[57] CLAIM

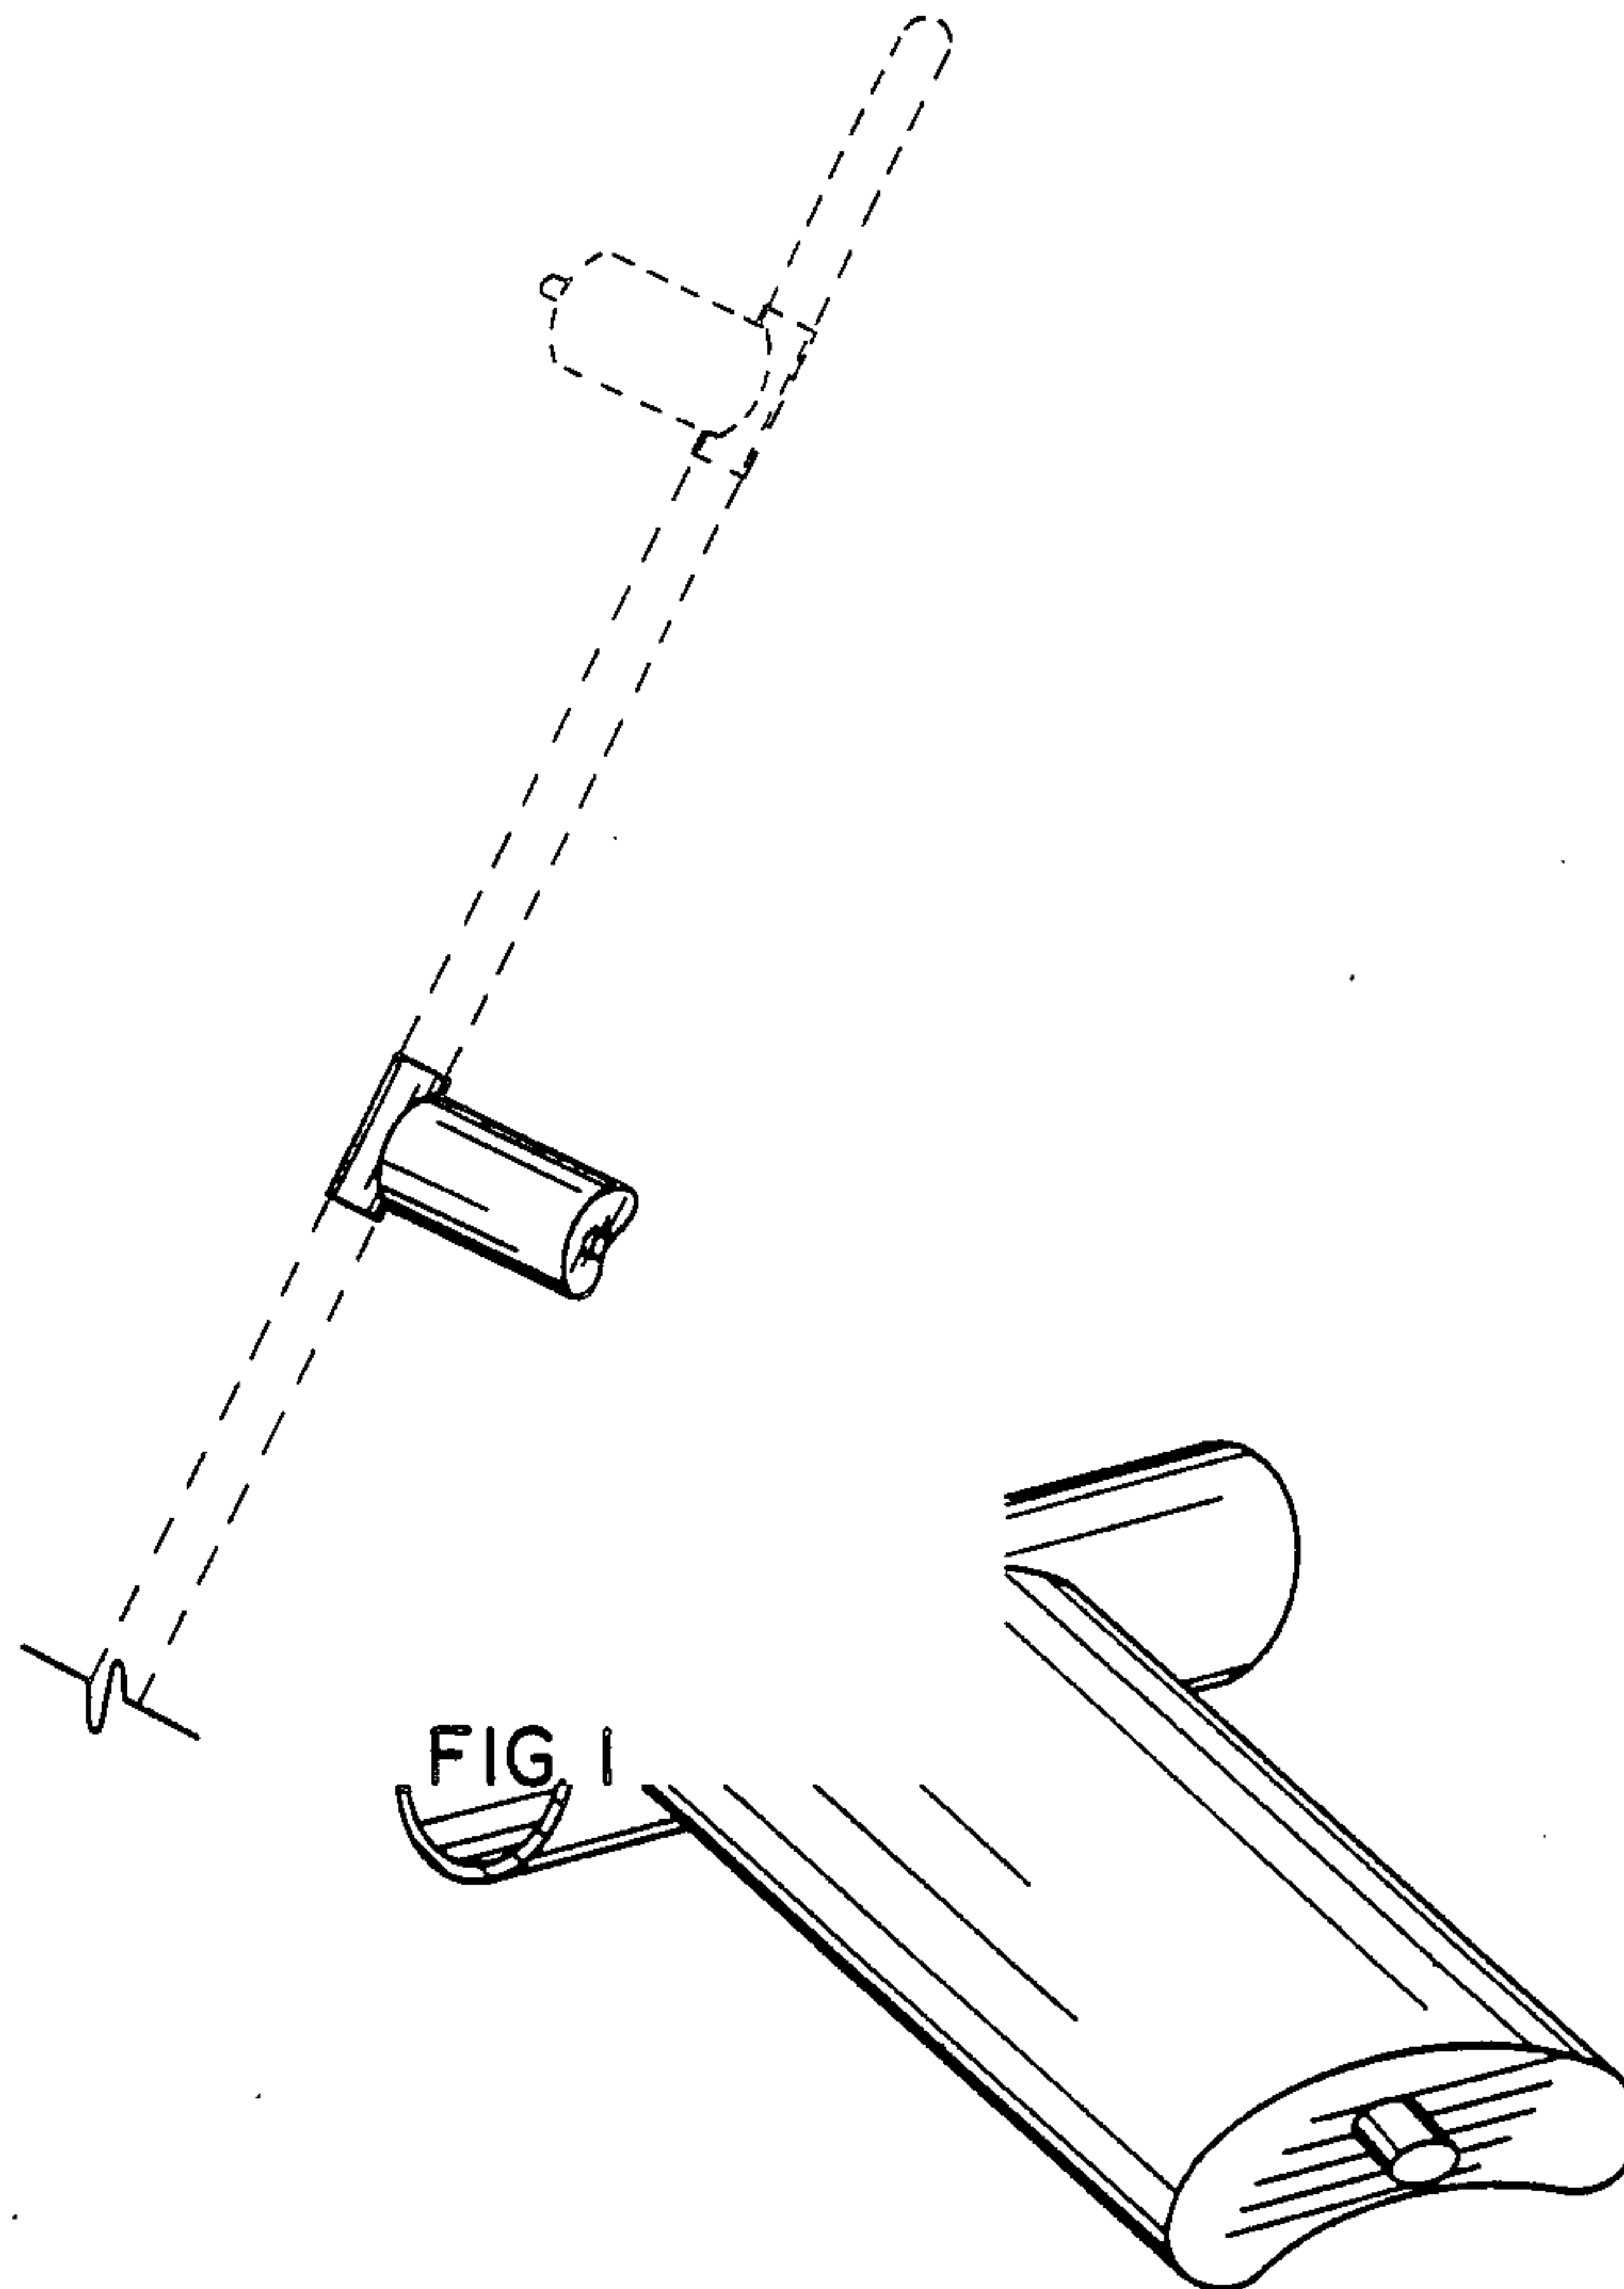

The ornamental design for a grip attachment for a tool handle or the like, as shown and described.

DESCRIPTION

FIG. 1 is a front and side perspective view of a grip attachment for a tool handle or the like showing my new design, the opposite side and rear being plain and unornamented and the broken-line depiction of a tool handle and a second grip attachment being for illustrative purposes only and forming no part of the claimed design;

FIG. 2 is an enlarged front, side and bottom perspective view thereof; and

FIG. 3 is an enlarged bottom plan view thereof, the top being a mirror image of that shown.
