[57] CLAIM

The ornamental design for inner drive portion of a circular saw blade, as shown and described.

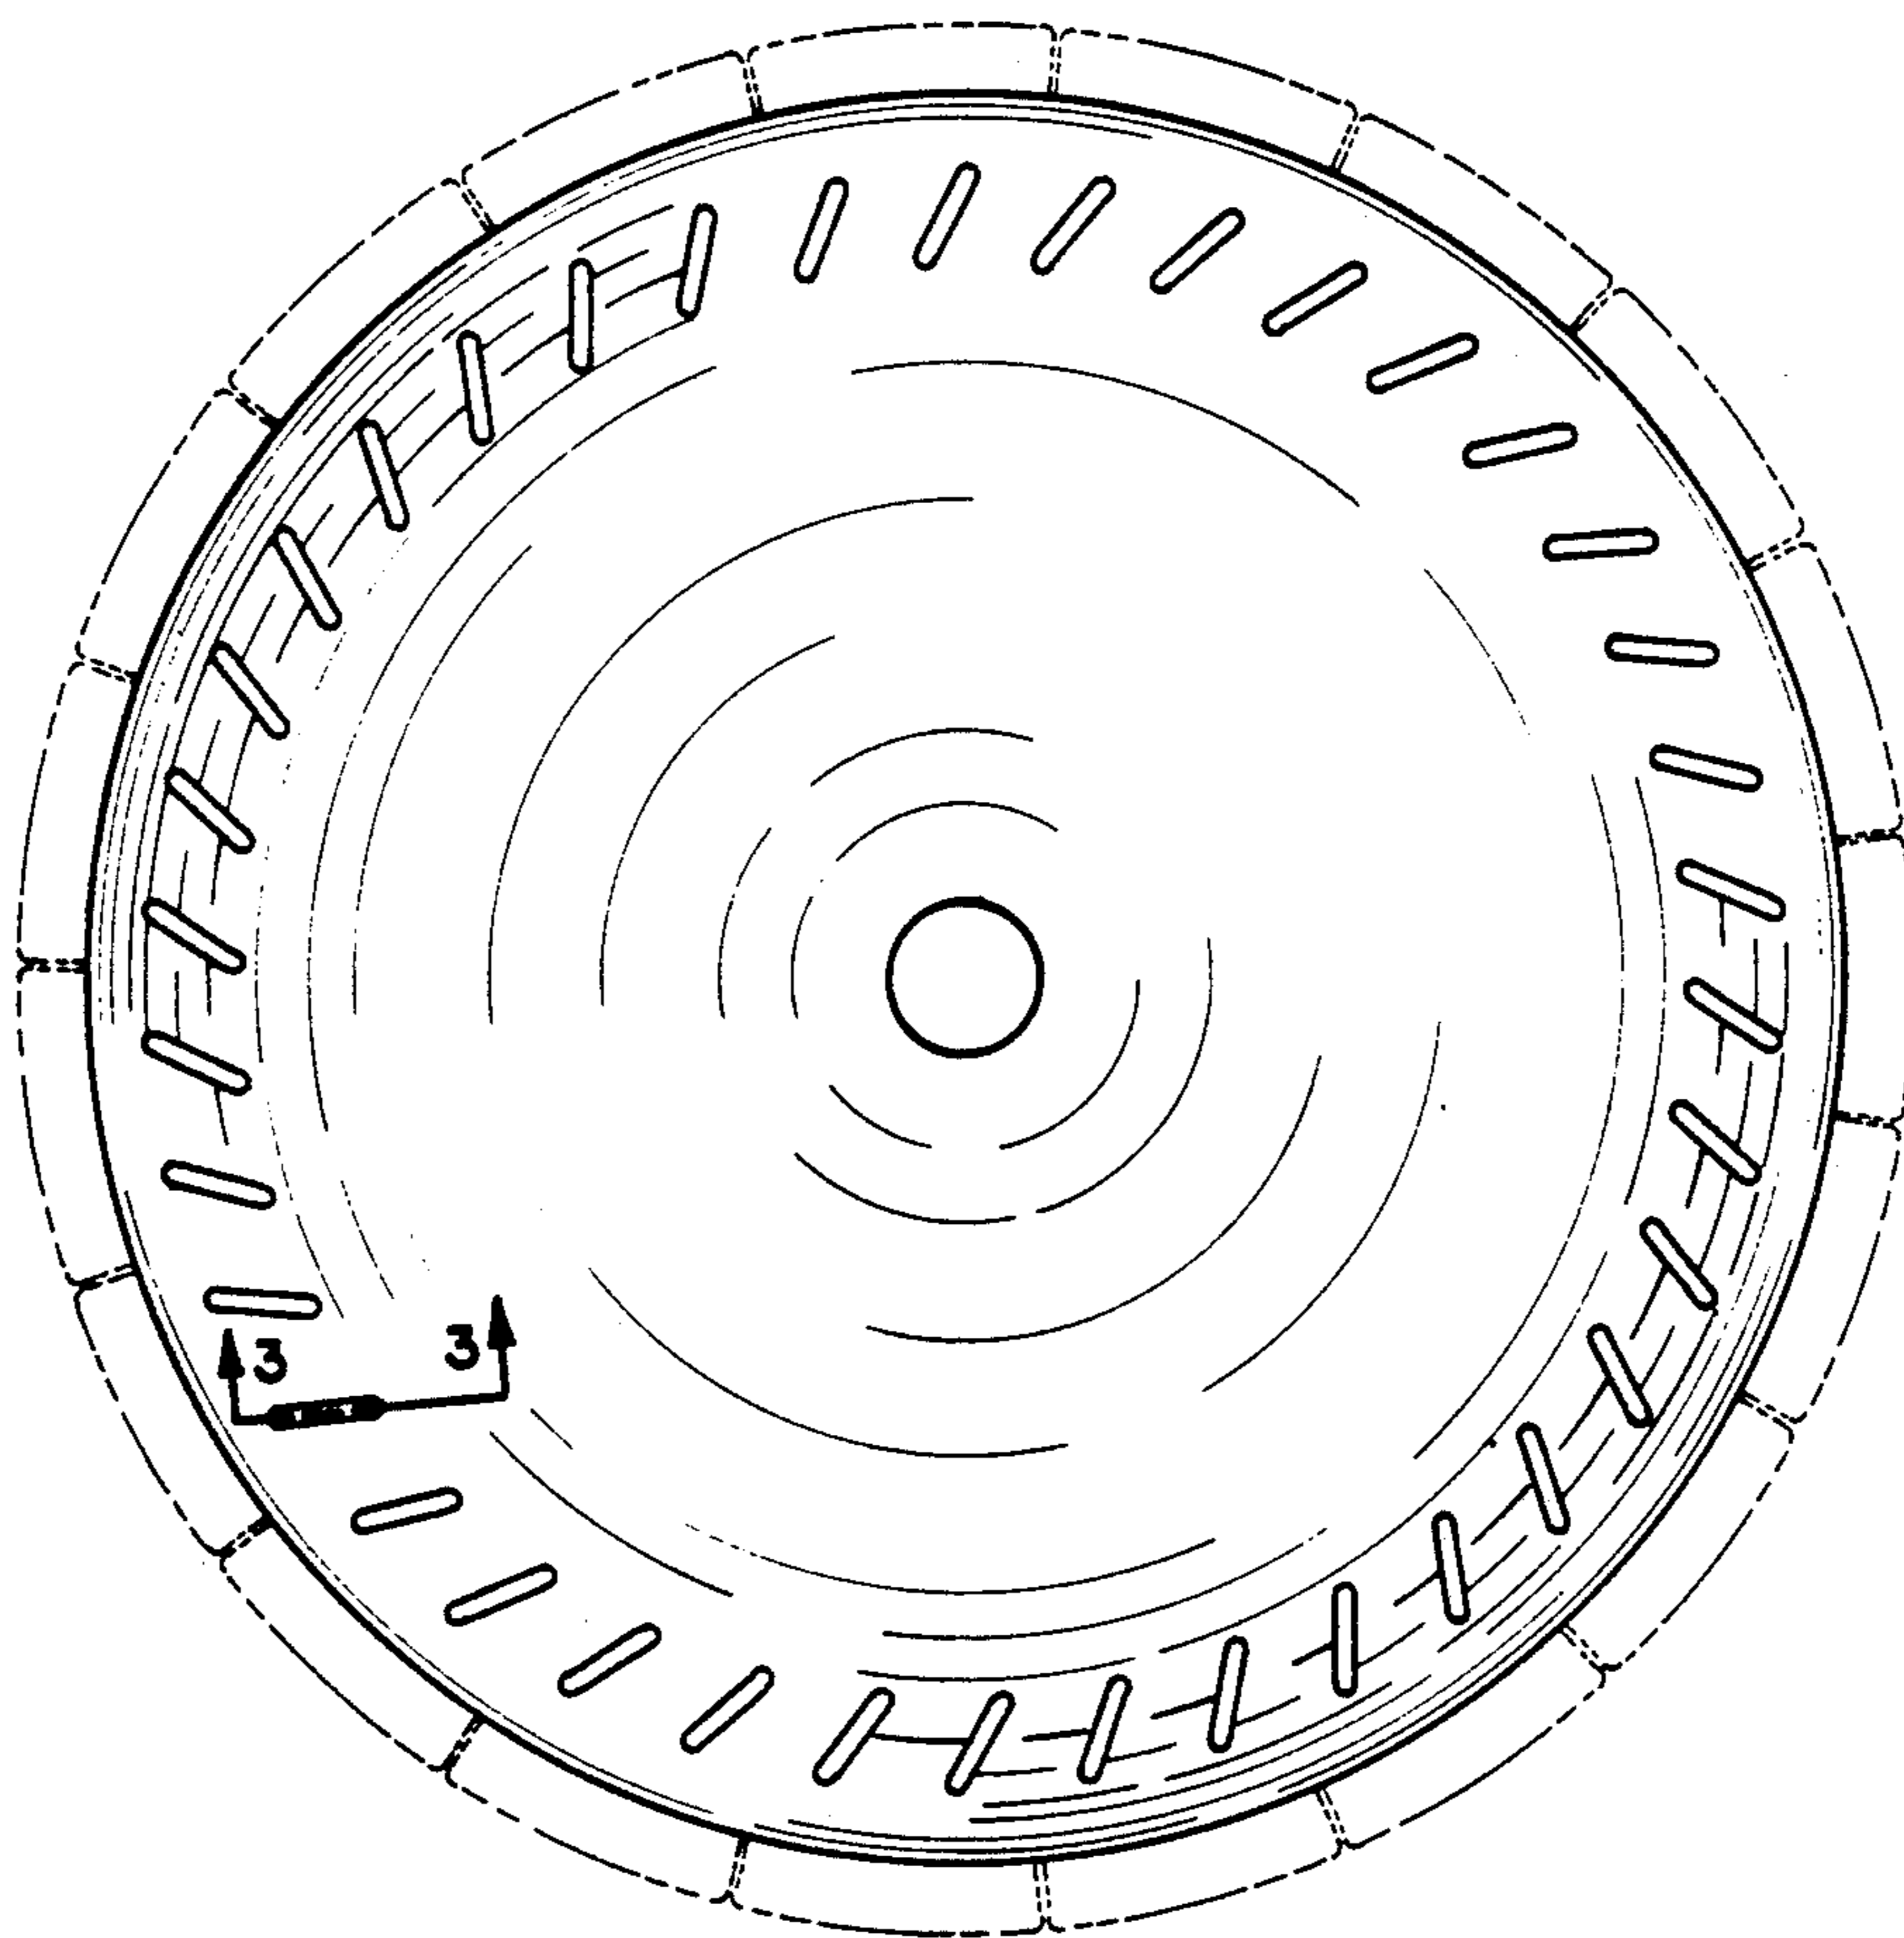

DESCRIPTION

FIG. 1 is a right side elevational view of a inner drive portion of a circular saw blade showing our new design the opposite side being a mirror image thereof;

FIG. 2 is a top plan view the bottom plan view being a mirror image; and

FIG. 3 is an enlarged cross sectional view taken along line 3—3 of FIG. 1.

The broken line showing of FIGS. 1 and 2 is for illustrative purposes only and forms no part of the claimed design.

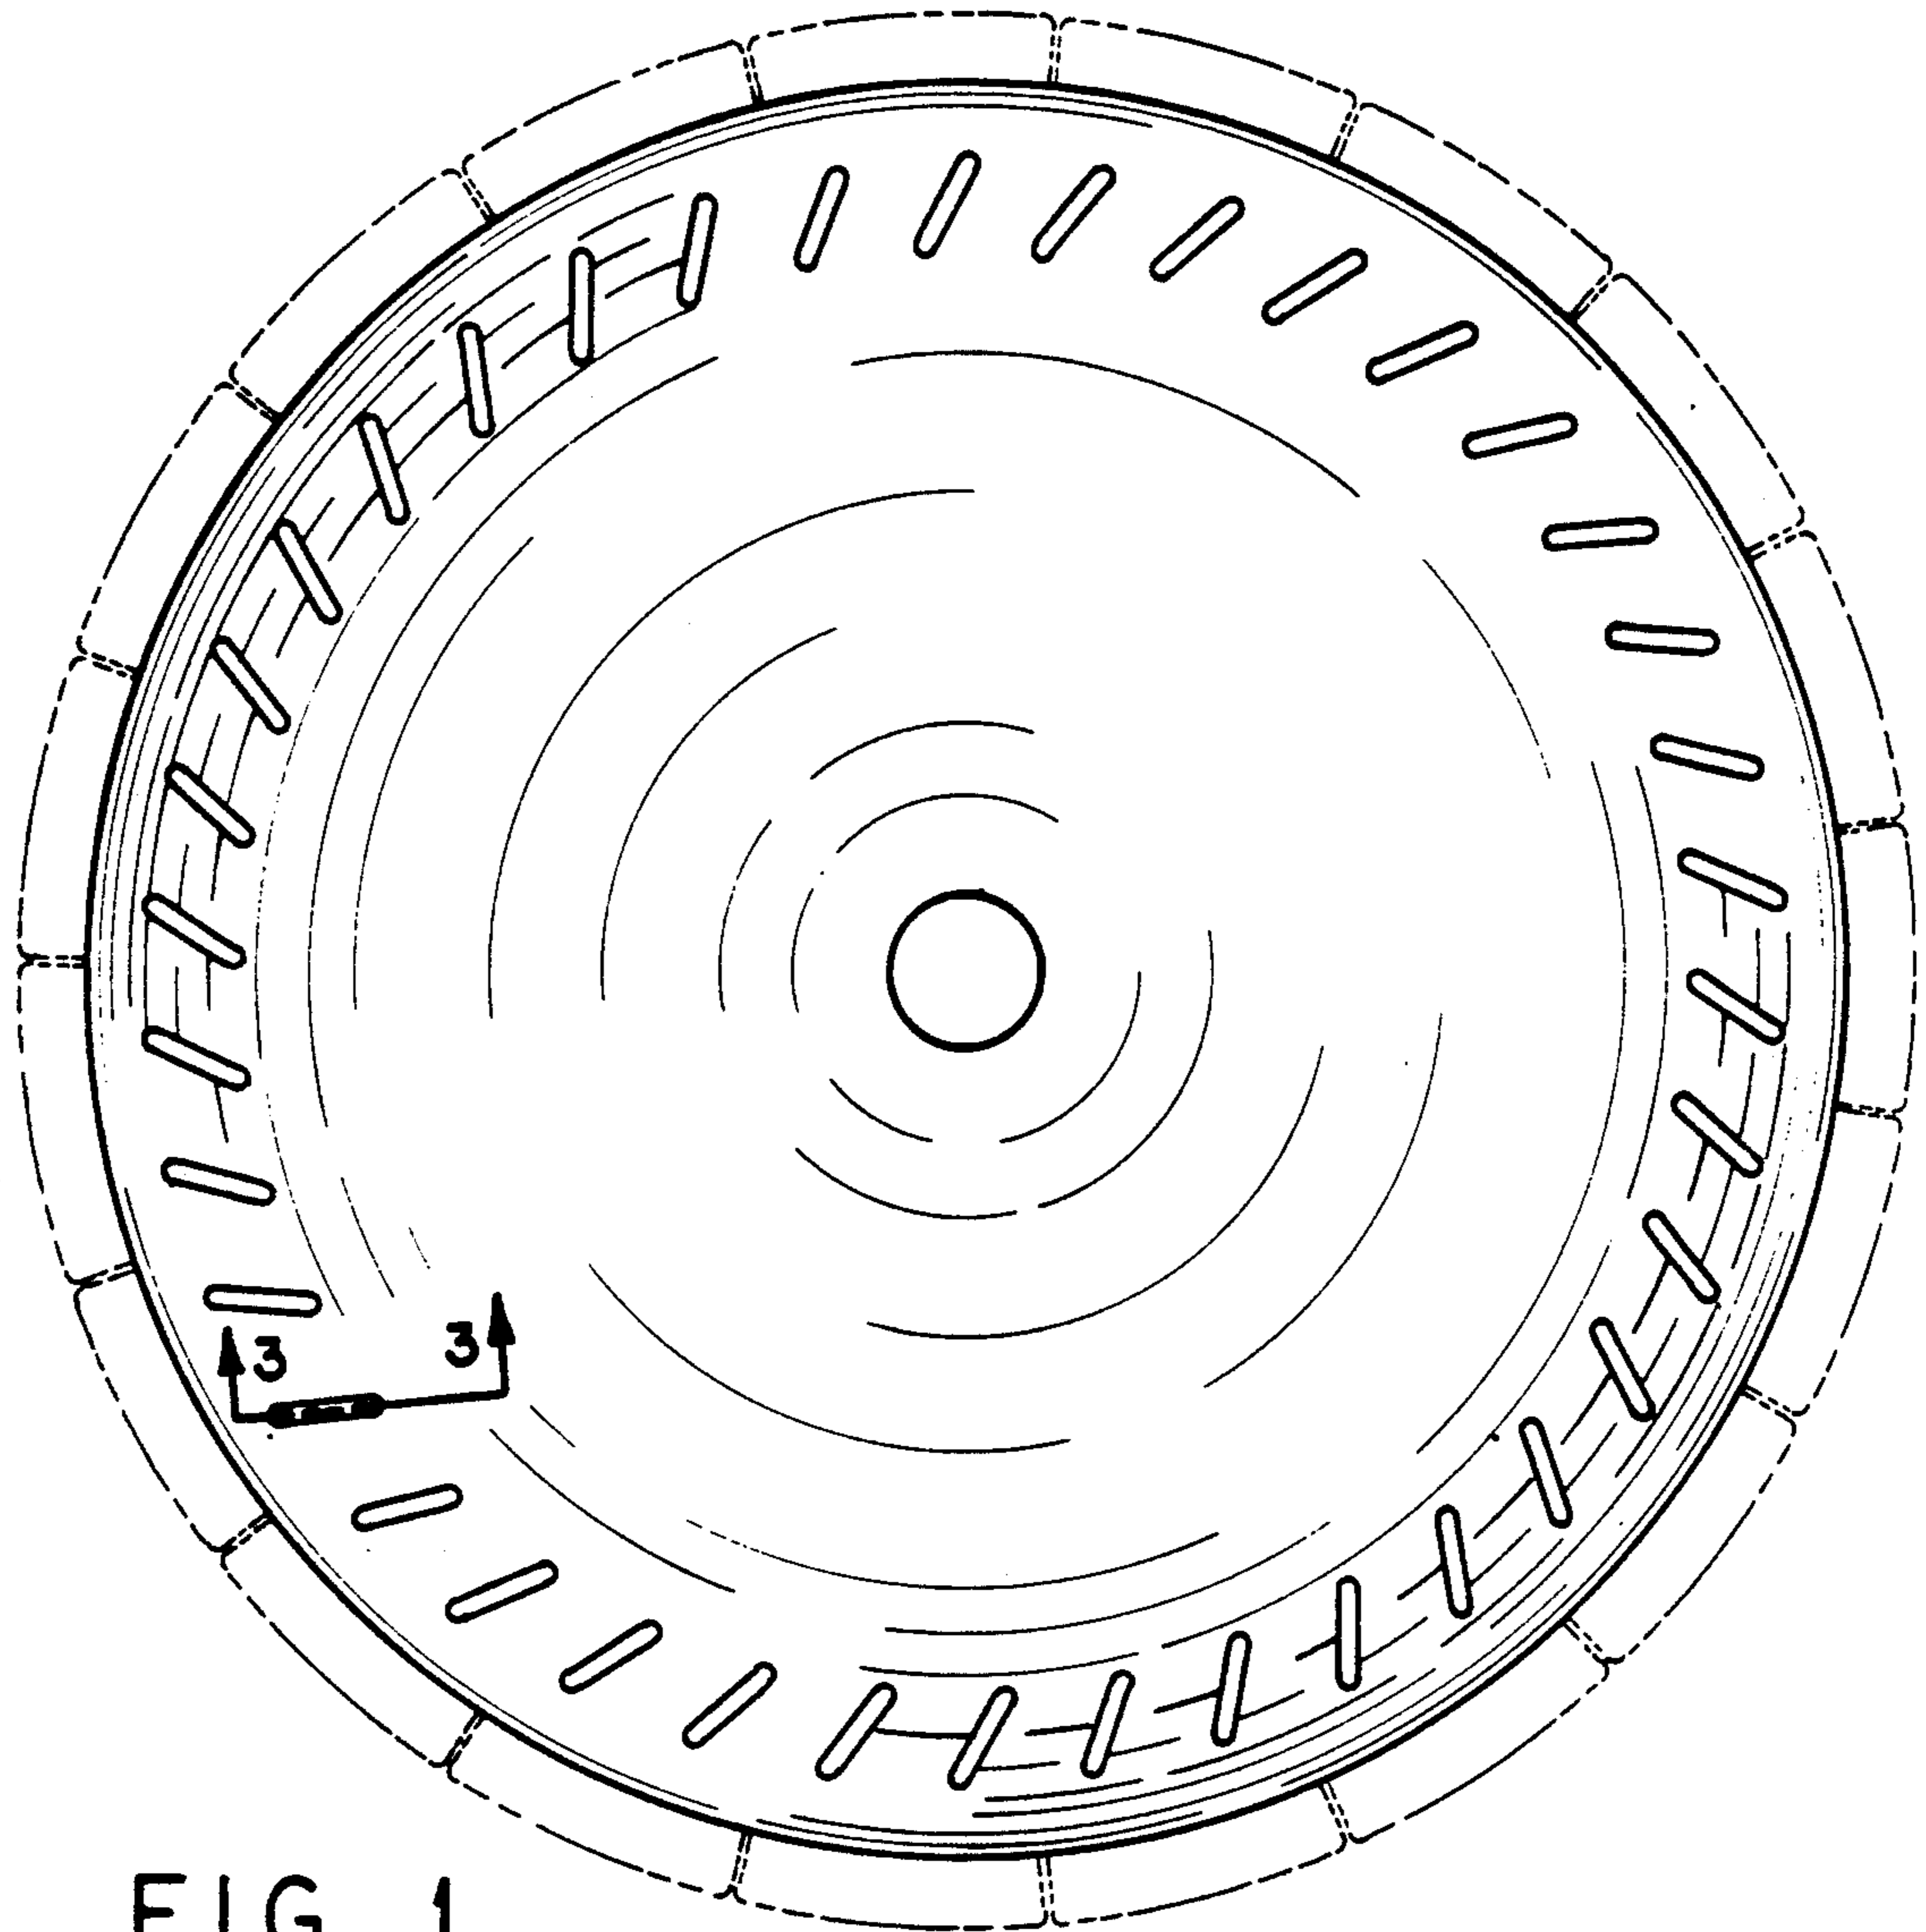

FIG. 1

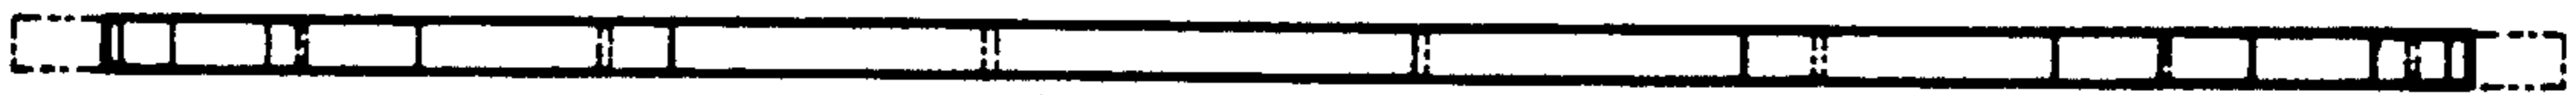

FIG. 2

FIG. 3
