[57] **CLAIM**

The ornamental design for a ceiling fan motor housing, as shown and described.

**DESCRIPTION**

FIG. 1 is a bottom and side perspective view of a ceiling fan motor housing showing my new design, the broken line showing of environmental structure is for illustrative purposes only and forms no part of the claimed design;

FIG. 2 is an enlarged side elevational view thereof, the other side views being substantially identical; and FIG. 3 is an enlarged plan view thereof, the top plan view being substantially identical except without the radial slots;

FIG. 1

FIG. 2

FIG. 3
