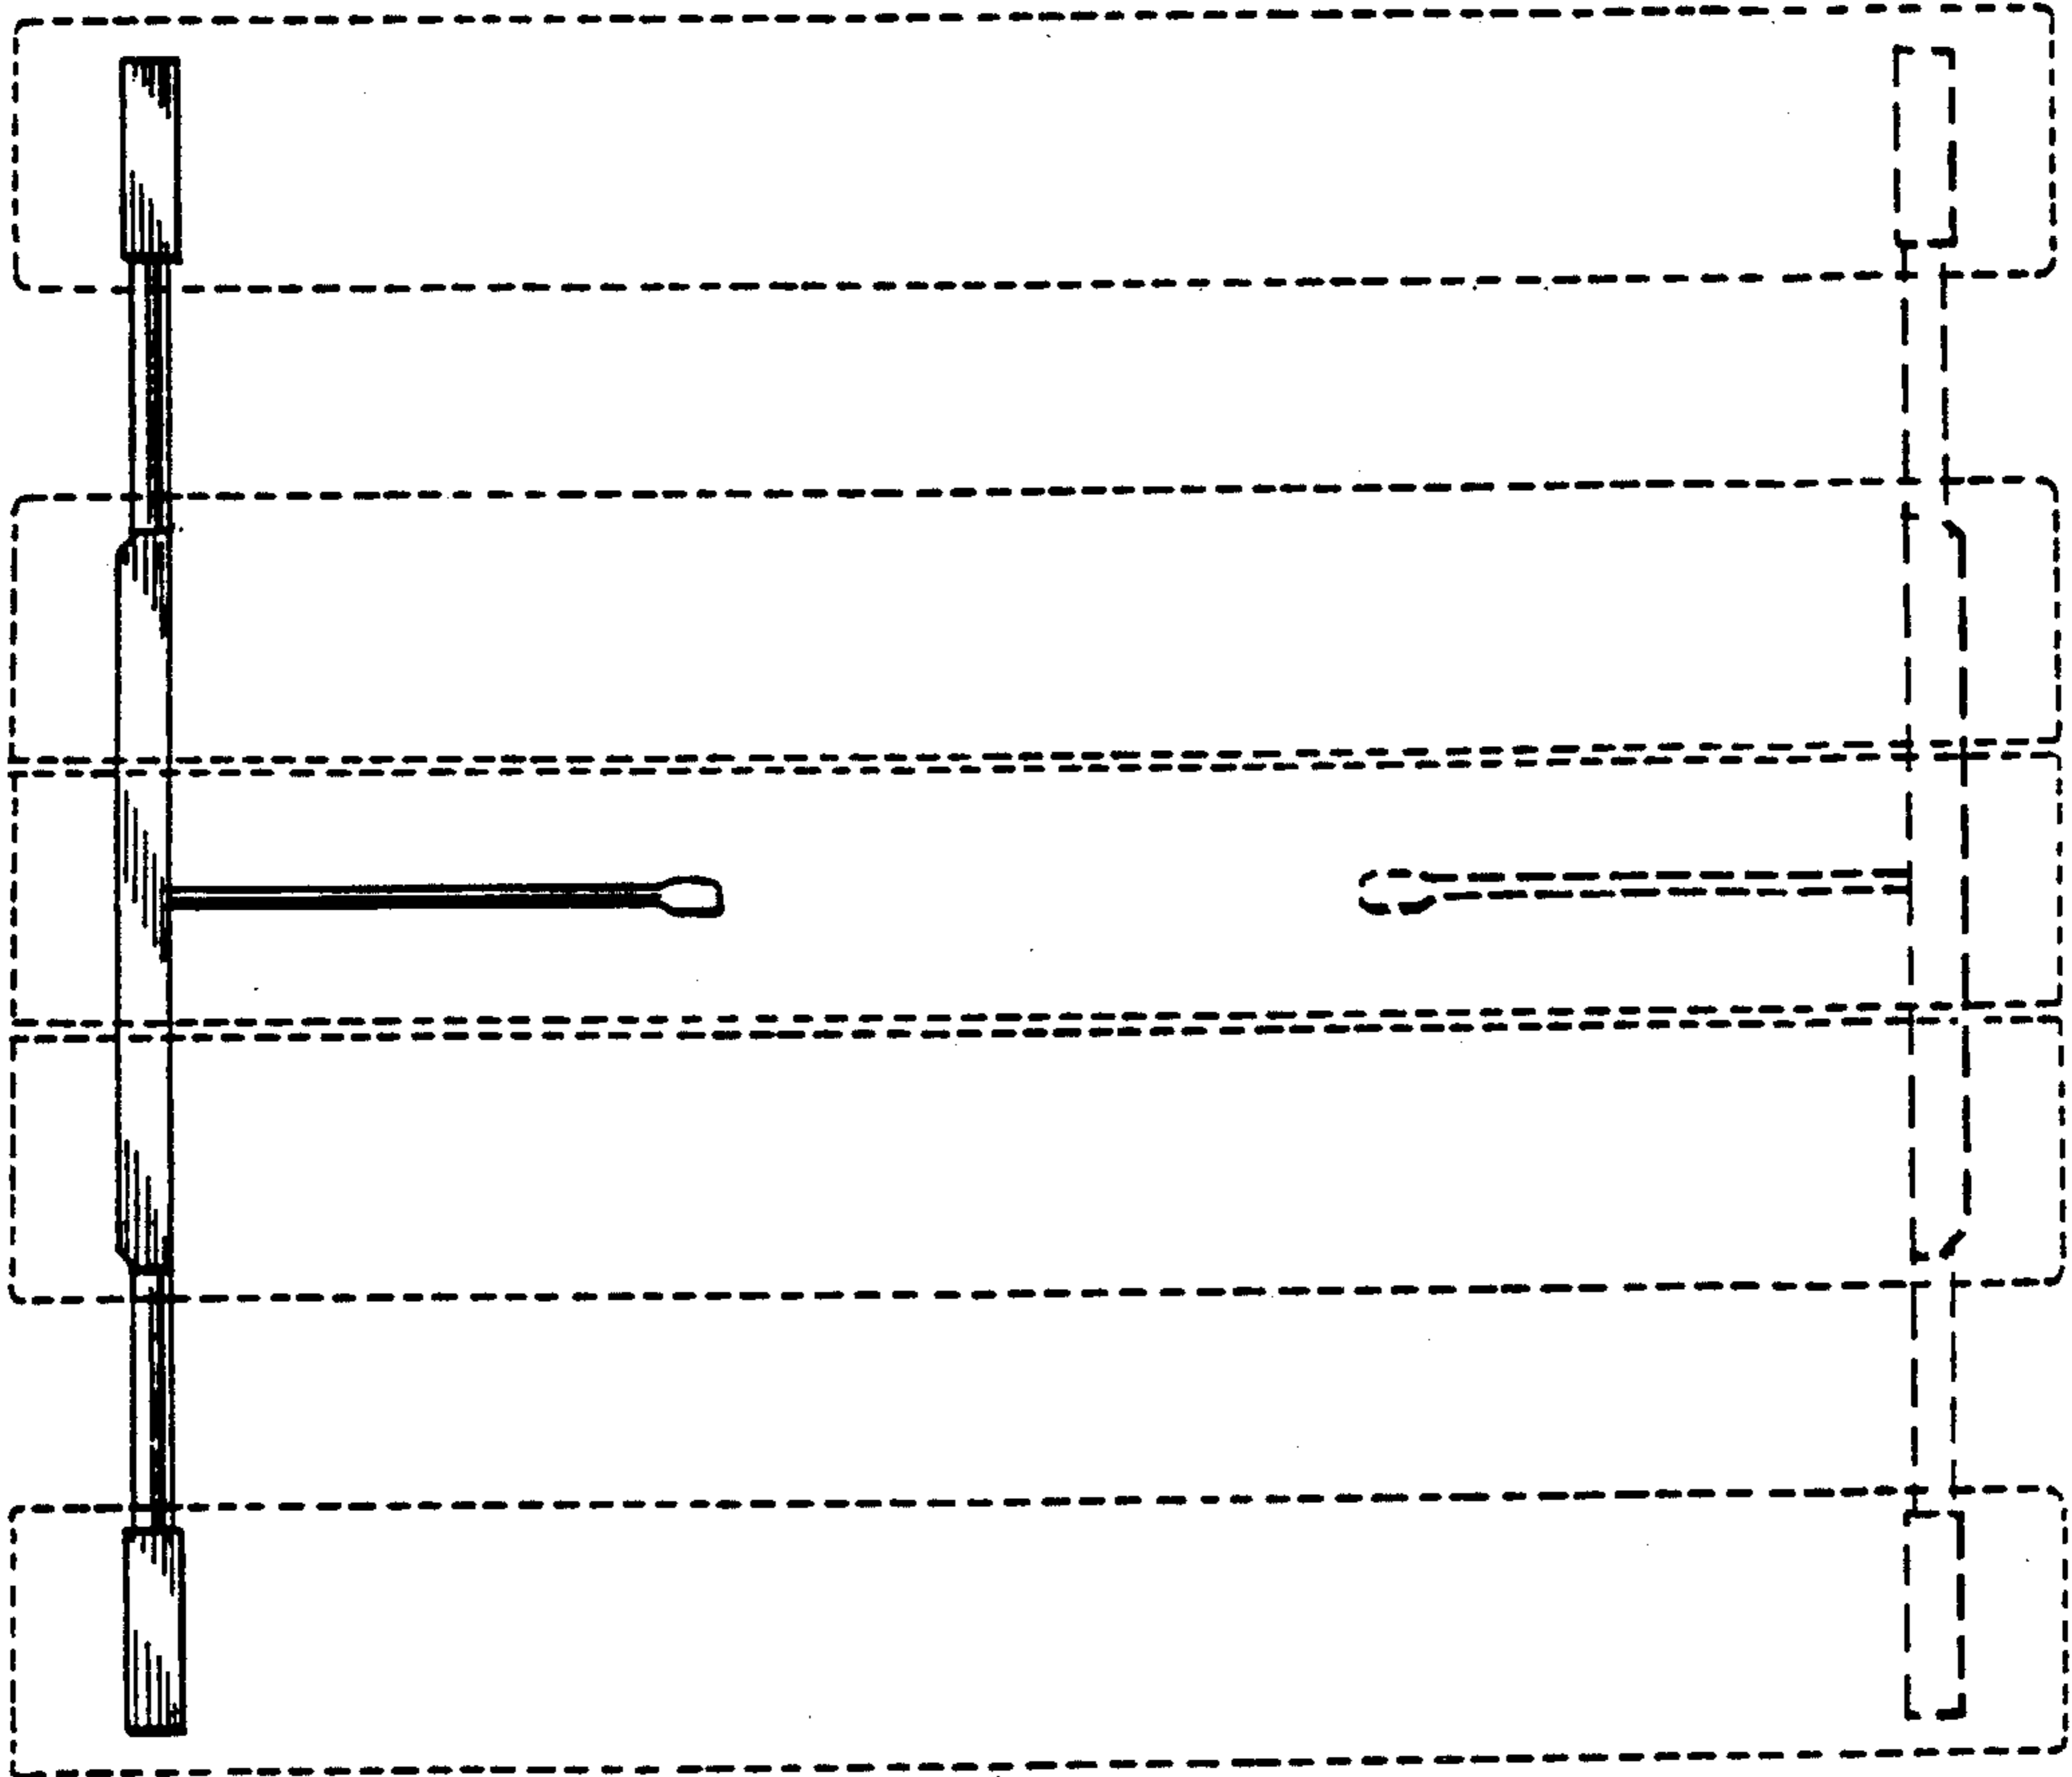

FIG. 1

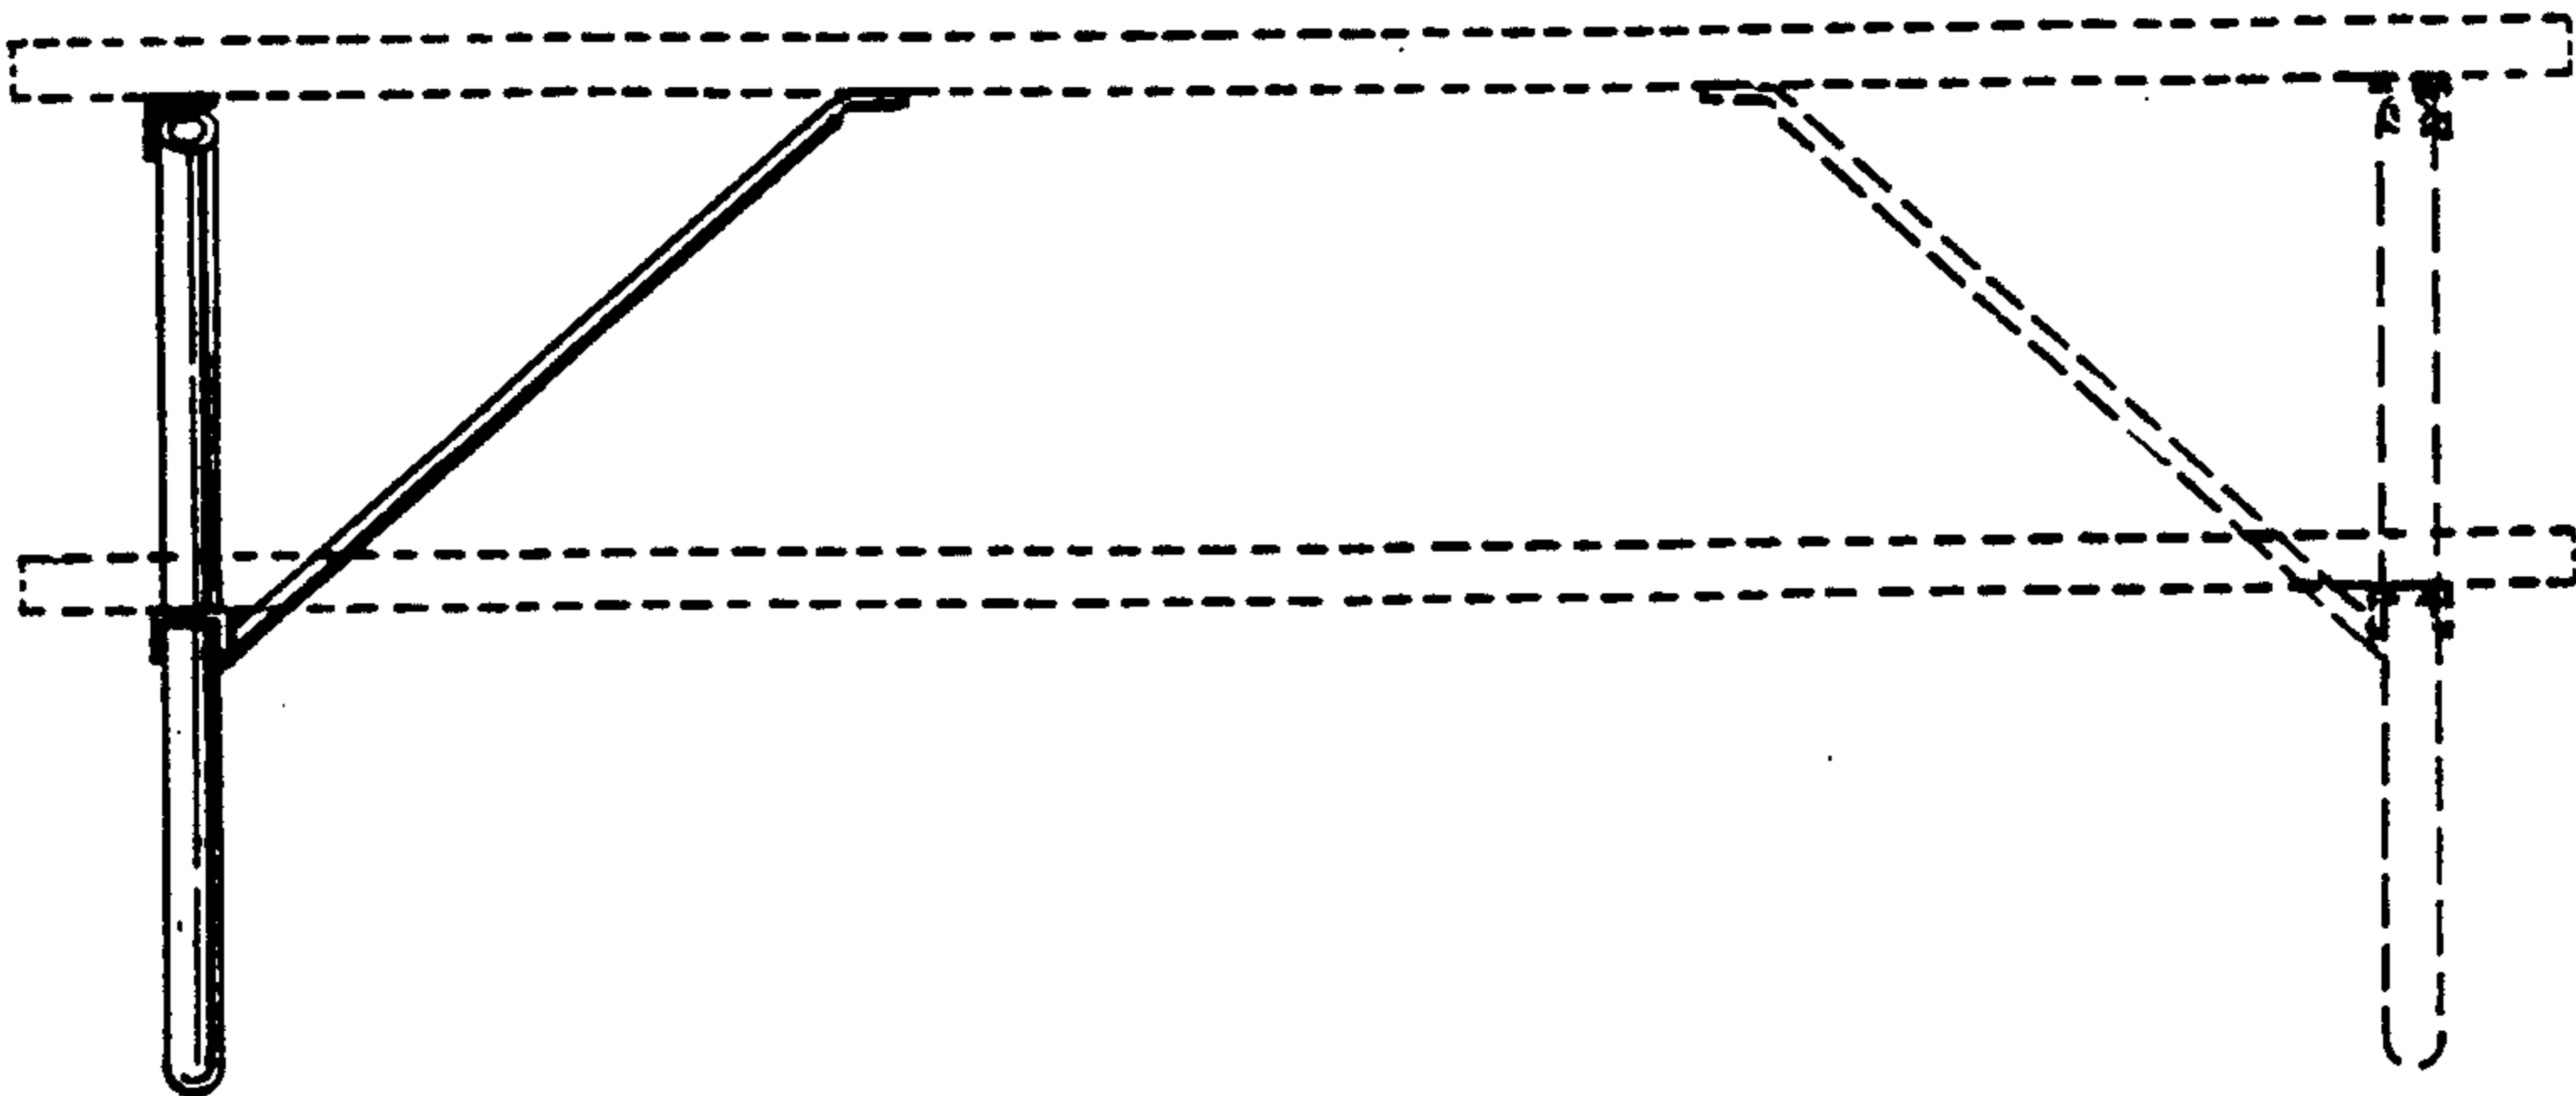

FIG. 2

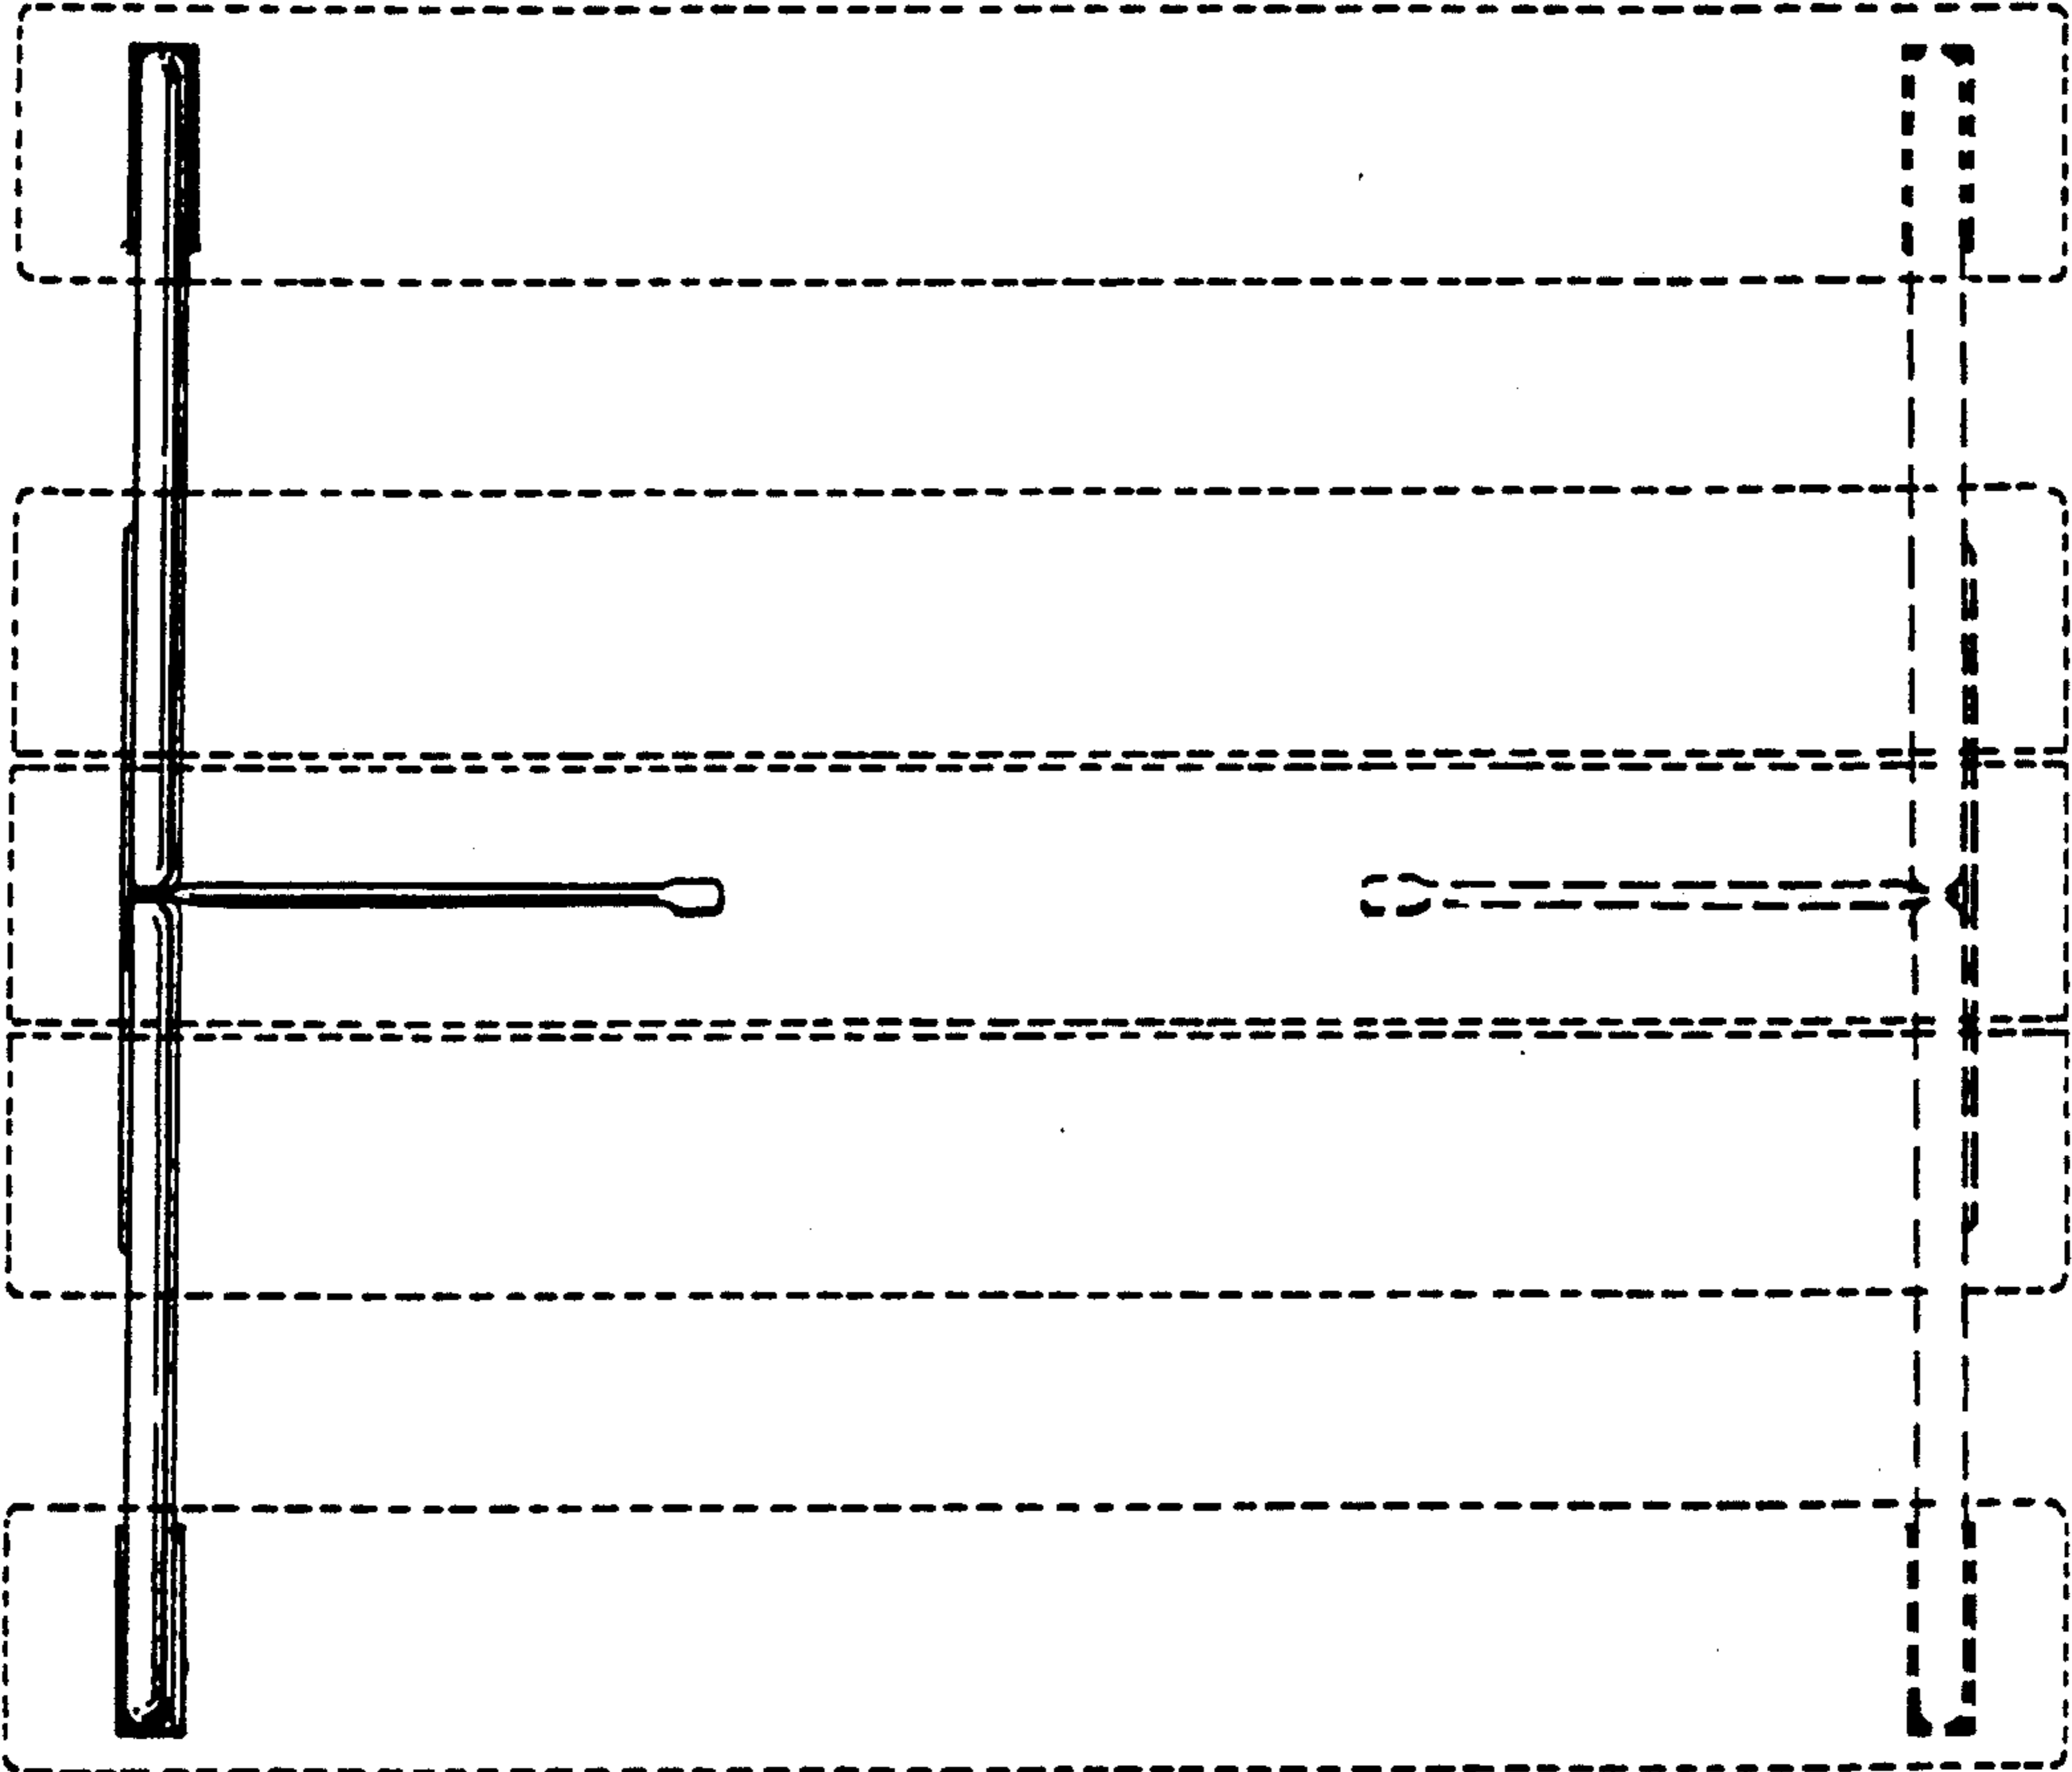

FIG. 3

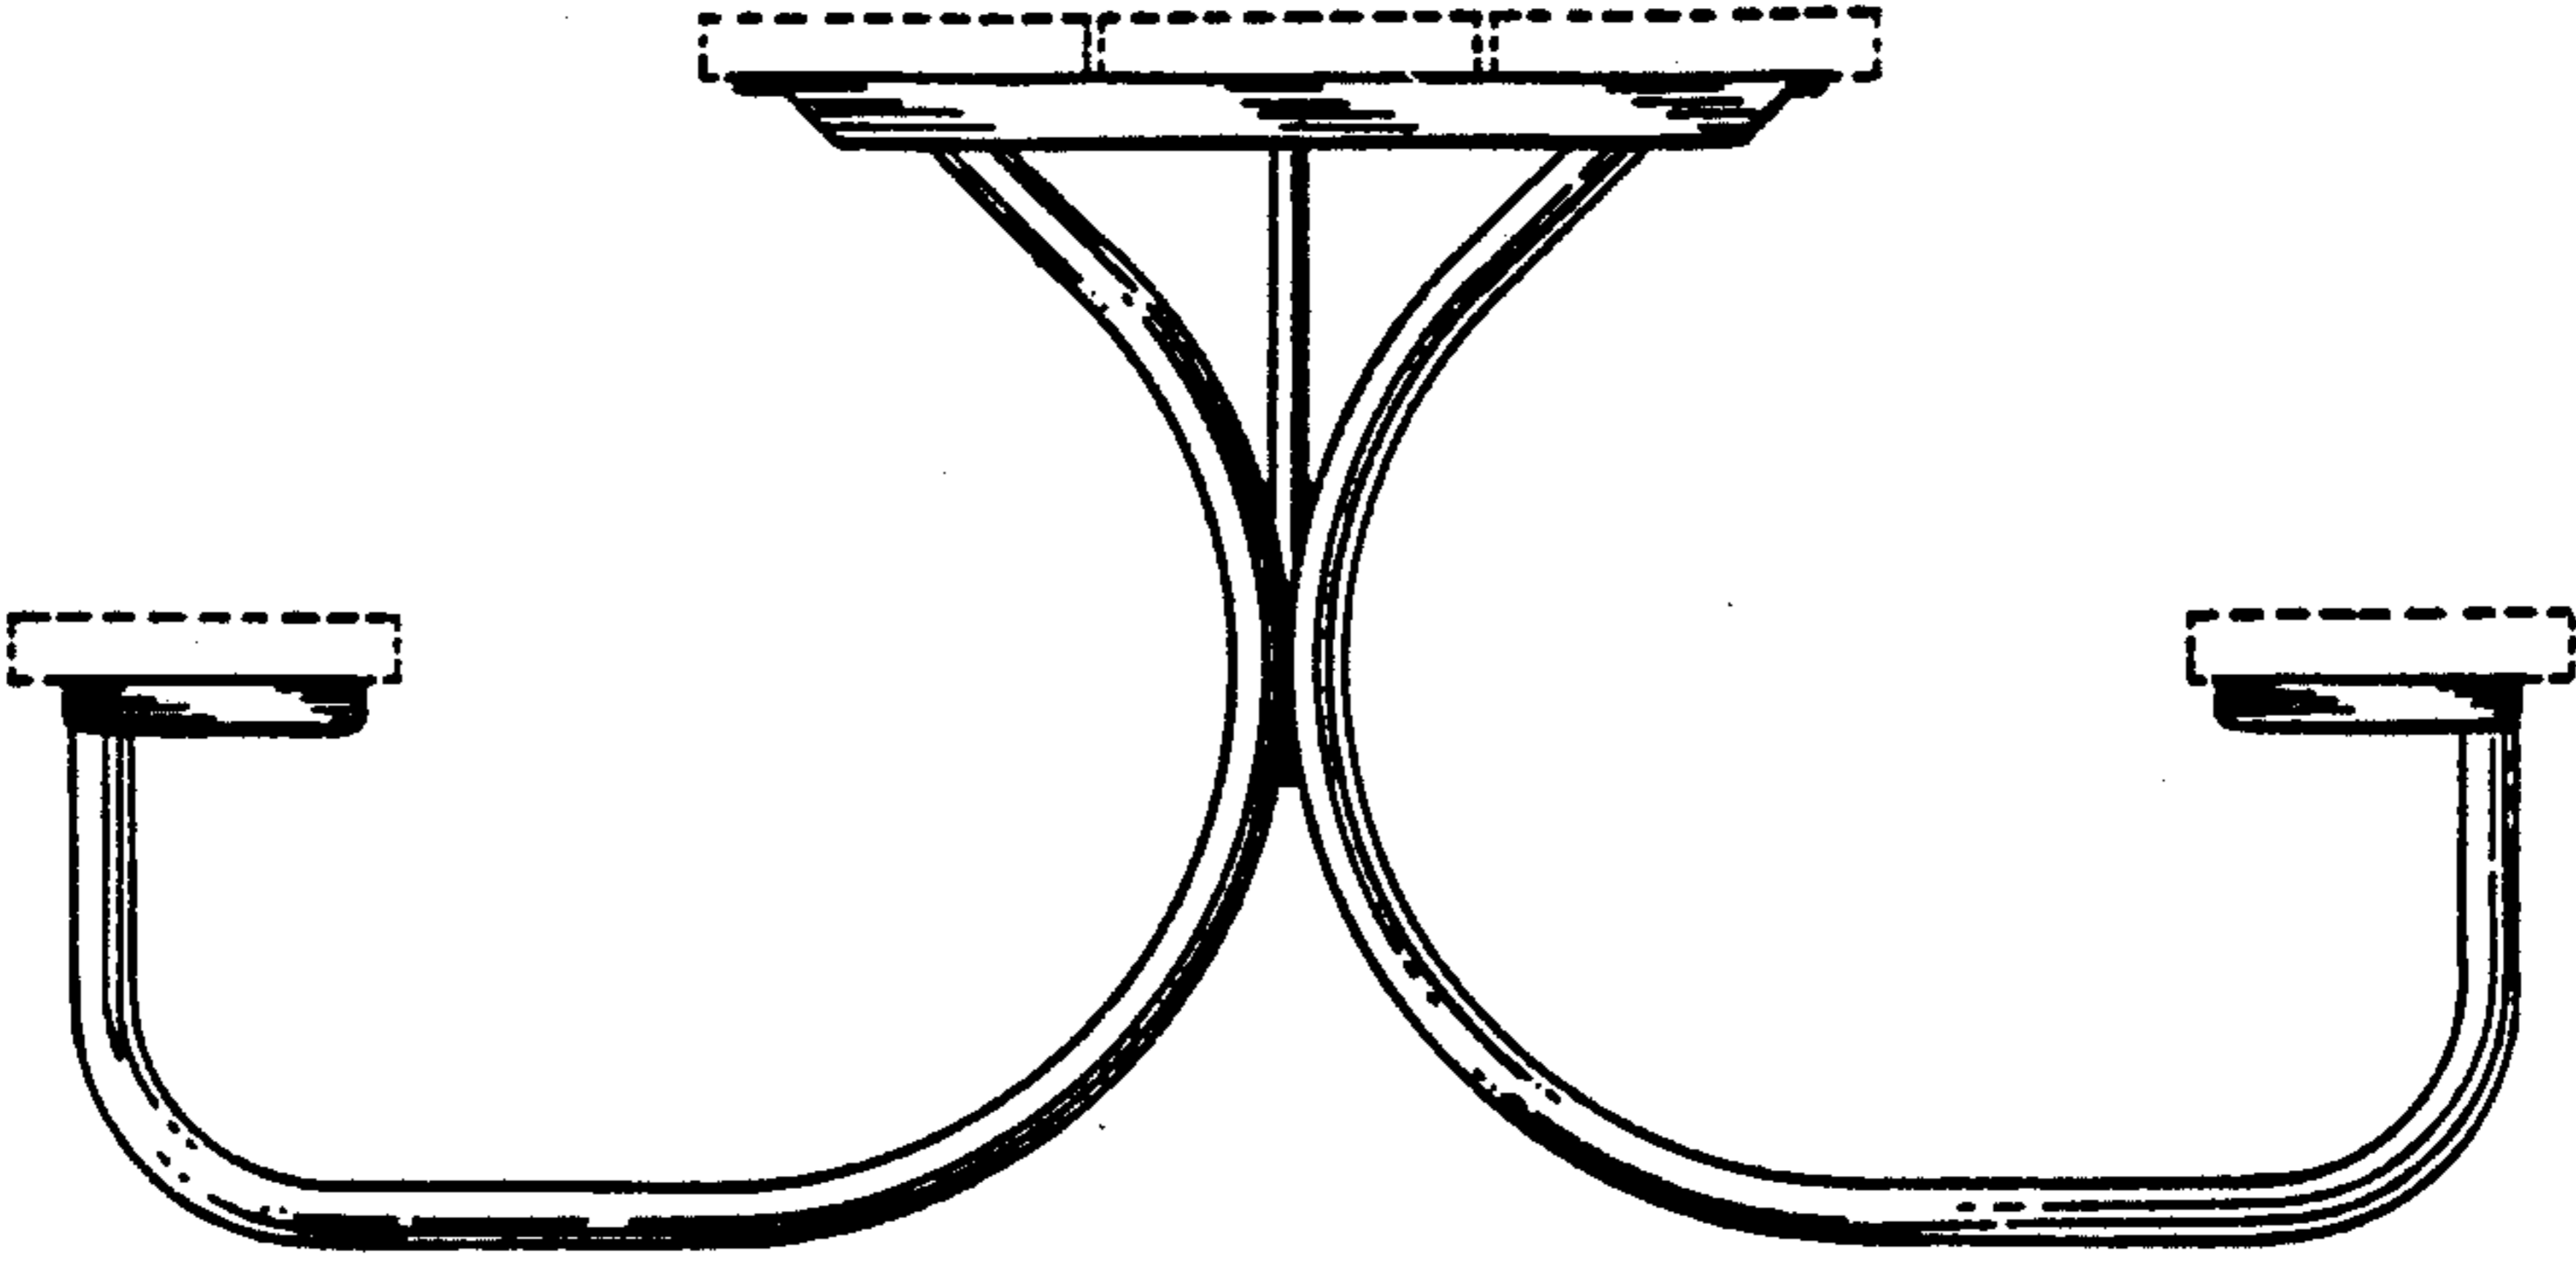

FIG. 4
